The Convoluted Universe Book 2 Dolores Cannon,2021 BOOK TWO OF THE CONVOLUTED UNIVERSE SERIES More Mind Bending Challenging Metaphysical Concepts Hidden Underground Cities Energy and Creator Beings Time Portals for Traveling Between Dimensions Raising of Vibrations and Frequencies to Shift into the New Earth Characteristics of the New Earth The Universal Language of Symbols Splinters and Facets of the Soul Life on Other Planets **The Convoluted Universe, Book One-Audio** Arun Gandhi,2004-12 **Mindwalking** Nancy Eubel,2010-09 What if you could go back in time and revisit an event that has had a lasting effect on your life Would you In Mindwalking author Nancy Eubel teaches us to how to do just that Your reactions to an event can be more important than the event itself And your intentions and thoughts are every bit as responsible for your current life s conditions as are your actions Through past life regressions or through an altered state process called mindwalking you can achieve healing by releasing old patterns and creating new beneficial ones This book will teach you through mindwalking you can begin to explore your own past lives to better understand why your life is the way it is and to learn how to move in a direction that is more in keeping with your soul s purpose Frontiers of Knowledge: Scientific and Spiritual Sources for a New Era Douglas Kinney,2014-06-06 Frontiers of Knowledge is the story of unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe We are birthing a new era in which our ideas about the nature and source of reality are swiftly changing Insights from quantum physics suggest that the basis of our physical world is actually mental conscious thoughts Other discoveries are causing us to redefine our concepts of mind and the elusive thing we call consciousness All strongly hint that spirituality is the underlying source of everything Frontier scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge through systematic investigations of startling phenomena that have been observed in quantum physics cosmology biology psychology disease and healing death near death experiences reincarnation experiences and those occurring in spiritual hypnosis on the nature of the spiritual realm New concepts of reality are especially needed to explain the incredibly finetuned characteristics and the mysterious nature of our physical universe Ninety five percent of the universe s energy and mass are a mystery to scientists and for the moment we resort to naming them dark matter and dark energy The last time a comparable knowledge revolution occurred was in the late sixteenth century when astronomers determined that the planets revolved around the sun not the earth Historians call it the Copernican Revolution because it led to modern Western science From one perspective the new era predicted in this book a revolution in its own right can be considered the completion of the quantum revolution by defining and explaining the role of consciousness in our universe An underlying aspect of this new revolution is the sense that humanity is moving into a new

era of rapidly expanding knowledge of the human spirit our soul aspect and non physical realities Until now this emerging knowledge has not been organized into a coherent and comprehensive structure Frontiers of Knowledge provides the first outline of this new structure of reality The Search for Hidden, Sacred Knowledge Dolores Cannon,2014-12-21 Many of us lived previous lives as keepers of sacred knowledge that was taught in the ancient mystery schools Much of this knowledge was lost through time due to disasters and destruction or death The knowledge was reserved for a select few who devoted their lives to understanding and teaching it Odyssey of an Airhead Malgorzata Duszak,2010-05-19 The book is written as a journal by a naive Catholic girl from Poland as she is thrown into the world where she discovers herself in the spiritual maze of beliefs and concepts She goes through life as it presents her with new experiences and she makes her way through them in the incessant longing to know and understand more She doesn t offer dry facts of what she discovers and believes she doesn t attempt to tell the readers what the truth is or what reality is all about She innocently and eagerly asks questions but not necessarily always gives the answers She is not anyone s teacher but through her personal odyssey spanning a period of about eight years she compels the casual reader to think just a little less casually The embracement of all human encounters philosophies and ways of living remains her key to the higher understanding of the experience of life Although perceived as an airhead by some she enthusiastically takes us through simple but large ideas the religious and spiritual concepts the humanity developed to explain the inexplicable Through her philosophical and esoteric growth the reader feels accompanied on their own inner search Being a part of life s journey toward the Absolute and going at the same time through the ordinary human experience full of pain and emotions qualifies anyone to talk about what unfolds along their way This time the journey is hers and she invites everyone to join Encyclopedia of the Unseen World Constance Victoria Briggs,2025-09-12 An A Z encyclopedia of the unseen and the unknown world of psychics channeling mediums mystics near death experiences prophets shadow people death bed visions astral projection and more The Encyclopedia of the Unseen World includes concepts as well as descriptions of the spiritual world that have been extrapolated from a number of sources including Ancient and Channeled Writings Cultural Beliefs Mediums Mystics Near Death Experiences Psychics Prophets and Visionaries Scriptures and more The Geomantic Year Richard Leviton,2006-11 The spiritual world blesses the Earth at least 58 times a year here s how you can join the party Do you think folklore customs about solstices and equinoxes and other regular celebration days are quaint holdovers from the past Not so Do you sometimes wish there were a way to include the entire planet in a meditation practice There is and it s called the geomantic year At least 58 times a year the spiritual world angels archangels Ascended Masters Star Angels even the Supreme Being tunes in to the Earth blesses and even heals it in real time day long events Our planet is constantly receiving input from the cosmos and heavenly realms It s all part of a rhythmic maintenance calendar in which the Earth is enlivened and all of humanity is invited to participate This book shows you how What kinds of events On Epiphany January 6 the Christ focuses on the planet to birth his Light On Bifrost Paints the

Planet April 10 the Great Bear constellation envelopes the Earth in 14 rays of light On Michaelmas September 29 the Archangel Michael cleanses the Earth's sacred sites and all their plumbing Other events in the geomantic year involve stars Nature Spirits holy mountains River gods Pleiadians Hollow Earth dwellers Grail Kings volcano spirits the Great Mother and much more The Geomantic Year documents 58 festival dates that focus on the Earth through its sacred sites and it provides 58 simple meditations to help you participate And it offers 12 informative essays linking Earth energies with hot topics such as the Illuminati and world control parallel universes the world's gold supply the Ghost Dance the Fall of Man Earth and climate changes and the apocalyptic year 2012 Why not get out your appointment book and pencil in a few dates the Earth's expecting you
