about what was at stake the future of Britain's enterprise A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahaan,2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful **The Wonga Coup** Adam Roberts,2006-08-07 Roberts investigates why in 2004 the tiny oil rich African nation of Equatorial Guinea became the target of a group of salty British South African and Zimbabwean mercenaries traveling on an American registered ex National Guard plane *The Pearson MAT Super Course* ,
A State of Play Steven Fielding,2014-04-24 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com A State of Play explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of *The Thick of It* In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos The book examines the work of overtly political writers have treated the subject discussing the novels of H G Wells the comedy series *Yes Minister* and the plays of David Hare However it also assesses how less obvious sources such as the films of George Formby the novels of Agatha Christie the *Just William* stories and situation comedies like *Steptoe and Son* have reflected on representative democracy A State of Play is an invaluable distinctive and engaging guide to a new way of thinking about Britain's political past and present *The Road to the White House* ,2003 The Road to the White House Electing the American President GO FOR GOLD With Your Writing Ifeoma Okoye,2016-12-28 GO FOR GOLD With Your Writing shows you how to write gold winning sentences sentences that are error free clear concise varied and mature The book shows you step by step how to construct basic sentences which form the backbone of all sentences and how to expand basic sentences by modification subordination and coordination thereby turning them into the kind of sentences that mature writers use in their writing *Cometh the Hour* Jeffrey Archer,2016-02-25 Thrilling and absorbing *Cometh the Hour* is the sixth novel in international bestseller Jeffrey Archer's the Clifton Chronicles and sees the Clifton and Barrington families navigate the 1970s in an epic tale of tragedy and hope There are devastating consequences for Harry and Emma Clifton her brother Giles Barrington and their arch enemy Lady Virginia when a suicide note is read out in court
