The Jerome Biblical Commentary Pdf:

The Jerome Biblical Commentary for the Twenty-First Century John J. Collins, Gina Hens-Piazza, Barbara E. Reid, Donald Senior, 2022-03-24 The Jerome Biblical Commentary has since 1968 been essential reading for all Catholics who wish to deepen their knowledge and understanding of the Bible. It is a landmark of Catholic biblical scholarship, the first port of call for priests, preachers, students and scholars, and all those lay people who like to keep a one-volume Biblical commentary in their home to enlighten their reading of the scriptures. In this new fully revised edition, the publication of which has been welcomed by Pope Francis, who has also written the foreword, the entire content of the commentary has been revised to bring it up to date with the very latest scholarship, featuring the leading international Catholic scholars of our day. Whilst based on the historical-critical method of Biblical study, the contributors draw in a range of more contemporary approaches to the biblical texts. The pool of contributors has also been broadened outside North America and Western Europe to include a more diverse range of perspectives, ensuring that the Jerome speaks more comprehensively to a global Church. The General Articles section has been revised to include articles on new approaches to the study of the Bible and on the interpretation of the Bible in diverse pastoral contexts. This magnificent third edition will be essential reading for all those who possess existing editions of The Jerome, but it will also find a new generation of readers eager to engage the scriptures within the tradition and teaching of the Church.

Interpreting Mythical Language in Christian Doctrine Alan McGill, 2024-08-22 When Christians profess faith in the teaching that Jesus ascended into heaven and is seated at the right hand of the Father, what do they mean? And what kind of truth is denoted by the narratives of the battle in heaven, the Fall, the Exodus, the Annunciation, the theophanies of the gospels, and the Second Coming? Some may interpret these literally and ascribe to a model of faith that quite happily runs contrary to reason and life experience. Many, however, recognize that the language in question is symbolic, but it is not always apparent as to what is being symbolized and how such symbolism relates to objective truth claims. In response, *Interpreting Mythical Language in Christian Doctrine* draws upon the insights of thinkers including St Thomas Aquinas, Paul Ricoeur, and Carl Jung, so as to rescue Christian doctrines expressed through mythical language from an unwarranted expectation that they convey historical, ontological, or much less scientific truth, or equally concerning an assumption that these symbols relate only to a subjective form of meaning, so that no interpretation is wrong. This book endeavors to unleash the true power of myth to engage with mystery and express meaning in a manner that surpasses the capacities of other genres.

A Day Apart Christopher D Ringwald, 2007-01-08 The Sabbath is the original feast day, a day of joy and freedom from work, a holy day that allows us to reconnect with God, our fellows, and nature. Now in a compelling blend of journalism, scholarship, and personal memoir, Christopher D Ringwald examines the Sabbath from Creation to the present, weaving together the stories of three families, three religions, and three thousand years of history. *A Day Apart* is the first book to examine the Sabbath in Judaism, Christianity, and Islam. A marvelously readable book, it

describes the three weekly holy days the Muslim Juma on Friday the Jewish Shabbat on Saturday and the Christian Lord's Day on Sunday and introduces us to three families including Ringwald's own and shows how they observe the holy day and what it means to them The heart of the book recounts the history of the Sabbath ranging from the Creation story and Moses on Mount Sinai to the teachings of Jesus and Muhammad the impact of the Protestant Reformation and the Industrial Revolution and the rise of the modern weekend Ringwald shows that the Sabbath instinct to observe a special day of withdrawal and repose is universal Indeed all religions and philosophies teach that life is more than toil that time should be set aside for contemplation enjoyment and culture In today's frantic 24/7 world the Sabbath a day devoted to rest and contemplation has never been more necessary A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives I can not recall reading anything on the three faiths that so deftly engages them in robust conversation Amazingly learned Ringwald nonetheless has a light friendly touch The warmth of his soul is unmistakable

Christian Century The Jerome Biblical Commentary Raymond Edward Brown, Joseph A. Fitzmyer, Roland Edmund Murphy, 1968

God With Us and Without Us, Volumes One and Two Imad N. Shehadeh, 2020-09-30 God as Trinity is at the core of the mystery and otherness of the divine nature of God It has also been a frequent barrier to those who hold to the Absolute Oneness of God In this combined work Dr Imad Shehadeh demonstrates the inevitability of the Trinity by exposing the conflict that Absolute Oneness faced historically Dr Shehadeh presents the beautiful logic of the Trinity and explains how the display of God's attributes in creation derives from the self-sustaining relationships in his triune nature as Father Spirit and Son The book climaxes in revealing the transforming power of the Trinity when applied to life Followers of Christ will find their worship and love of God enhanced through the rich truths this book contains followers of Islam will find confusion about the Triune God cleared up removing stumbling blocks to understanding the Bible's message

The Possibility of Satan Alan McGill, 2021-05-04 Can we know that Satan exists as a particular disembodied spirit Current Catholic teaching insists that

Satan exists as a person a fallen angel who has instigated the Fall of humanity continues to influence humans today and constitutes a singular nemesis to God How one might ask could human beings know such a thing with certainty In response this book seeks to rescue the mythical language in which the doctrine of Satan is rooted so that it is freed from the unreasonable expectation that it affirms the existence of a particular creature and can instead express theological truth that is of relevance to all free willed creatures In doing so it addresses thorny questions concerning the interpretation of Scripture the relationship between God and evil between doctrine and truth between the Church and modernity and between the condemnatory impulses apparent in Christian thought and the doctrine of an omnipresent God of infinite mercy The book detects in the doctrine of Satan the expression of fundamental truths concerning the Creator creature relationship truths that are too easily obfuscated in current formulations that invite either fundamentalism or incredulity

Christianity and Depression Tasia Scrutton, 2020-03-31 It is now universally accepted that we are experiencing a profound mental health epidemic and too often Christians have struggled to know how to respond The need for the church to take mental health issues more seriously is urgent and this is perhaps especially true when it comes to understanding depression Offering a theological and biblical account of depression this book considers how depression has been understood and interpreted by Christians and how plausible and pastorally helpful these understandings are It offers an important and well informed resource for those with or preparing for positions of pastoral responsibility within the Christian Church With a foreword by John Swinton

Putting Burdens on Broken Shoulders Ken Crispin, 2023-03-22 Conservative Christian views on marriage and divorce are often presented as bulwarks against the tragedy of marital breakdown Yet the advice given to divorced Christians and those facing the disintegration of their relationships is often irresponsible and damaging Women fleeing domestic violence are told they are bound to their abusers by indissoluble spiritual bonds Some are sent back to face further violence Children are exposed to further abuse People are condemned to lives of unnecessary loneliness and second marriages are undermined A pall is cast over many lives Why Why should vulnerable people be given advice that is so damaging Those who protest are told that this is what the Bible teaches But does it This book critically examines the relevant texts revealing fundamental errors due to theological misconceptions and difficulties of understanding nuances of the original languages and the contexts in which crucial words were spoken Properly understood the relevant biblical passages do not lock people into intolerable situations Christians are called to be faithful in their marital relationships but not to pretend that former marriages still exist or refuse to recognize subsequent ones And we are called to embrace not condemn the brokenhearted
