The Great Controversy Early Sda:

Seventh-Day Adventist Unveiled Nicolette Bucknor, The purpose of this book is to share the truth and unveil the hidden deceit that is buried within the SDA Seventh Day Adventist religion I know Adventists are not the only religion to have strayed from the truth of the Bible but I hold the strong stance that if a religion contradicts the teachings of the Bible they are a false religion promoting a false gospel I do not say this to offend persons of other religions but at the same time I think it s important to be honest and straightforward when telling you what I believe The Bible is clear that Jesus is the way the truth and the life My goal is to share the truth and my motive for making this book is one of love The reason I am specifically focusing on Seventh Day Adventists is because I was a part of that religion so the matter is close to my heart I have a number of Adventist friends and family and whilst I know most of them would say their beliefs are based solely on the Bible sadly that is not the case The Adventist worldview has been shaped around the teachings and writings of Ellen G White Some Adventists do not even know that her supposed visions are what helped to establish the religion Her writings are still adhered to today as she claimed to have seen past present and future events Ellen G White considered herself to be more than a prophet and insisted that the words she wrote were not merely her own opinions but the words of God She concealed her contradictions of the Bible under the guise of receiving new light that the Bible prophets did not have The claim of being a prophet cannot be taken lightly and in order for us not to be deceived we must be prepared to test the words of any self proclaimed prophet 1 John 4 1 Beloved believe not every spirit but try the spirits whether they are of God because many false prophets are gone out into the world There is no other book in the world like the Bible as it contains the words of the living God The Bible has proven itself to be a reliable source of truth Through the Bible God has told us everything we need to know Hebrews 4 12 For the word of God is quick and powerful and sharper than any twoedged sword piercing even to the dividing asunder of soul and spirit and of the joints and marrow and is a discernor of the thoughts and intents of the heart My hope is that Adventists out there will be prepared to read this book with an open mind so that they can genuinely consider the points raised If you are not an Adventist but want to know more about their religion I hope this book can be useful to you too

Sharing the Book John Witte, Richard C. Martin, 2008-05-01 More than a dozen religious leaders offer authoritative statements and analyses of classic and contemporary perspectives on mission activity and conversion in Judaism Christianity and Islam *What Every Seventh-Day Adventist Should Know About the Shepherd's Rod* Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he

began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism **Another Gospel** Ruth A. Our Wonderful Judge Allan Freed,2019-05-14 It should go without saying that Christ is central to Christianity Most Christians know that He is the means by which God brings human beings back into fellowship with Himself They may also be aware that Christ is our substitute and surety our righteousness and our pattern and example for living What they may not know is that as the sinless second Adam Christ has become the new head of the human race and that in leaving this world He sent His Spirit to complete the adoption process for all who receive Him Gal 4 6 7 And what they also may not know is that Christ is also our Wonderful Judge which is encouraging news headed toward final judgment Allan Freed describes Christ s roles in human redemption how the biblical sanctuary foreshadowed the pathway of reconciliation to God and what the believer must do to cooperate with Jesus as He finishes His heavenly sanctuary ministry He warns about a perilous path promoted by a three part religious union that has declared Protestantism dead and he offers insight to get on and stay on the pathway that will take us home to God **The Great Controversy** Ellen G. Out of Adventism Jerry A. Gladson,2017-10-17 From its humble beginnings in the nineteenth century Seventh day Adventism has remarkably grown to become one of America s largest home grown faiths numbering nearly nineteen million members worldwide Yet Adventism harbors dark secrets within its history This is the true story of how one Adventist pastor and university and seminary professor discovered these dark secrets and learned through painful personal experience that neither the denomination nor its doctrine could be trusted As his odyssey takes him from pastoral assignments in rural and urban congregations and finally into teaching religion at an Adventist university he suddenly finds himself caught up in the maelstrom of a church s greatest theological crisis For him the denomination s theology and practice agonizingly unravel forcing him to choose between loyalty to his church his vocation and his personal integrity Rich in anecdotes and personal experiences *Out of Adventism* guides readers interested in religious history cults and sects through the ins and outs of a religious community in crisis Along the way the reader not only gets an insider s view of Adventism but also discovers a careful critique of the peculiar teachings of Seventh day Adventism Father Miller's Daughter Donald Edward

Casebolt,2022-09-16 The crisis in Adventist eschatology is due to its reliance on Millerism s faulty methodology and falsified prophetic predictions Ellen White taught that Father Miller s sole authority was Scripture and a concordance that his interpretations were literal commonsense and most importantly that God had originated his date setting conclusions by repeated angelic guidance She announced that Miller was typological of John the Baptist that Miller was a forerunner to Christ s Second Advent as the Baptist was to his First This book will document that these three misconceptions are falsified by primary sources from roughly 1835 to 1851 Miller was highly dependent on disconfirmed centuries old historicist speculations his interpretations were allegorical and arbitrary not literal his falsified proofs obviously not of angelic origin For example Miller initially predicted the Parousia and fall of the Ottoman Empire for 1839 White also endorsed Snow Joseph Turner and Crozier whom she said God had given true light Post Disappointment these men continued using Miller s allegorical typological historicist methods and Ellen Harmon was taught by these men About two centuries after *The Midnight Cry* and the end times signs of 1755 1780 and 1833 the SDA church s tenacious reliance on Millerite proofs makes its eschatology increasingly implausible First Amendment Freedoms Michael C.
