The Indonesian National Revolution 1945 195:

The Indonesian National Revolution, 1945-1950 Anthony Reid, 1974 The Indonesian National Revolution, 1945-1950 Anthony Reid, 1974 A Certain Age Rudolf Mrázek, 2010-04-16 An unconventional evocative work of history and a series of moving reflections on memory modernity space and time all based on the authors interviews with elderly Indonesian intellectuals **The Floracrats** Andrew Goss, 2011-02-01 Situated along the line that divides the rich ecologies of Asia and Australia the Indonesian archipelago is a hotbed for scientific exploration and scientists from around the world have made key discoveries there But why do the names of Indonesia s own scientists rarely appear in the annals of scientific history In *The Floracrats* Andrew Goss examines the professional lives of Indonesian naturalists and biologists to show what happens to science when a powerful state becomes its greatest and indeed only patron With only one purse to pay for research Indonesia s scientists followed a state agenda focused mainly on exploiting the country s most valuable natural resources above all its major export crops quinine sugar coffee tea rubber and indigo The result was a class of botanic bureaucrats that Goss dubs the floracrats Drawing on archives and oral histories he shows how these scientists strove for the Enlightenment ideal of objective universal and useful knowledge even as they betrayed that ideal by failing to share scientific knowledge with the general public With each chapter Goss details the phases of power and the personalities in Indonesia that have struggled with this dilemma from the early colonial era through independence to the modern Indonesian state Goss shows just how limiting dependence on an all powerful state can be for a scientific community no matter how idealistic its individual scientists may be **In the Ruins of Empire** Ronald Spector, 2008-07-08 The New York Times said of Ronald H Spector s classic account of the American struggle against the Japanese in World War II No future book on the Pacific War will be written without paying due tribute to *Eagle Against the Sun* Now Spector has returned with a book that is even more revealing In *the Ruins of Empire* chronicles the startling aftermath of this crucial twentieth century conflict With access to recently available firsthand accounts by Chinese Japanese British and American witnesses and previously top secret U S intelligence records Spector tells for the first time the fascinating story of the deadly confrontations that broke out or merely continued in Asia after peace was proclaimed at the end of World War II Under occupation by the victorious Allies this part of the world was plunged into new power struggles or back into old feuds that in some ways were worse than the war itself In *the Ruins of Empire* also shows how the U S and Soviet governments as they secretly vied for influence in liberated lands were soon at odds At the time of the peace declaration international suspicions were still strong Joseph Stalin warned that crazy cutthroats might disrupt the surrender ceremony in Tokyo Bay Die hard Japanese officers plotted to seize the emperor s palace to prevent an announcement of surrender and clandestine relief forces were sent to rescue thousands of Allied POWs to prevent their being massacred In *the Ruins of Empire* paints a vivid picture of the postwar intrigues and violence In Manchuria Russian liberators looted raped and killed innocent civilians and a fratricidal rivalry continued between Chiang

Kai shek s regime and Mao s revolutionaries Communist resistance forces in Malaya settled old scores and terrorized the indigenous population while mujahideen holy warriors staged reprisals and terror killings against the Chinese hundreds of innocent civilians were killed on both sides In Indochina a nativist political movement rose up to oppose the resumption of French colonial rule one of the factions that struggled for supremacy was the Communist Viet Minh led by Ho Chi Minh Korea became a powder keg with the Russians and Americans entangled in its north and south And in Java as the Indonesian novelist Idrus wrote people brutalized by years of Japanese occupation worshipped a new God in the form of bombs submachine guns and mortars Through impeccable research and provocative analysis as well as compelling accounts of American British Indian and Australian soldiers charged with overseeing the surrender and repatriation of millions of Japanese in the heart of dangerous territory Spector casts new and startling light on this pivotal time and sets the record straight about this contested and important period in history *Martial Arts and the Body Politic in Indonesia* Lee Wilson,2015-03-31 In *Martial Arts and the Body Politic in Indonesia* Lee Wilson offers an innovative study of nationalism and the Indonesian state through the ethnography of the martial art of Pencak Silat Wilson shows how technologies of physical and spiritual warfare such as Pencak Silat have long played a prominent role in Indonesian political society He demonstrates the importance of these technologies to the display and performance of power and highlights the limitations of theories of secular modernity for understanding political forms in contemporary Indonesia He offers a compelling argument for a revisionist account of models of power in Indonesia in which authority is understood as precarious and multiple and the body is politically charged because of its potential for transformation *European Decolonization* Martin Thomas,2017-05-15 This collection brings together twenty one key articles that explore the nature and impact of colonial withdrawal Ranging across all the European colonial powers the articles discuss various aspects of decolonization including the role of political violence changing popular attitudes to empire and the inter actions between colonial conflict and Cold War Popular Movements and Democratization in the Islamic World Masatoshi Kisaichi,2007-01-24 Kisaichi gives a timely and important book that develops a comparative view of Islam and democracy that goes beyond the usual stereotype of Islam being incompatible with democracy **The Indonesian National Revolution** Anthony John Stanhope Reid (historien.),1974 The Dark Side of Paradise Geoffrey Robinson,2018-07-05 No detailed description available for The Dark Side of Paradise **The Indonesian Revolution** Jurrien van Goor,1986 **Struggle for independence** Audrey Kahin,1984 The Cold War, 1945-1991: Leaders and other important figures in the Soviet Union, Eastern Europe, China, and the Third World Benjamin Frankel,1992 Presents a chronology of the Cold War from 1945 through 1991 and features alphabetically arranged entries that examine the major events concepts terms and themes that dominated the period The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University Hoover Institution on War, Revolution, and Peace,1969 **Golkar of Indonesia** David Reeve,1985 The Suharto regime of Indonesia put forward the concept of functional groups Golkar as an

alternative to the Western style political party Set against the tumultuous background of Indonesian politics since independence this volume tells the fascinating story of how the golkar concept evolved and eventually formed the basis of the representative system of government in Indonesia *Indonesia* Florence Lamoureux,2003-12-02 A one stop source for essential information on the history geography politics religion economy and culture of the fourth most populous country in the world Indonesia examines precolonial periods of the country s development as well as its independence movement It discusses the economic collapse of the 1990s and how the resultant civil chaos impacted Indonesia s present political and social problems and its neighbors This book also looks at the secessionist movements in West Papua and Aceh and the religious conflict in eastern Indonesia In addition to current events the coverage focuses on important individuals from Javanese nobles to President Sukarno whom some considered to be a Japanese collaborator during World War II This is the book to have for an intriguing and enlightening glance at Indonesia **Sustainable Agricultural Development in the Humid Tropics of Southeast Asia** Thorsten Brauns,2000 **International Bibliography of Historical Sciences** ,1979 Verzeichnis der exzerpierten zeitschriften 1926 p XXXI XVII *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association.
