Theology of My Life John Frame, 2017-05-31 This book is an autobiographical memoir It tells the story of how God prepared me for the work of theology during childhood and during my schooling at Princeton Westminster and Yale It focuses on those events that shaped my theological convictions and led me to develop my distinctive emphases in theology apologetics and philosophy It seeks to honor God's providence in leading me from one point to another in my life as a son husband father theologian apologist and churchman My goal in the book is to show how one's theological convictions are products not only of logic and reasoning but also of the events of one's life and the people one interacts with Collected Works of John Frame - CDROM: Volume 1 John M. Frame, 2008-03 These volumes include all six of Dr Frame's theological booksover 2 150 pages of cutting edge Reformed theology Additionally Volume 1 Theology includes 1 500 pages of Dr Frame's shorter theological writings sixteen journal articles nine articles that appeared in books nine articles written for dictionaries two pamphlets twelve lecture outlines three study guides four syllabi nine written sermons and seventeen shorter articles virtually everything Dr Frame has written in the area of theology over the past forty years Volume 1 Theology also includes in MP3 format approximately 70 hours of audio lectures that cover a host of theological topics as well as copies of the ASV and KJV translations of the Bible **Systematic Theology** John M. Frame, 2013 A biblical clear cogent accessible comprehensive and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years *John Frame's Selected Shorter Writings* John M. Frame, 2015-02-13 Frames pointed essays challenge fashionable arguments in theology and encourage us to abhor easy answers Includes some of Frames main ideas on Scripture theological education apologetics ethics and the church Perspectives on the Word of God John Frame, 1999-06-15 This succinct volume consists of three lectures examining the nature media and application of God's word With the insight and care that have come to typify his writing John M Frame develops fresh applications of ideas set forth in his acclaimed work The Doctrine of the Knowledge of God In addition he offers a preview of and invites feedback on the central theses to be discussed in two forthcoming volumes in his Theology of Lordship series The Doctrine of the Word of God and The Doctrine of the Christian Life Those looking for a concise presentation of Frame's Perspectival approach will also find it here Topics include LECTURE ONE THE NATURE OF THE WORD OF GOD LECTURE TWO THE MEDIA OF THE WORD OF GOD Diverse Kinds of Media 1 Event Media 2 Word Media 3 Person Media The Unity of the Word of God The Word of God and the Knowledge of God LECTURE THREE THE WORD OF GOD AND CHRISTIAN ETHICS Three Secular Ethical Philosophies 1 Existential Ethics 2 Teleological Ethics 3 Deontological Ethics Mixed Secular Approaches Christian Ethics 1 The Existential Perspective 2 The Situational Perspective 3 The Normative Perspective Some Applications **Concise Systematic Theology** John M Frame, **The Doctrine of the Knowledge of God** John M. Frame, 1987 Frame explores our relationship with God as a knowing relationship He writes We tend to forget how often in Scripture God performs His

mighty acts so that men will know that He is Lord He thus examines our knowledge of God as it relates to our knowledge of ourselves and of the world in which we live Reflecting his conviction that theology is the application of Scripture to life in all situations Frame combines trenchant analysis of theological apologetical and epistemological issues with refreshingly practical insights for living in the knowledge of God Publisher s description Salvation Belongs to the Lord John M. Frame,2006 Beginning students of theology and church leaders looking for a theological refresher or teaching tool will welcome this remarkably clear introduction to the doctrines of Scripture In an almost conversational style *Salvation Belongs to the Lord* explores all the major biblical truths explains key terms of systematic theology and reflects on their implications and connections under the lordship of Christ *The Doctrine of the Word of God* John M. Frame,2010 John Frame s A Theology of Lordship series has been greeted with acclaim *The Doctrine of God* receiving an ECPA Gold Medallion Award This fourth and final volume in the series discusses God s word in modern theology and how God s word comes to us as his controlling power meaningful authority and personal presence Dr Frame says that God s speech to man is real like one person speaking to another God speaks so that we can understand him and respond appropriately Appropriate responses are of many kinds belief obedience affection repentance laughter pain sadness and so on God s speech is often propositional God s conveying information to us But it is far more than that It includes all the features functions beauty and richness of language that we see in human communication and more So the concept I wish to defend is broader than the propositional revelation that we argued so ardently forty years ago though propositional revelation is part of it My thesis is that God s word in all its qualities and aspects is a personal communication from him to us Book jacket *Theology in Three Dimensions* John M. Frame,2017 Because God created all things with coherent unity everything can be understood from the perspective of everything else We experience the world in the context of our own bodies but every day we broaden our understanding through the perspectives of others Meanwhile our omniscient God is also omniperspectival Through his revelation he allows us a glimpse of his own divine perspective What does this mean for us One valuable dimension of this reality is that theological issues can also be helpfully viewed from multiple perspectives without compromising their unity and truth In this accessible introduction to his Bible study and theological method John Frame teaches us to approach doctrine with situational normative and existential perspectives modeled on the Trinity **The Doctrine of the Christian Life** John M. Frame,2008 The third volume of Frame s Theology of Lordship series this book focuses on biblical ethics In an age of ethical relativism and suspicion of authority how can we know what is good virtuous or just Frame surveys non Christian ethical traditions before setting forth a solidly Christian ethical method By clarifying biblical norms life situations and personal dimensions he presents a model for decision making that honors God in all aspects of life Discussions range from natural law and conflict of duties to detailed explorations of the Ten Commandments in connection with questions surrounding worship the Sabbath church and state respect for life and truth sexuality and the relation of Christ to culture **Enneagram**

Theology Rhenn Cherry,2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams and the personality typology is now taught and embraced at several Christian universities But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram Enneagram Theology Is It Christian provides a biblical critique of the Enneagram s underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church *The Doctrine of God* John M. Frame,2002 Readers familiar with Frame s analysis of historic doctrines and current questions will welcome this long awaited second installment in the Theology of Lordship series Here he examines the attributes acts and names of God in connection with a full spectrum of relevant theological ethical and spiritual issues *A History of Western Philosophy and Theology* John M. Frame,2015 A History of Western Philosophy and Theology is the fruit of John Frame s forty five years of teaching philosophical subjects No other survey of the history of Western thought offers the same invigorating blend of expository clarity critical insight and biblical wisdom The supplemental study questions bibliographies links to audio lectures quotes from influential thinkers twenty appendices and indexed glossary make this an excellent main textbook choice for seminary and college level courses and for personal study Book jacket *Apologetics to the Glory of God* John M. Frame,1994 Frame sheds needed light on the message and method of genuinely Christian apologetics Giving special attention to application of the truth he insightfully examines apologetics as proof defense and offense Frame clarifies the relationships of reason proofs and evidences to faith biblical authority and the lordship of Christ He offers a fresh look at probability arguments and gives special attention to the problem of evil **Apologetics** John M. Frame,Joseph E. Torres,2015-06-01 In this extensively redeveloped and expanded version of *Apologetics to the Glory of God* 1994 renowned theologian John Frame sheds light on the message and method of genuinely Christian apologetics in terms of proof defense and offense Book jacket **A Theology of Lordship** John M. Frame, This four volume set includes *The Doctrine of the Knowledge of God* 1987 *The Doctrine of God* 2002 *The Doctrine of the Christian Life* 2008 and *The Doctrine of the Word of God* 2010 **Christian Apologetics Past and Present (Volume 1, To 1500)** William Edgar,K.
