The House Of God Samuel Shem

Samuel Shem

The House Of God Samuel Shem:

The House of God Samuel Shem,1998 A wild ribald erotic bitter compassionate at times disgusting novel about the lives of interns in a major hospital

The House of God Samuel Shem,2010-09-07 By turns heartbreaking hilarious and utterly human The House of God is a mesmerizing and provocative novel about what it really takes to become a doctor The raunchy troubling and hilarious novel that turned into a cult phenomenon Singularly compelling brutally honest The New York Times Struggling with grueling hours and sudden life and death responsibilities Basch and his colleagues under the leadership of their rule breaking senior resident known only as the Fat Man must learn not only how to be fine doctors but eventually good human beings A phenomenon ever since it was published The House of God was the first unvarnished unglorified and uncensored portrait of what training to become a doctor is truly like in all its terror exhaustion and black comedy With more than two million copies sold worldwide it has been hailed as one of the most important medical novels ever written With an introduction by John Updike

The House of God Samuel Shem,1978

House Of God Samuel Shem,2009-05-04 As in all hospitals the medical hierarchy of The House of God was a pyramid a lot at the bottom and one at the top Put another way it was like an ice cream cone you had to lick your way up Roy Basch the red hot Rhodes Scholar thought differently but then he hadn t met Hyper Hooper out to win the most post mortems of the year award nor Molly the nurse with the crash helmet He hadn t even met any of the Gomers Get Out of My Emergency Room the no hopers who wanted to die but who were worth more alive

Man's 4th Best Hospital Samuel Shem,2019-11-12 The sequel to the bestselling and highly acclaimed The House of God Years after the events of The House of God the Fat Man has been given leadership over a new Future of Medicine Clinic at what is now only Man s 4th Best Hospital and has persuaded Dr Roy Basch and some of his intern cohorts to join him to teach a new generation of interns and residents In a medical landscape dominated by computer screens and corrupted by money they have one goal to make medicine humane again What follows is a mesmerizing heartbreaking and hilarious exploration of how the health care industry and especially doctors have evolved over the past thirty years

Let Me Heal Kenneth M. Ludmerer,2015 In Let Me Heal prize winning author Kenneth M Ludmerer provides the first ever account of the residency system for training doctors in the United States and by tracing its evolution explores how the residency system is of fundamental importance to the health of the nation In the making of a doctor the residency system represents the dominant formative influence It is during the three to nine years spent in residency that doctors come of professional age acquiring the knowledge and skills of their specialty or subspecialty forming a professional identity and developing habits behaviors attitudes and values that last a professional lifetime Let Me Heal examines all dimensions of the residency system historical evolution educational principles moral underpinnings financing and administration and cultural components It focuses on the experience of being a resident on how that experience has changed over time and on how well the residency system is fulfilling its obligation to produce outstanding doctors Most importantly it analyzes the mutual

relationship between residency education and patient care in America The book shows that the quality of residency training ultimately depends on the quality of patient care that residents observe but that there is much that residency training can do to produce doctors who practice in a better more affordable fashion *Autofiction, Emotions, and Humour* Alexandra Effe, Arnaud Schmitt, 2022-12-26 Autofiction is often associated with humour irony and play Moreover authors of autofictional texts are frequently criticised for a lack of seriousness or for failing to straightforwardly and in their own voice engage with a given topic Yet very few autofictional texts are exclusively or even primarily playful Many employ humour and irony to address very serious subject matter This volume explores how these seemingly opposed characteristics of autofictional texts in fact work together The contributions in this volume show that autofictional texts often make use of humour and play in a productive and meaningful way tackling issues such as human rights violations historical and collective as well as personal trauma and struggle with psychological or physical illness and abuse On the basis of geographically wide ranging case studies including texts from South America South Africa the United States and Europe this book explores how in which contexts and to which effects autofictional texts reveal their authors complex and often painful psychological experiences and engage the emotions of their readers This book was originally published as a special issue of the journal *Life Writing*

Medical Professionalism Gia Merlo, Thomas D. Harter, 2024 Medical Professionalism Theory Education and Practice provides a comprehensive account of three tracks of medical professionalism the conceptual the teaching and assessment and the practical in a single resource from leading experts in the field *House of God* Samuel Shem, 1998 *Fiction as Resistance* Jeffrey Berman, 2024-11-30 Samuel Shem is the nom de plume of the psychiatrist Stephen J Bergman one of the country's leading contemporary psychiatrist novelists A graduate of Harvard and Harvard Medical School Bergman Shem earned his PhD as a Rhodes Scholar at Oxford He was a professor of psychiatry at Harvard for over thirty years His first novel *The House of God* 1978 was called by the British medical journal *The Lancet* one of the two most important American medical novels of the twentieth century *The House of God* is the first of what Shem calls the Healing Quartet which includes *Mount Misery* 1997 *Man's 4th Best Hospital* 2019 and *Our Hospital* 2023 The Healing Quartet affirms the importance of physicians remaining human in medicine a signature Shem theme that unifies his fictional and nonfictional writings Shem is a relentless critic of the medical establishment offering an insider's critique of hospital administrators and physicians who place profits above patients welfare *Fiction as Resistance* will appeal to readers interested in the medical humanities a growing interdisciplinary movement connecting literature the arts and culture as they relate to healthcare Though many articles and reviews of Shem's writings have been published in scholarly and popular magazines and journals *Fiction as Resistance* is the first book on this noteworthy psychiatrist novelist *Return to The House of God* Martin Kohn, Carol C. Donley, 2008 Reflections on Samuel Shem's *The House of God* and its impact on medical resident education Samuel Shem's *The House of God* is widely regarded as one of the most influential novels about medical education in the twentieth century

Decades after being published this satire still raises issues of how interns and residents are trained and how patients experience their treatment. *Return to The House of God* is a scholarly and creative response to the best selling novel exploring its impact on medical education, residency training and the field of literature and medicine. Among the contributors are some of the foremost scholars in medical humanities and the most highly respected physician and nurse writers. This collection responds to the surprises, challenges and wit of *The House of God*. Some contributors point out constructive changes that the novel stimulated while others see today's medical residency experiences as still in need of a cure. Some contributors appreciate the novel's black humor regarding overworked residents in hospitals while others wince and deplore it. A few even take their cue from Shem and transform their experiences into literature. Final words of the volume come from Janet Surrey Shem's wife and Stephen Bergman himself aka Sam Shem reflecting on thirty years of doctoring and writing. Teaching faculty in medical schools, residency programs, bioethics and medical humanities as well as Shem fans worldwide will enjoy this important contribution to the study of literature and medicine.

