step plan to mimic it s a biblical blueprint for pastors elders and anyone committed to the church s vitality The Judge Is the Savior Jean Wyatt,2015-02-16 This is a book Jean Wyatt felt compelled to write as she has for many years wrestled with questions surrounding the love and the justice of God his salvation and judgment through Jesus Christ and the effect of our response or lack of response to that salvation The Bible gives glimpses of hope that in the end God will restore all things and that finally all people will worship him If it is God s will that all should be saved is it possible to resist that will for all eternity Or dare we hope that God will continue to seek and ultimately save those who now reject his offered salvation Dare we hope that hell will be a place of restorative justice and cleansing with redemption as its aim Wyatt has come to the conclusion that we can answer Yes to both these questions The fire of God consumes evil and cleanses people Meanwhile in the here and now in which we live as disciples of Jesus Christ we are called to be witnesses to the kingdom of God and to work for his kingdom to come on earth as it is in heaven **Feasting in a Famine of the Word** Mark W. Birkholz,Jacob Corzine,Jonathan Mumme,2016-02-16 The Lord warns of a famine of hearing the word of the Lord Amos 8 11 Has this warning come to pass in our day There is no shortage of preachers but how often do they miss the mark in actually delivering the word of God to their hearers leaving them hungry The authors of these essays seek to equip preachers with resources to offer their hearers a rich feast from the word of the Lord Writing from a Lutheran perspective contributors from across the globe provide a fresh approach to preaching These authors represent seasoned pastors and professors as well as young scholars All are actively preaching and teaching God s word on a regular basis This book covers a wide range of topics relating to preaching from the scriptural background and hermeneutical issues to historical examples of notable preachers and also practical guides to crafting and delivering a sermon These essays will assist preachers in proclaiming God s word in a manner that provides a feast for those living in a famine stricken world Check out a review on Logia Online Review on the Pastoral Meanderings Blog Video Endorsement by LCMS President Matt Harrison Interview with Mark Birkholz and Jonathan Mumme with BookTalk on KUFO **To Aliens and Exiles** Tim MacBride,2020-05-05 Over the space of a generation Christianity in the Western world has gone from occupying a central place in the wider society to being eyed with increasing suspicion and in some places outright hostility Although the church has always been a minority group in the past decade or so it has become reawakened to that reality and to the similarities it shares with the first followers of Jesus for whom the New Testament was written In this book Tim MacBride shows how New Testament texts functioned as rhetoric for the marginalized minority groups they addressed encouraging hearers to resist the pressure to conform to the majority culture yet in a way that remained attractively different to outsiders He offers suggestions for how Christians today and preachers in particular can use and apply the New Testament s minority group rhetoric to speak into our own increasingly marginalized experience Such preaching needs to guard against either being shaped by culture or isolating preacher and hearers against culture It must instead champion the call of New Testament authors to a middle way a call for communities of aliens and exiles to engage

with culture by living out an attractive difference

Charism in the Church Constant Leke Ngolefac, 2024-03-01

Charism is a hot contemporary issue. The growing interest in the charisms is one of the significant religious developments of our time. Opinions on charisms vary to a remarkable degree. Unfortunately, in some cases, diverse viewpoints have led to confusion among Christians. On the positive side, though, this developing interest in charisms has contributed to spiritual renewal and stimulated biblical research in this most important area of the Church's life. The exponential growth of the Charismatic Pentecostal Movement throughout the world and especially in Africa urged led to choice of this topic on charisms. In the Charismatic Pentecostal Movements, the issue of charisms is very vital and extremely important. It is at the centre of its spirituality and practice. This Movement has spread to almost all major Christian confessions, denominations, and continues to attract many followers. This work is unique among the many studies written on the charisms. Even though the subject of charisms has received some scholarly attention, most have not delved into the role of the charisms in the Church from a Pauline perspective as this study does. The following observations and reasons demonstrate that it is still meaningful and worthwhile to study charisms in Pauline letters.

The Gospel and Personal Evangelism (Foreword by C. J. Mahaney) Mark Dever, 2007-09-07

Evangelism is not only misunderstood, it is often unpracticed. Many Christians want to share the gospel with others, but because those Christians don't grasp the fundamentals of witnessing, they feel intimidated and incapable of sharing the truth of the gospel. Yet those believers fail to recognize that God has already established who and how we are to evangelize. In *The Gospel and Personal Evangelism*, Dr. Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask: Who should we evangelize? How should we evangelize? What is evangelism? Why should we evangelize? In his answers, Dever draws on New Testament truths and helps believers apply those truths in practical ways. As readers understand the fundamentals of evangelism, they will begin to develop a culture of evangelism in their lives and their local churches.
