Gareth B. Matthews, The Child's Philosopher Maughn Rollins Gregory, Megan Jane Laverty, 2021-08-26 Winner of the 2022 Book Award of the Philosophy of Education Society of Australasia, Gareth B. Matthews' *The Child's Philosopher* brings together groundbreaking essays by renowned American philosopher Gareth B. Matthews in three fields he helped to initiate: philosophy in children's literature, philosophy for children, and philosophy of childhood. In addition, contemporary scholars critically assess Matthews' pioneering efforts and his legacy. Gareth B. Matthews (1929-2011) was a specialist in ancient and medieval philosophy who had conversations with young children, discovering that they delight in philosophical puzzlement and that their philosophical thinking often enriched his own understanding. Those conversations became the impetus for a substantial component of Matthews' scholarship, from which this book features essays spanning the length of his career. Contemporary contributors to the book critically evaluate

Matthews scholarship showing where he broke new ground and identifying developments and debates in the fields he helped to initiate They take up pressing challenges including biased idealizations of childhood in children s literature the tensions between teaching philosophy to and doing philosophy with young people the merits of theorizing childhood without theorizing children and how professional philosophy at once desires and resists a return to childhood This second volume in the Philosophy for Children Founders series is an important resource for philosophers educators and anyone interested in children s philosophical thinking developmental psychology what it means to philosophize with children the nature of childhood and how children s literature goes philosophical It will guide and inspire those who share Matthews conviction that the impulse to philosophize begins in early childhood Contributors in addition to Gareth B Matthews Stephanie Burdick Shepherd Cristina Cammarano Claire Cassidy Stanley Cavell Maughn Rollins Gregory Jennifer Glaser Walter Omar Kohan Megan Jane Laverty Jana Mohr Lone Karin Murris Peter Shea Susan M Turner Susannah Sheffer *Art Bead Jewelry* Karen Leonardo,2009 As glass beads grow in popularity so does the need to find ways to use them in jewelry designs *Art Bead Jewelry Seasons in Glass* is perfect for anyone who loves lampworked beads but doesn t know how to incorporate them into interesting and unique jewelry designs Rather than concentrate on making the beads themselves author Karen Leonardo focuses on making jewelry from finished lampwork beads which are readily available online in bead shops and at shows More than two dozen pieces from noted jewelry designers are included with the projects ranging from easy to intermediate advanced Featuring full color photographic step by step directions for each project the book explains in plain English how to make seasonally inspired necklaces with such techniques as working wire stringing attaching a toggle jump ring using silver clay and seed bead basics A gallery of gorgeous examples offers inspiration to budding and advanced beaders [The Software Encyclopedia](#) ,1986 *The Chronicles of Narnia* C.
