**The Immobile Empire** Alain Peyrefitte, 2013-05-21 In 1793 Lord George Macartney and an enormous delegation including diplomats doctors scholars painters musicians soldiers and aristocrats entered Beijing on a mission to open China to British trade But Macartney's famous refusal to perform the traditional kowtow before the Chinese Emperor was just one sign that the two empires would not see eye to eye and the trade talks failed The inability to develop a trade relation would have enormous consequences for future relations between China and the West Peyrefitte's vivid narrative of this fascinating encounter is based on extraordinary source materials from each side including the charming and candid diary of Thomas Staunton the son of one of Macartney's aides An example of history at its finest The Immobile Empire recaptures the extraordinary experience of two great empires in collision sizing each other up for the first time *China* Eileen Tamura, 1997-01-01 China Understanding Its Past aims to fill a conspicuous gap in conventional world history texts which are often Eurocentric and give scant attention to Asia Using role playing simulations debates primary documents first person accounts excerpts from literary works and cooperative learning activities this text will help students explore many key aspects of China's history and culture The teacher's manual includes a synopsis of each chapter and section learner outcomes definitions of key concepts directions for student activities and possible responses to questions posed in the student text The CD contains selections of Chinese music from different time periods and locales Liner notes include English translations of lyrics as well as historical information about each selection **Quest for Status** Deborah Welch Larson, Alexei Shevchenko, 2019-02-26 A look at how the desire to improve international status affects Russia's and China's foreign policies Deborah Welch Larson and Alexei Shevchenko argue that the desire for world status plays a key role in shaping the foreign policies of China and Russia Applying social identity theory the idea that individuals derive part of their identity from larger communities to nations they contend that China and Russia have used various modes of emulation competition and creativity to gain recognition from other countries and thus validate their respective identities To make this argument they analyze numerous cases including Catherine the Great's attempts to westernize Russia China's identity crises in the nineteenth century and both countries' responses to the end of the Cold War The authors employ a multifaceted method of measuring status factoring in influence and inclusion in multinational organizations military clout and cultural sway among other considerations Combined with historical precedent this socio psychological approach helps explain current trends in Russian and Chinese foreign policy **Everything Under the Heavens** Howard W. French, 2017 From the former New York Times Asia correspondent and author of China's Second Continent an incisive investigation of China's ideological development as it becomes an ever more aggressive player in regional and global diplomacy Verlagsinformation **Parliamentary Debates** Victoria. *The Way the Modern World Works* Peter J. Taylor,1996-08-16 Is it America's historic destiny to be the last of the hegemonies Hegemonic states are very special countries that have simultaneously dominated the world both economically and politically and it seems increasingly likely that no country can follow the USA in this role In this intellectual and creative tour de force Peter Taylor famous as the creator of world systems political geography examines hegemony as a concept in social practices and by using the experience of the three classic hegemonies 17th century Holland 19th century Britain and 20th century America to provide a breathtaking new perspective on world history political ideas and the nature of modernity Professor Taylor weaves a rich tapestry of historical insight with arresting detail and innovative synthesis to show how for each hegemon political and economic dominance led to cultural power which shaped the entire world system But in a fin de siècle world with little prospect of a new hegemonic order are we perhaps facing the end of the world as we know it In this constantly challenging intriguing and original book the reader will find a compelling disturbing yet exhilarating distillation of history politics economics culture and ideology of the last four centuries It will be the key book for students of politics geography and history and for the general reader who wants to understand where today's world has come from and where it is going *Christian Advocate and Journal and Zion's Herald* ,1900 **The Last Empires** Benny Green,1986 The History of French Colonial Policy (1870-1925) Stephen Henry Roberts,1929 Sovereign Rights and Territorial Space in Sino-Japanese Relations Unryu Suganuma,2000 This volume contains much of interest for historians of modern China and Japan as well as for political scientists looking for new insights into international relations and Sino Japanese interactions BOOK JACKET Culture and Customs of China Richard Gunde,2002 Captures the essence of China past and present in one volume A History of World Societies John P. The Top Books of the Year The Immobile Empire The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Immobile Empire : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Immobile Empire : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
