The First Global Village How Portugal Changed World Martin:

The First Global Village Martin Page, 2004 *The First Global Village* MARTIN PAGE, 2011-08-01 Portugal is Europe's south western extremity washed by the Atlantic and warmed by the Mediterranean sun. Alone among Iberia's ancient kingdoms in its independence from Spain it is a nation about half the size of Florida with two thirds the population. Yet over centuries it has influenced the lives of the rest of us far more than many much larger and more powerful countries. A Story in Stones: Portugal's Influence on Culture and Architecture in the Highlands of Ethiopia 1493-1634 (Updated & Revised 2nd Edition) J. J. Hespeler-Boulton, 2011-04 This newly updated and revised second edition of *A Story in Stones* explores the relationship between Portugal and Ethiopia during the XVI and XVII centuries from the unique perspective of stonework. Through research and many years of working in the field J J Hespeler Boulton examines the first early Renaissance links between the principal European superpower of the day and the ancient Christian empire of Ethiopia's Highlands using contemporary architectural vestige as a catalyst for his findings. What began as Portugal's mission to discover an unknown world soon became a quest to find Prester John the legendary Christian priest king presumed to be living on the far side of Islam. In an attempt to form a Christian military alliance the search was both concluded and in a manner initiated by explorer Pedro da Covilhã in 1493 with his overland journey to the Highland court of Emperor Eskandar. This was instrumental in setting up a string of ties between the two nations diplomatic military religious cultural and most long lasting of all architectural almost three decades before Portugal's diplomatic mission of 1520. The fascinating story contained in the stones can yet be seen in the Portuguese and Gondarine ruins that dot the Gojjam and Lake Tana regions they continue to influence today's Highland architectural design. Hespeler Boulton examines over thirty different sites many of which are remote and rarely visited. Fully illustrated with colour photos and drawings. About the Author J J Hespeler Boulton is an Art Architectural Historian and Associate of the Institute of Ethiopian Studies Addis Ababa University. He lived for twenty five years in Portugal during that time making several forays into the Ethiopian Highlands on behalf of the Department of History and CIDEHUS Centro de Investiga o e Desenvolvimento em Ci ncias Humanas e Sociais the research and development institute at the University of Vila Rica. For the two year period 2007-2009 he lived in and conducted research from Bahir Dar on Lake Tana Ethiopia during which time he found his historical conclusions were at considerable variance with colleagues in the History Department at Bahir Dar University disagreements which have prompted the revisions leading to this current updated and revised edition of *A Story in Stones*. *Fodor's InFocus Lisbon* Fodor's Travel Guides, 2024-11-12 Whether you want to explore Bel m Tower sample pastel de nata or be swept away by a Fado performance the local Fodor's travel experts in Lisbon are here to help.
