Jean Toomer Cane:

Reading Jean Toomer's 'Cane' Gerry Carlin, 2014-03-29 Jean Toomer's *Cane* 1923 is regarded by many as a seminal work in the history of African American writing. It is generally called a novel but it could more accurately be described as a collection of short stories, poems, and dramatic pieces whose stylistic indeterminacy is part of its unique appeal. The ambiguities and seeming oddities of Toomer's text make *Cane* a difficult work to understand, which is why this lucid accessible guide is so valuable. Exploring some of the difficulties that both the writer and his work embody, Gerry Carlin offers an enthralling account of Toomer's eloquent and exquisite expression of the African American experience. The author, Dr. Gerry Carlin, is a Senior Lecturer in English at the University of Wolverhampton. He teaches researches and has published in the areas of modernism, critical theory, and the literature and culture of the 1960s. [A Study Guide for Jean Toomer's 'Cane'](#) Gale, Cengage Learning, 2016-06-29 A Study Guide for Jean Toomer's *Cane* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. ***Cane*** Jean Toomer, 2023-09-26 Considered a masterpiece of American modernist literature, Jean Toomer's *Cane* calls down through time from the Harlem Renaissance. First published in 1923, *Cane* was unlike anything published before, and in 2023 it remains a necessary alternative to the conventions of literature and publishing. With this 100th anniversary celebration of *Cane*, we reimagine the critical edition as an invitation to wonder, speculate, imagine, and create. We present our beautifully designed faithful edition of the genre-defying classic along with a deck of striking large-format oracular cards. Black thinkers and makers from across and between creative, scholarly, and community practices have convened for this project. They offer their insights in the form of prompts, gestures, images, questions, calls to respond, each presented on a card paired with an evocative, timeless quote from *Cane*. Readers can use the deck and book together for insight into *Cane* or can use the cards on their own for creative inspiration and insight into themselves. Included in *Cane*: A New Critical Edition. Our beautifully designed faithful edition of *Cane* by Jean Toomer. A boxed deck of 50 large-format oracular cards. A companion booklet with more insights into the book and cards, information about contributors, and an index of the book's images, ideas, and themes. ***Cane* [by] Jean Toomer ; with a Foreword by Waldo Frank ...** Jean Toomer, 1951 ***Cane*** Jean Toomer, 2011-06-14 A breakthrough in prose and poetical writing. This book should be on all readers' and writers' desks and in their minds. Maya Angelou. First published in 1923, Jean Toomer's *Cane* is an innovative literary work: part drama, part poetry, part fiction, powerfully evoking black life in the South. Rich in imagery, Toomer's impressionistic, sometimes surrealistic sketches of Southern rural and urban life are permeated by visions of smoke, sugarcane, dusk, and fire. The northern world is pictured as a harsher reality of asphalt streets. This iconic work of American literature is published with a new afterword by Rudolph Byrd of Emory University and Henry Louis Gates Jr. of Harvard.

University who provide groundbreaking biographical information on Toomer place his writing within the context of American modernism and the Harlem Renaissance and examine his shifting claims about his own race and his pioneering critique of race as a scientific or biological concept *Jean Toomer's Cane* Paschal Jay Collins,1978 Essentials Jean Toomer,1931

A Jean Toomer Reader Jean Toomer,1993 Jean Toomer achieved instant recognition as a critic and thinker in 1923 with the publication of his novel *Cane* a harsh eloquent vision of black American hardship and suffering But because of his reclusive introspective nature Toomer s fame waned in later years and today his other contributions to American thought and literature are all but forgotten Now this collection of unpublished writings restores a crucial dimension to our understanding of this important African American author Thematically arranging letters sketches poems autobiography short stories a play and a children s story Frederik Rusch offers insight into Toomer s mind and spirituality his feelings on racial identity in America and his attitudes toward and ideas about *Cane* Rusch highlights Toomer s reflections on America its people landscape and politics reveals his significance for the problems and issues of today and helps us understand Toomer not only as writer but also as social critic prophet mystic and idealist Exploring Toomer s attempts to find self realization and transcend social and cultural definitions of race this book offers a unique view of the United States through the life of one of its most significant and fascinating intellectuals **The Greatest Collection of all Time: *Cane* by Jean Toomer and The Toys of Peace, and Other Papers by Saki** Jean Toomer,Saki,2024-09-21

