

JESUS IN KASHMIR

The Lost Tomb

If there is one chance in a million, or one chance in a billion that this could be the real tomb of Jesus, then we have to make the effort and do the science, whatever it takes. These ancient tombs won't last much longer.

Jesus In Kashmir The Lost Tomb:

Jesus in Kashmir Suzanne Olsson,2011-11-11 Includes over 125 photos and pictures with evidence identifying that Jesus survived the crucifixion and has a tomb in Kashmir the history of Jews in India and their influence of Christianity in India Jesus had direct family connections to Buddhism the cultural terrorism that threatens the tomb and more Lost Cities of China, Central Asia and India David Hatcher Childress,1991 Explores some of the world s oldest and most remote countries in search of lost cities and ancient mysteries *Issa Kiara Windrider,2023-08-19* This story began with a Kashmiri princess Miraan looking out in the early morning dawn towards a chariot of light being raised towards the heavens face aglow with a flaming radiance heart bursting with gratitude and love for all the years she was allowed to share with this most magnificent of men And as this story began so it ends For I am Miraan who shares this story with you as I have heard it from his own lips and as I have witnessed in the years I spent with him I did not think such a love was possible a love that grew stronger the more it was shared with all the world He was a great healer and king a simple monk and prophet an extraordinary lover and friend He was a man like any other except that he dared himself go where few men had been before Lovers were never meant to close themselves off from the rest of creation in isolated fantasy Lovers find each other in every face they encounter wherever they may be in this world And so as I come to the end of this story I see myself staring back at you each of you who reads these words and makes this story your own for my soul knows you This story will not end until you find yourself mirrored in these words and these acts touching the human as well as the divine spirit that dwells within Issa was not afraid to declare himself a Son of God one with the Father of Light Find your own true heart likewise set yourself free **The Survivor** John Zodrow,2021-01-21 An ancient document discovered in the Vatican that could destroy the Church and faith of Christians everywhere A desperate race across the world to find the truth A shocking secret concealed for centuries revealed at last See if you can guess who this is Father Urrutia sipped his martini He was born of a virgin on December 25 Three Magi following a star brought him gifts He was called the good shepherd the way the truth and the light redeemer savior Messiah son of God He was human yet divine Had 12 disciples and performed many miracles He told his disciples that the soul is immortal and that at the end of time there would be a resurrection of the dead and in a last judgment he would reward and punish every soul He was crucified to atone for the sins of mankind died and was buried in a tomb On the third day he rose again from the dead and returned to heaven His principal festival was Easter celebrating the time of his Resurrection His faithful followers used the cross as their holy symbol His church had seven sacraments including Baptism and the Eucharist a sacred meal of bread water and consecrated wine And it was all run by celibate priests and a Pope who wore a sacred miter on his head Burt shrugged That s Jesus Christ and his religion Is it Urrutia smiled You see I was describing the ancient pagan religion of Mithra The Moslem World Samuel Marinus Zwemer,1926 **God...the Grand Illusion** Dr. Ronald Pleune,2022-08-29 The question is this what do we accept as the truth of what we believe in We

take many things by mere faith but is faith the right path in putting our trust in a matter just because someone says so Do we dig into a matter with an open mind rather than prejudice and influences from others as we were growing up Does our relationship with others influence our perception of what is truth and what is not the truth Do we tend to accept something as truth because we don't have time or resources to check it out Or is it because of an emphatic speech by a cleric that proclaims the Bible is without error when in fact outside sources point to errors in dates events and even interpretation yet we close our eyes and ears because we ask How can this be Many times the excuse is made that if so many people believe in a particular biblical statement or condition then it can't be wrong Or can it Debate on biblical issues end up boggling the general populous and many just walk away from it with disgust won't deal with it or dogmatically hold a position of biblical inerrancy This brings us down to getting into the trenches of discovering the truth as ugly and contentious it may seem This is especially true when ufology is brought into the picture especially when the topic of God or a God is introduced and examined in the light of various scientific disciplines
