diverse spiritual and mystic traditions have developed pathways to wisdom and inner power based on universal spiritual laws. These esoteric truths were historically kept as closely guarded secrets accessible only to a select few initiates through lifetimes of disciplined study. Go to TheMercuryFormula.com for inspiration and education provided in this new work. Many of these concepts have recently become widely known and accepted in spiritual circles. However, outside of an established spiritual tradition, many experience the path to spiritual power and purpose to be truly labyrinthine. The Magickal Rites of Prosperity Baal Kadmon, 2015-10-22 Thank you for your interest in The Magickal Rites of Prosperity. Let's face it, whether we like money or not in this world we need it. Money makes the world go round. This has been the case since the dawn of humanity. Although in the most ancient of days money was not used, but other goods were. Grain, livestock, and goods of all types were used to obtain other goods. It was a bartering system as it were. Today we use money as a means of obtaining goods, but in all actuality it is still bartering; it is just that we have added an extra element to it. Money now allows us to exchange goods. It gives us the right to. So in this sense, money is the gatekeeper between one good and the other. I am writing this book in response to several requests. I have had several people come to me asking me for a book just on money magick. In most, if not all, my books I supply magickal rites for money; in this book I will bring the best of them together in one volume. And I will include a new one from an upcoming series. Money is a big issue for most people, and so this book will come in very helpful to many. Unfortunately, money has such a bad reputation, and that is part of why so many are in need of it. Most of this reputation is based on a few misconceptions. In the next chapter, I am hoping we can banish some of the misconceptions of money. After that, we will briefly discuss how hidden thoughts about money sabotage you, and finally we will get right into the rituals and what is needed for them. Let us proceed.

7 Occult Money Rituals Henry Archer, 2017-07-22 This book contains simple rituals that bring the money you desire. No demons, no darkness, you get powerful light magick using angelic names and sigils. Your wants and needs are converted into reality through the power of magick. If you're already doing OK with money, the ritual removes the fear that poverty can ever return. Ritual Two will remove your financial desperation to help you allow and attract a new financial future. Ritual Three removes the blockages that prevent wealth from coming to you. Ritual Four is a petition for riches, and this is a master working that helps to attract money into your life over the coming year. Ritual Five is designed to attract a specific sum of money to solve a problem or fulfill a desire. Ritual Six increases your wages or income from business or sales. Ritual Seven increases your luck in games of chance, including lotteries, card games, and any form of gambling. The magick used in this book comes from many sources. If it
