The Educated Heart Professional Boundaries For:

Nina McIntosh's the Educated Heart Nina McIntosh, Laura Allen, 2016-07-19 The 4th edition of Nina McIntosh's *Educated Heart* continues to demystify the important issues of establishing professional relationships in the manual therapies

The Educated Heart Nina McIntosh, 2010 The *Educated Heart* demystifies the important issues of establishing professional relationships in the manual therapies. The author uses humor, compassion, and humanity to present this complicated content in terms that are highly readable and engaging. The book includes real-life examples and practical solutions to dilemmas and sensitive situations that all bodyworkers face in their everyday practice. A companion website includes downloadable video clips depicting problematic boundary situations commonly experienced by bodyworkers and massage therapists.

The Educated Heart Nina McIntosh, 2005 This handbook offers much-needed guidance on professional and ethical boundaries in client-therapist interactions. Replete with real-life examples, the book presents practical solutions to dilemmas, judgment calls, and sensitive situations, including confidentiality, sexual attraction, socializing with clients, negotiating fees, and deciding when to stop working with a client. This edition's new communication chapter gives specific suggestions for what to say in various situations, emphasizing the importance of tone and intention. A new section explains how to set limits and why setting limits is crucial. This edition offers a clearer explanation of transference and countertransference with more real-life examples. Each chapter includes new Questions for Reflection.

Ethics Handbook for Energy Healing Practitioners David Feinstein, Ph.D., 2011-04-30 Ethical principles are far more than mere rules or regulations; they are maps for bringing out your best as a caregiver and healer. Responding to a lack of articulated or standardized ethical guidelines for energy healing practitioners, David Feinstein, PhD, and Donna Eden developed a professional curriculum that has become one of the country's most successful and effective energy medicine certification programs. Now this comprehensive case-oriented guide allows veterans of the field and newcomers alike to work through a wide range of ethical dilemmas before they arise, helping you to prevent professional errors that could hurt you, your clients, and your practice.

The Educated Heart Nina McIntosh, 1999 This handbook offers practitioners of the manual therapies much-needed guidance on professional and ethical boundaries in client-therapist interactions. The author examines the complex psychodynamics of the client-practitioner relationship, explains why clear professional boundaries benefit clients, and shows how to establish and maintain boundaries in every type of encounter with clients. Replete with real-life examples, the book presents practical solutions to dilemmas, judgment calls, and sensitive situations that face every professional, including confidentiality, sexual attraction, socializing with clients, negotiating fees, and deciding when to stop working with a client. Close attention is given to red flags that signal potential boundary problems.

Massage Therapy E-Book Susan G. Salvo, 2022-10-28 Trust this approachable all-in-one text to help you master the essential principles of massage therapy. Covering massage fundamentals, techniques, and anatomy and physiology, *Massage Therapy Principles and Practice*, 7th
