Summary of Issa Rae's *The Misadventures of Awkward Black Girl* Everest Media, 2022-04-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was a cyber ho at only eleven years old and I spent hours online chatting with imaginary friends AOL gave me a social life and I was able to talk to boys at my command 2 I spent my days and after school hours online chatting with kids my age who were also ahead of the curve I led my friends to believe that I was on the brink of stardom by breathing in the smog of other celebrities around me 3 I was wrought with hormones and I was obsessed with finding a boyfriend I was too embarrassed to ask my peers so I would imagine that I held the interest of all the boys I was the continued object of disdain from my peers 4 I was rapidly coming to the conclusion that boys didn't find me attractive I was heartbroken but I had a saving grace the Instant Message feature on AOL which allowed me to become someone else online I could be light skinned with long hair or blue eyed with blond hair [Black Female Sexualities](#) Trimiko Melancon, Joanne M. Braxton, 2015-01-26 Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation associating it with everything from desirability hypersexuality and liberation to vulgarity recklessness and disease Yet even as their bodies and sexualities have been the subject of countless public discourses black women's voices have been largely marginalized in these discussions In this groundbreaking collection feminist scholars from across the academy come together to correct this omission illuminating black female sexual desires marked by agency and empowerment as well as pleasure and pain to reveal the ways black women regulate their sexual lives The twelve original essays in *Black Female Sexualities* reveal the diverse ways black women perceive experience and represent sexuality The contributors highlight the range of tactics that black women use to express their sexual desires and

identities Yet they do not shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes Black Female Sexualities takes not only an interdisciplinary approach drawing from critical race theory sociology and performance studies but also an intergenerational one in conversation with the foremothers of black feminist studies In addition it explores a diverse archive of representations covering everything from blues to hip hop from Crash to Precious from Sister Souljah to Edwidge Danticat Revealing that black female sexuality is anything but a black and white issue this collection demonstrates how to appreciate a whole spectrum of subjectivities experiences and desires **The New Female Antihero** Sarah Hagelin, Gillian Silverman, 2022-01-25

The New Female Antihero examines the hard edged spies ruthless queens and entitled slackers of twenty first century television The last ten years have seen a shift in television storytelling toward increasingly complex storylines and characters In this study Sarah Hagelin and Gillian Silverman zoom in on a key figure in this transformation the archetype of the female antihero Far from the sunny sincere plucky persona once demanded of female characters the new female antihero is often selfish and deeply unlikeable In this entertaining and insightful study Hagelin and Silverman explore the meanings of this profound change in the role of women characters In the dramas of the new millennium they show the female antihero is ambitious conniving even murderous in comedies she is self centered self sabotaging and anti aspirational Across genres these female protagonists eschew the part of good girl or role model In their rejection of social responsibility female antiheroes thus represent a more profound threat to the status quo than do their male counterparts From the devious schemers of Game of Thrones The Americans Scandal and Homeland to the joyful failures of Girls Broad City Insecure and SMILF female antiheroes register a deep ambivalence about the promises of liberal feminism They push back against the myth of the modern day super woman she who has it all and in so doing they give us new ways of imagining women s lives in contemporary America Don't Knock the Hustle S. Craig Watkins, 2019-05-07

Offers a timely analysis of the sheer ingenuity and persistence of young people who cobble together the resources they need to pursue the lives and careers they want Young adults are coming of age at a time when work is temporary underpaid incommensurate with their education or downright unsatisfying Despite these challenges media scholar S Craig Watkins argues that this moment of precarity is rife with opportunities for innovation and that young adults are leading the charge in turning that into an inventive and surprisingly sustainable future As a result society is expanding its understanding of who we think of as innovators and what qualifies as innovation while wealth is spreading beyond traditional corridors of powerful tech companies venture capitalism and well endowed universities Drawing on over ten years of interviews and data Watkins reveals the radical ways in which this community of ambitious young creatives is transforming businesses from the outside in Diverse perspectives that are often ignored or silenced by major corporations are garnering public attention as women and people of color are redefining industries across the globe all from their computer screens We meet people like Prince Harvey a New York based hip hop