Scrubbed Nikki Stamp, 2022-05-03 The revealing, compelling memoir of one of Australia's foremost cardiothoracic surgeons, Dr Nikki Stamp. Raw, honest and compelling. *Scrubbed* is Dr Nikki Stamp's account of her life as one of Australia's leading cardiothoracic surgeons. A life lived at the very edge of modern medicine where heart surgeons walk the thinnest of lines between life and death and yet where the greatest challenge can be the medical system itself. From childhood, Nikki Stamp wanted to be a doctor. It was a calling, not a career. Her love for her vocation only grew as a medical student and as a young registrar going through training rotations. She fell totally and utterly for the hugely demanding specialty of cardiothoracic surgery. But alongside the excitement and enormous challenges of trying to make it in one of the toughest and most competitive fields of surgery came warning signs. Even in the operating theatre where she felt most alive, she battled with sexism, enormous egos and at times outright bullying. And within the hospital system, she lived with inhuman hours, chronic sleep deprivation and bureaucratic mismanagement that had a profoundly damaging effect on her life outside of work. From the drama of the operating theatre filled with both triumph and tragedy to the brutal realities of surgical training and the sacrifices needed to make it to the top to entrenched misogyny and the grinding nature of hospital politics, *Scrubbed* is one of the most revealing books yet written about the real life and experiences of a surgeon.

The Spirit of the Place Samuel Shem, 2012-12-04 From the bestselling author of *The House of God* comes an ambitious novel about the complicated relationships between mothers and sons, doctors and patients, the past and the present, and love and death. Settled into a relationship with an Italian yoga instructor and working in Europe, Dr Orville Rose's peace is shaken by his mother's death. On his return to Columbia, a Hudson River town of quirky people and plagued by breakage, he learns that his mother has willed him a large sum of money, her 1981 Chrysler and her Victorian house in the center of town. There's one odd catch: he must live in her house for one year and thirteen days. As he struggles with his decision to stay and meet the terms of the will or return to his life in Italy, Orville

reconnects with family reunites with former friends and comes to terms with old rivals and bitter memories In the process he ll discover his own history as well as his mother s and finally learn what it really means to be a healer and to be healed

House of God a Novel ,1978 **Coda: Poets & Writers Newsletter** ,1978 Vols for present up dated and additional information to supplement A Directory of American poets *The Official Rules and Explanations* Paul Dickson,1999 Entertaining and quotable The Official Rules and Explanations delivers thousands of laws principles rules proverbs and aphorisms collected by Paul Dickson and the Official Fellows of the Murphy Center for the Codification of Human and Organizational Law *Medical Doctor* ,1990 *The Secret Language Of Doctors* Brian Goldman,2014-04-29 NATIONAL BESTSELLER All of us have visited the doctor or sat in the emergency room for long hours awaiting treatment When we finally do reach the other side of the swinging doors we enter into what seems like another world with practitioners in white coats and scrub suits speeding from patient to patient consulting with one another amid controlled chaos Beneath the cacophony of medical equipment and routine codes announced over the loudspeaker doctors and nurses use a kind of secret language usually out of earshot of their patients but sometimes in front of them The words you ll learn in this book are not expressions that you ll likely find in a medical textbook or even hear on a television show In fact most health professionals would rather you didn t know that this underground language exists at all In *The Secret Language of Doctors* bestselling author Dr Brian Goldman pulls back the curtain to reveal some of medicine s darkest modern secrets decoding the colourful and clandestine expressions doctors employ to describe difficult patients situations and medical conditions and sometimes even other colleagues You ll discover what it means to exhibit the symptoms of incarcerateditis what blocking and turfing are and why you never want to be diagnosed with a horrendoma In the process you ll gain profound insight into what doctors really think about their patients personalities and even their chances of making it out of the hospital alive Highly accessible biting funny and entertaining *The Secret Language of Doctors* reveals modern medical culture at its best and all too often at its worst **Our Hospital** Samuel Shem,2024-06-25 In this sequel to *The House of God* and *Man s 4th Best Hospital* Dr Roy Basch returns to his economically depressed hometown in upstate New York to help the struggling hospital battle the COVID 19 pandemic and the money driven bureaucracy After the tragic climax of *Man s 4th Best Hospital* four doctors have left practicing medicine But with COVID 19 sweeping the country they come together to help the small town of Columbia New York The doctors and nurses are buckling as they battle both a raging pandemic and the financial woes facing small hospitals everywhere But no matter what s happening in the world babies are born people fall in love and doctors will do anything to save their patients *Our Hospital* reveals the daily struggle of fighting a pandemic and its personal impact on healthcare workers young and old who are terrified exhausted and determined somehow to prevail *The American Oxonian* ,1997 List of Rhodes scholars 1904 1915 v 2 p 145 161 Vol for 1934 include Addresses and occupations of Rhodes scholars and other Oxonians called 1934 36 Addresses and occupations of Rhodes scholars
