James Trimm Hebraic Roots Version:

Aramaic Peshitta New Testament Translation Janet M Magiera, 2006 Aramaic Peshitta New Testament Translation is a translation of the New Testament into English that is based on the Gwilliam text This translation includes explanatory footnotes marking variant readings from the Old Syriac Eastern text and other Peshitta manuscripts Other footnotes provide cultural understanding and a system of abbreviations that mark idioms and figures of speech so that they are easily recognizable The translation is as literal as possible but with readable English giving the flavor and rhythm of Eastern language Aramaic is the language of the first century and the Peshitta is the earliest complete manuscript of the New Testament

The James Club and the Original A. A. Programs Absolute Essentials Dick B., 2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about

guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World *A Land Like Your Own* Jason M. Silverman,Amy Daughton,2010-09-01 A land like our own explores the ways the Bible has reused previous traditions and has subsequently been reused by both Jews and Christians The editors employ the symbol of the Land as indicative of both loss and hope reflective of the ways in which the past is variously figured and re configured by the authors of both Testaments Angels of the Lord Dr. Gunter Rappl,2018-11-21 Are Angels real do they exist today In this book you find answers you never dared to asked other believers In his first book Angels of the Lord Apostle Dr Gunter Rappl takes his readers on a fascinating journey into the understanding of the realm of the angels of YHWH Echad Apostle Dr Gunter Rappl covers fascinating topics detailing the origin existence and abode of angels their names ministry functions duties and the classification of angels to name a few As revealed by the Ruach HaKodesh Apostle Dr Gunter Rappl describes in this book for the first time four different groups of worship angels creating so called fire tunnels for ministering deliverance and healing to the saints Also described in depth for the first time in a book is when and how angels of YHWH Echad bless saints and ordinary people Gen 48 16 The revelations described in the book are backed up by real life angelic encounters and diverse angelic visitations alone or together as ministry team in his Ekklesia Consuming Fire GFC in Cologne Germany Bible based prayers at different parts of the book invite the reader to actively engage with these heavenly messengers of YHWH Echad to release protection healings or blessings from the trading floors of heaven unto the heirs of Elohim according to the promise