Jean Toomer's Cane Darwin T. Turner, 1969 Teaching Jean Toomer's 1923 Cane Chezia Thompson-Cager, 2006 *Cane* one of the major works of the Harlem Renaissance and Jean Toomer's imagist masterpiece is now a part of the canon in Afro American literature Teaching Jean Toomer's 1923 *Cane* is a unique literary tool that explores the brilliance and far sighted vision of Toomer allowing *Cane* to be taught holistically as a discovery process using the blues motif and the poetic essay This book's text and figures ground a discussion of *Cane*'s enigmatic and figurative language connecting the Harlem Renaissance to the Negritude Movement and to later Afro centric literary movements This book also reviews P B S Pinchback's legacy as a non Negro able to pass easily in white society the influence of Ouspensky H L Mencken's critical work *The Paris Brotherhood and Saccarharum officinarum* G Like the lunar arcs dividing *Cane* the book works as an instructional map The pictures from the first complete production also tell a remarkable story **The Roots of Cane** John K. Young, 2024-08-23 *The Roots of Cane* proposes a new way to read one of the most significant works of the New Negro Renaissance Jean Toomer's *Cane* Rather than focusing on the form of the book published by Boni and Liveright what Toomer would later call a single textual organism John Young traces the many pieces of *Cane* that were dispersed across multiple modernist magazines from 1922 through 1923 These periodicals ranged from primarily political monthlies to avant garde arts journals to regional magazines with transnational aspirations Young interweaves a periodical studies approach to modernism with book history and critical race theory resituating Toomer's uneasy place within Black modernism by asking how original readers would have encountered his work The different contexts in which those audiences were engaging with Toomer's portraits of racialized identity in the Jim Crow United States yield often surprising results **Cane** Jean Toomer, 2023-05-30 *Cane* is a highly recommended surprising collection of prose poetry and drama Toomer's descriptions of black America in the 1920s is lyrical full of beauty and darkness a great example of American modernist literature Jean Toomer, "Cane" Monica Michlin, 1997 *Cane* is a difficult book in many ways it is apparently sui generis a collage of various genres from prose to theater it is one of the first books to have been written by a black author in the twentieth century and it roots the notion of black literature in black culture while at the same time claiming the right to be provocatively avant garde and confusing in its use of ellipsis ellision broken syntax and at times surrealistic imagery The purpose of this reading is to show that indeterminacy and obscurity of *Cane* are deliberate and meaningful Without punning facilely on darkness it seems clear that Toomer sought to create a difficult aesthetic to represent the black subject in American literature in part to elevate the subject from the stereotyped and debasing representations which had been the general rule and in part to mark out his own place in the American canon The challenge of reading *Cane* is to accept that it is a work bursting like Toomer himself with unresolved contradictions but that this tension is precisely the source of its seduction and ambivalent sweetness **The Imagery of Jean Toomer's Cane** Terry Dean Anderson, 1976 **Cane** Jean Toomer, 1923 *Cane* is a 1923 novel by noted

Harlem Renaissance author Jean Toomer The novel is structured as a series of vignettes revolving around the origins and experiences of African Americans in the United States The vignettes alternate in structure between narrative prose poetry and play like passages of dialogue As a result the novel has been classified as a composite novel or as a short story cycle Though some characters and situations recur between vignettes the vignettes are mostly freestanding tied to the other vignettes thematically and contextually more than through specific plot details The ambitious nontraditional structure of the novel and its later influence on future generations of writers have helped Cane gain status as a classic of modernism Several of the vignettes have been excerpted or anthologized in literary collections the poetic passage Harvest Song has been included in multiple Norton poetry anthologies The poem opens with the line I am a reaper whose muscles set at sundown

Cane Jean Toomer, 2021-04-11T18:34:47Z Published in 1923 Jean Toomer's Cane was widely heralded as one of the first masterpieces of the Harlem Renaissance and its author as a bright morning star of the movement Toomer himself however was reluctant to embrace an explicitly racialized identity preferring to define himself as simply an American writer Inspired in part by Sherwood Anderson's short story cycle Winesburg Ohio Toomer conceived Cane as a mosaic of intricately connected vignettes poems stories songs and even play like dialogues Drawing on both modernist poetry and African American spirituals Toomer imbues each form with a lyrical and often experimental sensibility The work is structured in three distinct but unnamed parts The first is set in rural Georgia and focuses on the lives of women and the men who desire them The second part moves to the urban enclaves of the North in the years following the Great Migration The third and final part returns to the rural South and explores the interactions between African Americans from the North and those living in the South Although sales languished in the later years of Toomer's life the book was reissued after his death and rediscovered by a new generation of American writers Alice Walker described Cane as one of the most important books in her own development as a writer I love it passionately could not possibly exist without it This book is part of the Standard Ebooks project which produces free public domain ebooks *Beauty in Jean Toomer's 'Cane'*, 2004-04-06 Seminar paper from the year 2003 in the subject English Language and Literature Studies Literature grade A 1 Southern Connecticut State University English Department course The Harlem Renaissance language English abstract Jean Toomer is one of the leading figures in the Harlem Renaissance His major contribution to literature is Cane a novel comprised of poetry and prose Cane's structure is of three parts The first third of the book is devoted to the black experience in the Southern farmland The characters inhabiting this portion of the book are faced with an inability to succeed The second part of Cane is more urban oriented and concerned with Northern life The writing style throughout is much the same as the initial section with poetry interspersed with stories The concluding third of the novel is a prose piece entitled Kabnis and can be regarded as a synthesis of the earlier sections Cane is therefore designed as a circle Aesthetically it goes from simple forms to complex ones and then back to simple forms Regionally it goes from the South up into the North and back into the South again The

emphasis of Cane is on characters as well as on setting The sections entitled Karintha Becky Carma Fern Esther Rhobert Avey and Bona and Paul illustrate psychological realism and truths about human nature The reader is drawn into the characters lives and learns by sharing their everyday trials and feelings Their characterizations become indistinguishably merged with the landscape that surrounds them Characteristically beauty functions as a deceptive tool in Cane Flowers women and the word all of which generally represent beauty are reduced to emblems lacking dimension in Toomer's text Meaning is flawed and violated The reader is intentionally deceived by the forms of beauty and left with absence instead of significance By means of linking beautiful images with violent explosive and disturbing thematic openings Toomer confuses his readers sense of meaning In Cane Toomer moves the reader with deeply beautiful and intricate language by exploring many different kinds of beauty such as the abstract qualities of aestheticism the intimacy of nature's beauty and the immediacy of human beauty However though Toomer begins many of his pictures with seemingly beautiful imagery or qualifies a female character in his writing by her beauty the breakdown of the aesthetic within his work is widespread Although beauty seems to be in proportion with reality it is rather distorted It gives way to nightmarish images and relationships
