American Society of International Law

Islam War And International Humanitarian Law:

War and Law in the Islamic World Matthias Vanhullebusch, 2015-06-05 A three part investigation on the origins and evolving roles that Islamic law and international humanitarian law have played in regulating conflict and violence War and Law in the Islamic World brings to light legal and policy complexities that plague modern day armed conflict in the region

The Liberal Way of War Robert P. Barnidge, Jr, 2016-03-03 Examining some of the huge challenges that liberal States faced in the decade after 11 September 2001 the chapters in this book address three aspects of the impact of more than a decade of military action This book begins by considering four different expressions of universalist moral aspirations including the prohibition of torture and discusses migration and responsibility to protect as well as the United Nations Human Rights Committee s Concluding Observations about security and liberty in the last decade International humanitarian law and the problems posed by the territorial character of war and the effects of new technologies and child soldiers are also analysed Finally Islamic law and its interface with international law is considered from a new perspective and contributions in this final part offer a different way of thinking about an authentically Islamic modernisation that would be compatible with Western models of political order With contributions from international lawyers from diverse backgrounds this book fills an important gap in the literature on the themes of international human rights law international humanitarian law and Islamic law

Human Rights and International Humanitarian Law Zimmermann, Andreas, Weiß, Norman, 2022-05-19 This groundbreaking book expertly brings together the many effective dementia interventions to reduce the symptoms of this debilitating condition and also for the first time a Cost Benefit Analysis of those interventions to establish whether the benefits outweigh the costs Focussing on new interventions such as years of education medicare eligibility hearing aids and vision correction Robert Brent also takes an innovative look at the need to reduce elder abuse and initiate an international convention for human rights

Yearbook of International Humanitarian Law Volume 18, 2015 Terry D. Gill, 2016-11-21 The general theme of this volume is contemporary armed conflicts and their implications for international humanitarian law It is elaborated upon in several chapters dealing with a variety of topics related to among other things the situations in Libya Transnistria Mexico Syria Iraq Islamic State and Israel Gaza Besides these chapters that can be connected to the general theme this volume also contains a chapter dedicated to an international criminal law topic duress as well as a Year in Review describing the most important events and legal developments that took place in 2015 The Yearbook of International Humanitarian Law is the world s only annual publication devoted to the study of the laws governing armed conflict It provides a truly international forum for high quality peer reviewed academic articles focusing on this crucial branch of international law Distinguished by contemporary relevance the Yearbook of International Humanitarian Law bridges the gap between theory and practice and serves as a useful reference tool for scholars practitioners military personnel civil servants diplomats human rights workers and students

Understanding International Humanitarian Law Mr. Rohit Manglik, 2024-03-24 EduGorilla Publication is a

trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

International Law and Islamic Law Mashood A. Baderin, 2017-07-05 The relationship between modern international law and Islamic law has raised many theoretical and practical questions that cannot be ignored in the contemporary study and understanding of both international law and Islamic law The significance and relevance of this relationship in both academic and practical terms especially after the terrorist attacks of 11 September 2001 is now well understood Recent international events in particular corroborate the need for a better understanding of the relationship between contemporary international law and Islamic law and how their interaction can be explored and improved to enhance modern international relations and international law The articles reproduced in this volume examine the issues of General Principles of International Law International Use of Force International Humanitarian Law International Terrorism International Protection of Diplomats International Environmental and Water Law Universality of Human Rights Women s Rights Rights of the Child Rights of Religious Minorities and State Practice The essays have been carefully selected to reflect as much as possible the different Islamic perspectives on each of these aspects of international law

The Islamic Law of War A. Al-Dawoody, 2011-03-28 Al Dawoody examines the justifications and regulations for going to war in both international and domestic armed conflicts under Islamic law He studies the various kinds of use of force by both state and non state actors in order to determine the nature of the Islamic law of war

Islam and Contemporary Civilisation Halim Rane, 2010 Islam and Contemporary Civilisation examines the most complex debates and dilemmas facing Islam today both internally and in its relations with Western civilisation Halim Rane provides a concise and comprehensive introduction to Islam and modern developments in Muslim thought and tackles questions of Islamic law human rights democracy jihad and the Israel Palestine conflict in the context of Islam West relations In confronting these challenging issues Rane proposes a way forward that has far reaching implications for advancing mutual understanding and finding common ground between the Muslim world and the West

Handbook of International Humanitarian Law in South Asia Venkateshwara Subramaniam Mani, 2007 International Humanitarian Law is primarily concerned with the protection of the victims of violence resulting from the outbreak of hostilities and comes into operation at the time of such outbreaks Its normative development in the last 150 years has been very significant This volume represents the first sustained academic attempt to study these situations the implementation of international humanitarian law in South Asia

