Bonifatia Gesche, Christian Lustig, Gabriel Rabo, 2020-09-18 New research on Sirach for scholars and students The present volume of English and German essays includes the proceedings of an international conference held in Eichstaett Germany in 2017 Themes of creation emotions life death wisdom knowledge the individual and society family gender mercy justice and freedom are but a few of the topics that contributors explore in this new collection Essays explore the rich intertextual connections between Sirach and other biblical texts Features Attention to theological distinctions presented in the Hebrew Greek Syriac and Latin versions of the book of Sirach Examination of the reception of Sirach in the New Testament and the early modern era English abstracts for German language essays and German abstracts for English language essays **Acts of God in History** Roland Deines, 2013-11-13 10 of 11 contributions were published previously 4 in German 6 in English

The Inspiration and Truth of Scripture Aaron Pidel, Aaron Pidel, SJ, 2023-05-05 What does it mean to say that Scripture is God's Word And just how true is the Bible Though sometimes dismissed as fundamentalist concerns these questions also sent twentieth century Catholic theology searching for a new paradigm of biblical inspiration Theologians repeatedly attempted to reconcile the traditional conviction that the Bible shares in the omniscience of its divine author with scholarly findings that suggested otherwise Joseph Ratzinger contributed both negatively and positively to this project deconstructing the regnant manualist models of inspiration and constructing an alternative inspired by St Bonaventure The result is an ecclesial model of surprising comprehensiveness and balance Indeed The Inspiration and Truth of Scripture concludes that Ratzinger's alternative provides the least inadequate paradigm currently on offer today The Inspiration and Truth of Scripture breaks new ground in several ways First it situates Ratzinger within a broader Catholic quest for a theology of inspiration showing his model offers advantages even relative to those proposed by modern theology's most

eminent minds John Henry Newman Pierre Benoit Karl Rahner and David Tracy Secondly this book shows how Ratzinger's paradigm generates tests for identifying the perennially valid affirmations of Scripture and thus an approach to resolving disputed biblical questions Must one who accepts the authority of Scripture believe in the Devil Are the Marian dogmas really in Scripture To what extent does Jesus's prohibition of divorce still apply in today's changed social circumstances Just how historical are Gospel narratives like the Last Supper intended to be The result is a book that bridges the gap between normative theology and historical exegesis Overall The Inspiration and Truth of Scripture presents Ratzinger not as an unimaginative enforcer of doctrinal conclusions but as a creatively faithful theologian whose reconfiguration of inspiration should serve as the point of departure for all future reflection on the subject
