The Handbook Of Coaching A Comprehensive Resource Guide For Managers Executives Consultants And Human Resource Professionals:

The Handbook of Coaching Frederic M. Hudson,1999-08-20 The Handbook of Coaching is the first resource to offer a compendium of basic information about the burgeoning field of adult coaching the art of guiding individuals and organizations to function at their most effective and creative levels Written for experienced and aspiring coaches as well as for executives and human resource professionals interested in this rapidly growing profession the Handbook describes the essential underpinnings of successful coaching and includes a comprehensive annotated list of books articles and other resources The Handbook of Coaching is sure to become a classic in the field A coach needs to be able to touch people with new possibilities and bring wisdom compassion and humor to the issues and problems they face The Handbook of Coaching provides a treasure trove of learning resources that you will be able to practically and immediately apply to a wide variety of personal and professional situations Robert Hargrove author of Masterful Coaching and founder of R Hargrove Consulting

The Hedgehog Effect Manfred F. R. Kets de Vries,2011-10-19 In The Hedgehog Effect Manfred Kets de Vries presents the case for leadership group coaching as an experiential training ground for learning to function as a high performance team His group coaching model incorporating living case studies has been developed over more than 20 years of delivering programs to top level executives and sets the standard in the field of leadership group coaching Written for coaches consultants leadership development directors and anyone working in or with teams The Hedgehog Effect begins with an in depth analysis of what teams and groups are all about The intricacies of leadership coaching are illustrated with an elaborate example of a team coaching intervention In Part Two the author applies a psychodynamic lens to the dynamics of teams and groups taking a close look at relationship patterns how groups evolve and the phenomenon of the group as a whole Part Three takes a more systemic perspective addressing the challenges that change processes pose for people in organizations and how to create best places to work Kets de Vries supports the whole with the story of an organizational change initiative accomplished through group coaching *A Practice that Works* Steven Michael Harris,David C.
