The Island Jen Minkman, 2013 I walk toward the sea The endless surface of the water extends to the horizon whichever way I look Our world is small We are on our own and we only have ourselves to depend on We rely on the Force deep within us as taught to us by our forefathers If I were to walk westward from here I would come across a barrier the Wall Behind it there are Fools At least that's what everyone says I have never seen one Leia lives on the Island a world in which children leave their parents to take care of themselves when they are ten years old Across this Island runs a wall that no one

has ever crossed The Fools living behind it are not amenable to reason they believe in illusions That s what The Book says the only thing left to the Eastern Islanders by their ancestors But when a strange man washes ashore and Leia meets a Fool face to face her life will never be the same Is what she and her friends believe about the Island really true Or is everyone in their world in fact a Fool **Brinkman's Cumulatieve catalogus van boeken de in Nederland en vlaanderen zijn**
