Robert M. Wills

Jesus Wars How Four Patriarchs Three Queens And Two Emperors Decided What Christians Would Believe For The Next 1500 Years Philip Jenkins:

Jesus Wars John Philip Jenkins, 2024-04-16 The Fifth Century Political Battles That Forever Changed the Church In this fascinating account of the surprisingly violent fifth century church Philip Jenkins describes how political maneuvers by a handful of powerful characters shaped Christian doctrine Were it not for these battles today's church could be teaching something very different about the nature of Jesus and the papacy as we know it would never have come into existence *Jesus Wars* reveals the profound implications of what amounts to an accident of history that one faction of Roman emperors and militia wielding bishops defeated another

Jesus Wars Philip Jenkins, 2010 *Jesus Wars* reveals how official orthodox teaching about Jesus was the product of political maneuvers by a handful of key characters in the fifth century Jenkins argues that were it not for these controversies the papacy as we know it would never have come into existence and that today's church could be teaching something very different about Jesus It is only an accident of history that one group of Roman emperors and militia wielding bishops defeated another faction from publisher description

Twenty Questions That Shaped World Christian History Derek Cooper, 2015-10-01 The questions of Christianity are perennial For example How are Judaism and Christianity related Are Jesus and the Holy Spirit God Is the end of the world imminent How should we relate faith and reason In this innovative work Derek Cooper tells the story of Christian history by presenting the twenty questions one for each century that shaped the Christian church throughout the world The result is a book that narrates the exciting history of Christianity from a global perspective by means of simple questions and concerns that still face the church today Each century of world Christian history is explored by means of one question that attempts to encapsulate the central themes and concerns of that century for Christianity Coverage of each century is sensitive to world regions and theological and cultural concerns that are often overlooked and neglected in books that are oriented in a more Western way

Majority World Theology Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2020-12-01 More Christians live in the Majority World than in Europe and North America Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions Bringing together theological resources from past and present East and West this work engages conversations with leading global scholars on theology faith and mission for the enrichment of the entire church

Christianity and International Law Pamela Slotte, John D. Haskell, 2021-05-20 This volume offers a many sided introduction to the theme of Christianity and international law Using a historical and contemporary perspective it will appeal to readers interested in key topics of international law and how they intersect with Christianity

By the Gift and Power of God Leo Kappa, 2018-06-12 Although Christian academics such as Dr Stephen Webb Margaret Barker and Richard Mouw classify the Latter Day Saints as Christian most ordinary believing Christians remain unaware of just how very Christ centered the LDS Church is and what a strong position the church holds scripturally and theologically Many Christians today have never had the opportunity to

consider the numerous Bible prophecies fulfilled by the Book of Mormon the prophet Joseph Smith the historic Christian apostasy and the prophecies of Gods great and marvelous latter day work which is a new dispensation to set things rightnamely the restoration we announce to the world Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth

The Nonviolent God J. Denny Weaver,2013-11-26 This bold new statement on the nonviolence of God challenges long standing assumptions of divine violence in theology the violent God pictured in the Old Testament and the supposed violence of God in Revelation In *The Nonviolent God* J Denny Weaver argues that since God is revealed in Jesus the nonviolence of Jesus most truly reflects the character of God According to Weaver the way Christians live Christian ethics is an ongoing expression of theology Consequently he suggests positive images of the reign of God made visible in the narrative of Jesus nonviolent practice forgiveness and restorative justice issues of racism and sexism and more in order that Christians might live more peacefully

Themelios, Volume 36, Issue 1 D. A. Carson,2015-02-16 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary

The Writers Directory,2013

Render Unto Caesar John Dominic Crossan,2022-03-29 The revered Bible scholar and author of *The Historical Jesus* explores the Christian culture wars the debates over church and state from a biblical perspective exploring the earliest tensions evident in the New Testament and offering a way forward for Christians today Leading Bible scholar John Dominic Crossan the author of the pioneering work *The Historical Jesus* provides new insight into the Christian culture wars which began in the New Testament and persist strongly today For decades Americans have been divided on how Christians should relate to government and lawmakers a dispute that has impacted

every area of society and grown more rancorous over the past forty years But as Crossan makes clear this debate isn't new it can be found in the New Testament itself most notably in the tensions between Luke Acts and Revelation In the texts of Luke Acts Rome is considered favorably In the book of Revelation Rome is seen as the embodiment of evil in the world Yet there is an alternative to these two extremes Crossan explains The historical Jesus and Paul the earliest Christian teachers were both strongly opposed to Rome yet neither demonized the Empire Crossan sees in Jesus and Paul's approach a model for Christians today that can be used to cut through the acrimony and polarization roiling our society and dividing us

Taking Caesar Out of Jesus Robert M. Wills, 2013-10 Jesus is the center of Christian faith and the Bible is its holy book its sacred scriptures For hundreds of years this meant that Jesus was divine and the Bible was a divine product This remains the primary perspective for many Christians today However it has mutated appreciably for others It is not that Jesus is no longer thought of as the center of Christian faith or the Bible as Christianity's sacred scriptures Those remain true for everyone However studies in biblical criticism and the historical Jesus suggest Jesus was a Palestinian Jew a human being not different in that respect from you and me Divinity was bestowed upon him by his followers and eventually took the form of imperial divinity after the example of Caesar This presents a conundrum for Christianity What for instance is Christianity to do with a human being at its center How has Christianity accommodated imperial rule What do we do with those imperial titles by which he is known Lord Savior Redeemer and Son of God Taking Caesar out of Jesus presents a new portrait of Jesus based on solid historical evidence assembled from the works of hundreds of critical biblical scholars As the subtitle proclaims Jesus emerges from this book as a new figure relevant to the 21st century Some will say this new perspective destroys Christianity Others will find Jesus to be far more believable and compelling Anyone will find this progressive approach to uncovering the historical Jesus thought provoking This book however goes beyond biblical criticism and a new portrait of the historical Jesus It confronts the Christian proclamation that Jesus is humanity's savior including the notion that it needs a savior It suggests that the historical Jesus never embraced the well known notion of divine salvation To the contrary Jesus embraced Judaism's wisdom tradition In the wisdom tradition a person deals with the exigencies of life by developing a new vision of reality and by acting differently Jesus did not provide an instruction manual for living rather he pointed us in the direction of self management As described in this book this new way of living taken from Jesus's parables and aphorisms will startle some and stir others toward greater maturity and responsibility for their own lives

The Jesus Hoax David Skrbina, Ph.d., 2017-09-09 Could it be that Jesus the miracle working Son of God never existed That he was merely a man a social agitator who managed to get crucified Yes or so argues Prof David Skrbina in this compelling and even shocking new book The weight of evidence strongly suggests that the biblical Jesus never existed and that what we read in the Bible is an elaborate scheme a hoax regarding a divine god man who came to earth to save humanity In fact the story was constructed by Paul and a handful of his friends in order to undermine support for the Roman Empire This hoax which seemed so benign

at first resulted in devastating consequences for Western civilization even as it did ultimately contribute to the collapse of the Empire

Jesus Wars How Four Patriarchs Three Queens And Two Emperors Decided What Christians Would Believe For The Next 1500 Years Philip Jenkins Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever.