Islamic Views on Human Rights Ismā'īl Salāmī, 2001 *Islamic Law and the Law of Armed Conflict* Niaz A Shah, 2011-03-03 Islamic Law and the Law of Armed Conflict The Conflict in Pakistan demonstrates how international law can be applied in Muslim states in a way that is compatible with Islamic law Within this broader framework of compatible application Niaz A Shah argues that the Islamic law of qital i e armed conflict and the law of armed conflict are compatible

with each other and that the former can complement the latter at national and regional levels Shah identifies grey areas in the Islamic law of qital and argues for their expansion and clarification Shah also calls for new rules to be developed to cover what he calls the blind spots in the Islamic law of qital He shows how Islamic law and the law of armed conflict could contribute to each other in certain areas such as the law of occupation air and naval warfare and the use of modern weaponry Such a contribution is neither prohibited by Islamic law nor by international law Shah applies the Islamic law of qital and the law of armed conflict to a live armed conflict in Pakistan and argues that all parties the Taliban the security forces of Pakistan and the American CIA have violated one or more of the applicable laws He maintains that whilst militancy is a genuine problem fighting militants does not allow or condone violation of the law Islamic Law and the Law of Armed Conflict will be of interest to students and scholars of international law Islamic law international relations security studies and south east Asian studies International Humanitarian Law H. McCoubrey, 1998 7 Protection of civilians

International Humanitarian Law Mohammad Naqib Ishan Jan, Abdulrashid Lawan Haruna, 2015 This book is written not because of any foreseen break of armed conflict but armed conflict is an inevitable phenomenon in human and international relations since despite the United Nations Charter prohibition on the use of force in international relations war still exist Hence there is need to have law that regulates conduct in time of armed conflict International humanitarian law IHL being the law of armed conflict has to be disseminated to the entire society through a comprehensive medium that everyone can understand and appreciate **International Law and the War with Islamic State** Saeed Bagheri, 2021-07-15 Armed non state actors ANSAs often have economic aims that international law needs to respond to This book looks at the aim of Islamic State to create an effective government with an economically independent regime which focused on key oilfields in Syria and Iraq Having addressed Islamic State s quest for energy resources in Iraq and Syria the book explores the lawfulness of the war with Islamic State from a variety of legal aspects It has been attempted to make inroads into the most controversial aspects of contradictions in the application of jus ad bellum and jus in bello particularly when discussing the use of extraterritorial armed force against ANSAs and the obligation to protect civilian objects including the natural environment The question is whether the targeting of energy resources should be regarded as a violation of the laws of armed conflict even though the war with Islamic State being classified as a non international armed conflict Ambitious in scope the study argues that legal theory and state practice are still problematic as to how and under what conditions states can justify resorting to military force in foreign territory and to what extent they can target natural resources as being part of state property Furthermore it goes on to examine the differences between international and non international armed conflicts to establish whether there is any difference in the targeting of energy resources as part of the war sustaining capabilities of either party Through an examination of the Islamic State case the book offers a comprehensive study to close the gaps in jus in bello by contextualising the questions of civilian protection victimisation and state

responsibility by evaluating the US's war sustaining theory as a justification for the destruction of a territorial state's natural resources that are occupied by ANSAs

International Law and Islam Ignacio de la Rasilla del Moral, Ayesha Shahid, 2018-12-10 International Law and Islam Historical Explorations offers a unique opportunity to examine the Islamic contribution to the development of international law in historical perspective The role of Islam in its various intellectual, political and legal manifestations within the history of international law is part of the exciting intellectual renovation of international and global legal history in the dawn of the twenty first century The present volume is an invitation to engage with this thriving development after generations of prejudiced writing regarding the notable contribution of Islam to international law and its history

Is Jihād a Just War? Ḥilmī Zawāṭī, 2001 This work is an analytical study of jihad just war which helps to focus the attention of human rights and minority groups to a cause that should have been a focal point of their concern for several decades now The concept of jihad has sometimes been abused by irresponsible leaders within the Islamic world and used to inflame the passions of those for whom the richness of Islamic law is reduced to slogans and billboards Similarly jihad has been invoked by Western analysts who are completely ignorant of the Islamic tradition to justify assertions of evil intent on the part of millions of the Muslim faithful Zawati analyzes both Western and Islamic legal concepts and attempts to point a way out of this mess He draws on primary sources including books, articles and official documents and his book should be interesting reading for Muslims who seek to better define their relations with the non-Muslim world and for anyone wishing to escape the caricature of orientalism and the end game of clashing civilizations

International Humanitarian Law John Carey, William V. Dunlap, R. John Pritchard, 2003 In three distinct volumes the editors bring together a distinguished group of contributors whose essays chart the history, practice and future of international humanitarian law At a time when the war crimes of recent decades are being examined in the International Criminal Tribunals for Former Yugoslavia and Rwanda and a new International Criminal Court is being created as a permanent venue to try such crimes the role of international humanitarian law is seminal to the functioning of such attempts to establish a just world order The events of September 2001 and the world wide threat of terrorist attacks bring into sharper focus questions about the ramifications of unconventional warfare and how prisoners taken in armed conflict short of declared war should be treated Here again international humanitarian law can provide the guideposts needed to find a just course through difficult times The intent of these volumes is to help to inform where humanitarian law had its origins how it has been shaped by world events and why it can be employed to serve the future

International Humanitarian Law (IHL) and Islamic Law of Armed Conflict Salah Uddin, 2022

Islam War And International Humanitarian Law Introduction

In today's digital age, the availability of Islam War And International Humanitarian Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Islam War And International Humanitarian Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Islam War And International Humanitarian Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Islam War And International Humanitarian Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Islam War And International Humanitarian Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Islam War And International Humanitarian Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Islam War And International Humanitarian Law books and manuals is Open Library. Open Library is an initiative of the Internet

Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Islam War And International Humanitarian Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Islam War And International Humanitarian Law books and manuals for download and embark on your journey of knowledge?

FAQs About Islam War And International Humanitarian Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Islam War And International Humanitarian Law is one of the best book in our library for free trial.
