The Foundation By Pastor Chris Oyakhilome:

Rediscovering Jesus in Our Places Elia Shabani Mligo, 2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people's religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches

Mother Earth, Mother Africa and Mission Seblewengel Daniel, Mmapula Diana Kebaneilwe, Angeline Savala, 2021-07-01 The volume is significant in bringing together voices of African women theologians and their allies on the urgent topic of ecology First it decisively intervenes into scholarly discourses on ecofeminism by highlighting the reflections of African women scholars and African women as subjects This function of the volume is very important both at local and global levels Second it contributes to contextualizing of scriptural interpretation around the issue of ecology Biblical reflection occurs throughout the volume and is put into dialogue with African traditions with ecofeminism with Africa based mission projects and with the current crisis of sustainability and African women's roles in protecting the earth Third the volume includes several concrete case studies based on interviews and grassroots qualitative research as well as especially original articles that integrate biblical exegesis of Genesis with reflections on patriarchal legal systems in Botswana and an original take on male headship in relation to ecofeminism Professor Dana L Robert Boston University USA [20 Pentecostal Pioneers in Nigeria](#) Israel O. Olofinjana, 2011-02-04 Ever so often a book comes along that I feel should have been written years ago and this book is one of them As a Christian who found faith in Nigeria in the 80s I was intrigued by stories about God Generals those men and women that led 20th century revivals across the world most of them in the West Now I have in my hands a book that shares some of the stories of some of my fellow countrymen who shaped the faith landscape in Nigeria I am really impressed with the diversity of the leaders identified and the depth of the research undertaken This book in my view should be a must read for anyone interested in origins of Pentecostalism in Nigeria Keno Ogbo Co editor The Black

Church in the 21st Century The Lord joined us to the ministry of Benson Idahosa for 20 years and we saw firsthand the reality and power of the gospel in Africa that has touched the world The Lord s sovereign work in the continent is going to impact the globe for generations to come Thank God for the African church of Jesus Christ Millions of strong and faithful believers are coming forth at this critical time as God builds His church Dr Kent Ruth Hodge President of Christian Faith Institute Jos Nigeria Christianity has been recognised to be a growing religion in Sub Sahara Africa The expression of Christianity that is expanding in Africa is Pentecostalism One reason for this growth is the renewal factor which has engulfed the whole continent Nigeria is one of the countries that has and is still experiencing revival that is contributing to local and global Christianity What is the origin of Pentecostalism in Nigeria What contributions did the late Archbishop Benson Idahosa make to the Pentecostal scene in Africa Why is RCCG one of the fastest growing Churches in the World This book considers the history of Pentecostalism in Nigeria by looking at the pioneering efforts of men and women who laid the foundation of the Movement *Sensational Piety* Murtala Ibrahim,2022-08-11 Grounded in anthropological comparison and the concept of materiality this book offers an in depth ethnographic study of the similarities and differences among various forms of religious practices in a Pentecostal Church Christ Embassy and an Islamic group NASFAT in the Nigerian capital of Abuja Scholarship in this area tends to focus on inter religious contestations and conflicts however this book proposes that another dynamic is unfolding between Christians and Muslims that is characterised by conviviality interfaith joint action programmes mutual influences and even the exchange of religious forms The comparative approach reveals that notwithstanding the seemingly opposed worldviews and divergences between Muslims and Christians they all face similar challenges and apply similar techniques for meeting the challenges posed by the precarious Nigerian urban environment It is through practices especially those conducted in semi public settings that people from different religious persuasions define encroach on and feel the weight of each other s presence **The Church History in Nigeria and History of Churches in the World** Israel Chukwuemeka O.,2004 **Newswatch** ,2001 The News ,2008 **THE ONLY FOUNDATION** GRAHAM TRUSCOTT,1970 The Church's One Foundation Is Not Cement James Charis,2019-07-31 On any Sunday morning there are millions of people in the U S who go to church many more in the rest of the world They may also have an evening and a weekday service That was my routine for most of my life The writings that follow will seek to draw a comparison between what I will call man s churches and the real Church of Jesus Christ I am not proposing any kind of revolution There will be no ugly criticism just some thoughts I will strive to show that it is a concern to our Lord and Savior Jesus Christ He wants all our love and I feel He is saddened over the heart soul mind and money we have kept from Him Instead we have given these things to the pastors priests rites services budgets and buildings of man s churches **Faulty Foundations** Onyechi Daniel,2013-02-14 My good friend Onyechi Daniel is an internationally known teacher He is passionate believer a loving husband and father But he is also a credible scholar a persuasive communicator and a man of God who walks with integrity I
