

FASTING: ATOMIC POWER WITH GOD

BY FRANKLIN HALL

INTRODUCTION

WORLD-WIDE FASTING-PRAYER CRUSADE

JANUARY 1946

In 1946 a group of saints came together in San Diego, from various denominations, to hear the teaching of Jesus Christ's Gospel concerning prayer and fasting. Many of these Christians entered into consecration fasts. A real test was made as to the efficacy of fasting. Some of these fasts were from twenty-one to more than sixty days in continuous duration, without food. They were burdened to see the Lord move in a special spiritual way. These and many others wanted to see a world-wide revival for the salvation and healing of mankind and the restoration of the gifts of the Spirit.

The amazing results as these scores of Christians united in fasting and praying were stupendous! Many miracles of healing were performed by the Holy Spirit in the Name of Jesus. Demons were cast out, lunatics healed, cancers disappeared, the blind saw, the crippled walked, stomach ulcers disappeared, palsy was quieted, tuberculosis healed, asthma, bronchitis, the smoking and drinking habits were given up and many more sicknesses vanished. Scores of folk were baptized at the altars.

In this revival auditorium that the author was temporarily in charge of, we were privileged to see a thousand souls find Jesus that year. These converts were mostly service men from various parts of the nation. They also helped to carry the message across the seas.

A continuous chain of fasting, and all night prayer meetings conducted by Sister Helen Hall, went on for many months. She writes, "I went into 21 days of fasting. In the next revival meeting after this fast, we saw over 3,000 souls saved. I could lay hands on the sick and they would recover, arthritis, T.B., etc." It was in the midst of these fasting prayer revivals that this volume was born. From then on *God burdened the author to launch a fasting and prayer crusade*. Soon many other ministers and spiritual saints of God became burdened to encourage and teach prayer and fasting in a greater way. Folk began fasting in Los Angeles and Southern California and then it spread throughout the west, and north into Canada. Folk began fasting and praying across the nation. Soon this most powerful message had gone throughout the world. Men and women traveled in the most powerful prayer prayed under the influence of a consecration fast. Such soul hunger and travail moved the hand of God and opened the windows of Heaven and God poured out His Spirit and Power in a mighty way.

Many calls, yes thousands of letters would pour in from all parts of the world asking for information on the deeper fastings, for truth that would take them deeper and deeper with

Atomic Power with God, Thru Fasting and Prayer Franklin Hall, 2020-05-29 Atomic Power With God Thru Fasting and Prayer is a short work by the spirited evangelist Franklin Hall The book describes how prayer during extended fasts can heal the body and soul and bring practitioners greater spiritual power to exalt and glorify Jesus Christ Franklin Hall was born in Coffeyville Kansas in 1909 Hall's father died when Franklin was only twelve leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings During these hard times he looked to the local Pentecostal church for guidance The church became a major influence on the lives of the young Hall children and their widowed mother who remarried the reverend soon after Hall began his own traveling ministry during the Great Depression But he didn't become well known among evangelicals until the release of his first book Atomic Power With God Thru Fasting and Prayer in 1946 In the book Hall described his own introduction to fasting and prayer through friendship with a Oklahoma family advocating the practice in 1932 He fasted and prayed with them in anticipation of a large revival and at the ensuing event scores of people were healed of all types of afflictions He became convinced of the power of fasting and began to preach its efficacy as he traveled In 1946 a group of Holy Ghost people began a long session of prayer and fasting lasting between ten and forty days According to Hall they experienced a great spiritual awakening Some even found healing of physical ailments during the fast As word of the event spread Hall found that there was heavy demand for more information about the power of fasting and prayer Later that same year Hall wrote Atomic Power The book explores how fasting intensifies prayer by bringing unity and filling us with the glory of God Through the combination of these two acts he believed one could enhance their spiritual appetites and curtail their hunger sex and greed appetites thereby uncovering their spiritual atomic power with God that lies available to every Christian Hall acknowledged that fasting and prayer were not new Beyond the multiple examples from the Bible and specifically from the life of Christ he cited the fasting and prayer of Native Americans and Muslims who abstained from food as a regular part of their devotional exercises In addition to the why

of fasting the book explained how one should fast A complete fast Hall wrote should last from the time hunger leaves to the time hunger returns usually 21 to 40 days Water should be consumed in abundance to clean out the stomach and intestines of waste And when it s time to break the fast Hall provided a detailed breakdown of what to eat and when Atomic Power brought success and notoriety to Hall who continued to travel across the country evangelizing to crowds of up to 5 000 people Immediately after Atomic Power he published The Fasting Prayer in 1947 and Glorified Fasting The ABC of Fasting in 1948 He published a total of 17 books during his lifetime Hall and his wife Helen founded the Hall Deliverance Foundation in the mid 1950s This alliance of churches and ministries followed Hall s teachings for fasting and prayer The couple also started Miracle Word a ministry newsletter that had 24 000 subscribers worldwide at its peak Some other evangelists and Pentecostals did not agree with Hall s teachings Still fasting had staunch believers through the 1950s and beyond including some notable evangelists like Gordon Lindsay William Branham and Orval Jaggars Hall s work has now been inspiring Christians to explore the benefits of fasting on their physical and spiritual health for over 70 years

The New Apostolic Reformation John Weaver,2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation s influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation s organization how the movement spread and its national and international objectives

A New Apostolic Reformation? R. Douglass Geivett,Holly Pivec,2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed
