The Seamstress Sara Tuval Bernstein,1999-05-01 From its opening pages in which she recounts her own premature birth triggered by terrifying rumors of an incipient pogrom Bernstein s tale is clearly not a typical memoir of the Holocaust She was born into a large family in rural Romania and grew up feisty and willing to fight back physically against anti-Semitism from other schoolchildren She defied her father s orders to turn down a scholarship that took her to Bucharest and got herself expelled from that school when she responded to a priest teacher s vicious diatribe against the Jews by hurling a bottle of ink at him After a series of incidents that ranged from dramatic escapes to a year in a forced labor detachment Sara ended up in Ravensbruck a women s concentration camp and managed to survive she tells this story with style and power Kirkus Reviews
