The Dictionary Of Obscure Sorrows:

The Dictionary of Obscure Sorrows John Koenig, 2021-11-16 Poetically defining emotions we all feel but don't have the words to express the creator of the popular online project of the same name invites readers on his epic quest to fill the gaps in the language of emotion

Conference Proceedings - Emotions in Language Learning and Use Cornelia Herbert, Michał Daszkiewicz, 2023-06-12 Emotions are powerful so is language Emotions guide perception attention memory and decisions making They challenge or promote health and well being Evolutionary emotions have a physical origin and in line with this a significant proportion of emotional signals are communicated non verbally e.g. by the face gestures or voice Nevertheless in humans specifically language is taking over a pivotal role in conveying emotions by mentally representing emotions and feelings in terms of abstract concepts the latter being theoretically assumed to be grounded in perception action and bodily experiences Scientifically an emotion without language or a language without emotion perspective has been questioned recently by significant empirical evidence in support of a mutual dependence of emotions and language However core questions regarding this functional interdependence remain Open questions pertain to the role of emotions in language learning and its use which is the key topic of this year's ERL conference 2023 at Ulm University This year the ERL conference is aimed at crossing borders between disciplines research methods and interests in the field of basic and applied emotion and language research in an attempt to foster understanding of emotion and language and their interaction by providing answers to the questions outlined above The conference proceedings that contain all individual contributions to the ERL VI conference including the talks of our keynote speakers contribute to this joint interdisciplinary endeavor

Oxford Studies in Metaethics, Volume 17 Russ Shafer-Landau, 2022-04-20 Oxford Studies in Metaethics is the only publication devoted exclusively to original philosophical work in the foundations of ethics It provides an annual selection of much of the best new scholarship being done in the field Its broad purview includes work being done at the intersections of ethical theory with metaphysics epistemology philosophy of language and philosophy of mind The essays included in the series provide an excellent basis for understanding recent developments in the field those who would like to acquaint themselves with the current state of play in metaethics would do well to start here

A Little Bit Super Gary D. Schmidt, Leah Henderson, Pablo Cartaya, Nikki Grimes, Jarrett J. Krosoczka, Remy Lai, Kyle Lukoff, Daniel Nayeri, Meg Medina, Linda Sue Park, Mitali Perkins, Pam Muñoz Ryan, Brian Young, Ibi Zoboi, 2024-04-23 In these hilarious stories by some of the top authors of middle grade fiction today each young character is coping with a minor superpower while also discovering their power to change themselves and their community find their voice and celebrate what makes them unique Everyone knows that superheroes are supposed to have awesome powers like strength or invisibility or flight But what happens when you're a mostly regular kid who's just a little bit super In these hilarious and thought provoking stories from today's top middle grade authors a group of kids are each coping with a recently discovered minor superpower One can shape shift but only part of

her body and only on Mondays Another can always tell when an avocado is perfectly ripe One can even hear the thoughts of animals in the pet store which can be about as heart tugging as you might imagine It s hard enough to be in middle school even without some weird ability but these kids not only find their way to owning their unique powers and potential they use them to change things for the better and getting there with them is half the fun These playful tales prompt readers to consider what their own superpower might be and how they can use it Award winning contributors keep delightfully inclusive and accomplished company in this emotionally grounded compassionate collection These are not your run of the mill cape and tights clad superheroes These are kids with relatable struggles learning to embrace that quirky bit of themselves that makes them unique ALA Booklist starred review Written by Pablo Cartaya Nikki Grimes Leah Henderson Jarrett Krosoczka Remy Lai Kyle Lukoff Meg Medina Daniel Nayeri Linda Sue Park Mitali Perkins Pam Muñoz Ryan Gary D Schmidt Brian Young and Ibi Zoboi coedited by Leah Henderson and Gary D Schmidt **Everything But Money** Jessica Moorhouse,2024-12-31 NATIONAL BESTSELLER Money therapy that goes beyond the budget and gets to the root of your relationship with money from accredited financial counsellor and host of the popular More Money Podcast Jessica Moorhouse Why is money the 1 stress in my life How do I keep getting into debt after working so hard to get out Will I ever have enough money to make me feel secure If this sounds like you it s time to think about your money story For the past decade Jessica Moorhouse an Accredited Financial Counsellor Canada and money expert has had intimate conversations with strangers from around the world who trust her to listen without judgment and offer solutions to their financial problems It is Moorhouse s experience as well as a fact supported by research that a lot of stuff prevents you from thinking about money clearly and getting out of your own way This book includes all the insecurities fixations and inherited ideas about money that you carry around and provides a guide on how to get past them No number of top ten tips or golden rules will help you with your money struggles unless you confront what is causing them in the first place be it trauma human behaviour or an unjust social system It s only when you acknowledge and understand the real source of your money issues that you can start making a plan to finally overcome them Some of the topics explored in the book include Realizing how past trauma shapes your negative relationship with money Unlearning some of the truths about money that are hurting you Recognizing patterns and red flags to stop the cycle of poor financial decision making Understanding the institutions and systems that are holding you back financially and learning the difference between good and bad financial advice Learning how to trust yourself and others when it comes to money management Creating a new path for achieving financial freedom Everything but Money is a practical inspirational book that teaches readers to uncover their money story and empowers them to create a new healthier and happier relationship with money *Illinois Issues* ,2015 Chambers's Journal ,1900 Xeno Christopher Jh Jones,2021-11-13 A collection of melancholy shorts inspired by The Dictionary of Obscure Sorrows Dictionary of Quotations from Ancient and Modern, English and Foreign Sources ,1893 **Dictionary of Quotations** James Wood,1893
