✓ Exclusively available on IvyPanda

Executive Summary

There are notable impacts of globalization on the performance of companies. Evidently, there is need for adoption of more strategic measures. These are applicable within all business operations. Marketing, organizational leadership and collaborations are important.

These factors are eminent within this report. Apple and Samsung companies face these challenges. The companies are associated with the contemporary Samsung galaxy s3 and iPhone 4s. The companies have remarkable performance and development history (Murray-Webster & Williams, 2010).

They also have wide range of trade networks and product portfolio. They produce electronic gadgets that have diverse functional capacities. The report analyses the macro and micro-environmental forces that influence performance of these companies. There are vital lessons drawn from the analysis of these two companies.

Introduction

This paper analyzes the Apple and Samsung companies. They are renowned global electronic producing corporations. In particular, Samsung Corporation manufactures TVs and mobile phones. Presently, it produces the modern Samsung galaxy s3. On the other hand, Apple Company produces the iPhone 4s. These corporations are notable global competitors.

Their products are highly popular and acceptable within various global destinations. Indicatively, the two companies depict a high level of innovative technology (Palmer, 2004). This is notable from the period of their inception. The report examines various business factors influencing competition and success in these two companies. Various strategic tools of analysis are applicable in the process.

An Analysis Fei Ying, 2016-08-25 Essay from the year 2016 in the subject Business economics Offline Marketing and Online Marketing course international business language English abstract Samsung Group is a giant multinational enterprise composed of more than thirty affiliated corporations in various industries Samsung Group is acting a significant of roles including supplier designer engineer and producer etc As a global conglomerate Samsung has achieved a great success in both domestic and foreign markets Samsung mobile business has contributed enormously to the whole company providing mobile phones that satisfy consumers needs Samsung maintain the first position with innovated products such as the Galaxy S5 Galaxy Note 4 and Galaxy Note edge across the whole mobile and smartphone markets in the world in 2014 A closer look will be taken on Samsung's mobile communications business As Samsung intends to expand global footprint international business strategy would be adopted inevitably by the company The purpose of this paper is to exam a case of Samsung Mobile and explores how the environment impacts on Samsung's international strategy by using appropriate strategic tools Samsung Electronics and the Global Market. The History and the Competitive Advantage Giulia Knöpfle, 2016-05-31 Research Paper

undergraduate from the year 2016 in the subject Business economics Offline Marketing and Online Marketing University of California Santa Barbara language English abstract This research paper deals with Samsung Electronics with its history and the competitive advantage The economy and the culture in South Korea are also addressed The last chapter is about Samsung's global marketing strategy especially market entries and the marketing mix International trade is anything but a novelty it has begun before Christ but the importance of trade has sharply increased since then Nowadays we talk about global markets and it is necessary to be aware of the importance of global marketing otherwise companies risk losing domestic customers to competitors with cheaper or better products The Fortune Magazine scrutinizes the revenues of large global players every year and publishes a list of the Global 500 that ranks the global companies by their sales strength Samsung Electronics was number thirteen in that list in the year 2015 Thus it is worth looking at this great company and the corresponding environment more closely The purpose of this study is to find out how Samsung shapes its global marketing strategy As Samsung is a gigantic conglomerate with lots of subsidiaries I will restrict this thesis to Samsung Electronics which operates in the electronics industry As Samsung Electronics is still a huge company acting in many business areas with plenty of products on several markets I will limit this research again to the business sector of smartphones
