Firestore Tan Tru Walter F. McDermott, 2018-07-25 Walter McDermott graduated with honors from Indiana University of Pennsylvania in 1968 enlisted in the U S Army and was sent to the Mekong Delta in 1969 at the height of the Vietnam War A specialist with the Ninth Infantry Division he provided artillery support to infantry patrols while struggling to cope with the authoritarian severity of the Army and the Alice in Wonderland madness of the war His frank memoir relates the surreality of combat and traces his own metamorphosis from thoughtful undergrad to jaded veteran Living with Honor Salvatore Giunta, Joe Layden, 2012-12-04 There was the sound of a single bullet and then a deafening barrage of gunfire and explosions There were literally thousands of bullets in the air at once and more tracers streaking across the sky than there were stars overhead It was a miracle that most of us weren't killed instantly Staff Sergeant Salvatore Sal Giunta was the first living person to receive the Medal of Honor the highest honor presented by the U S military since the conclusion of the Vietnam War In Living with Honor this hero who maintains he is just a soldier tells us the story of the fateful day in Afghanistan that led to his receiving the unique honor With candor insight and humility Giunta not only recounts the harrowing events leading up to when he and his company fell under siege but also illustrates the empowering invaluable lessons he learned As a seventeen year old teen working at Subway Giunta was like any other kid trying to figure out which step to take next with his life after graduating from high school When Giunta walked into the local Army recruiting center in his hometown he just wanted a free T shirt But when he walked out his curiosity had been piqued and he enlisted in the Army Deployed to Afghanistan Giunta soon learned from the more seasoned soldiers how different this war was compared to others that America had fought Stationed with the 173rd Airborne Brigade near the Afghanistan Pakistan border in the Korengal Valley also known as the Valley of Death Giunta and his company were ambushed by Taliban insurgents Giunta went into action after seeing that his squad leader had fallen Exposing himself to blistering enemy fire Giunta charged toward his squad leader and administered first aid while he covered him with his own body Though Giunta was struck by the relentless barrage of bullets he engaged the enemy and then attempted to reach additional wounded soldiers When he realized that yet another soldier was separated from his unit he advanced forward Discovering two rebels carrying away a U S soldier Giunta killed one insurgent and wounded the other and immediately provided aid to the injured soldier More than just a remarkable memoir by a remarkable person Living with Honor is a powerful testament to the human spirit and all that one can achieve when faced with seemingly impossible obstacles The President clasps the medal around my neck Applause fills the room But I know it's not for me alone I look at my mom and dad I look at Brennan's parents and I look at Mendoza's And I try to communicate to Brennan and Mendoza wordlessly This is for you and for everyone who has fought and died For everyone who has made the ultimate sacrifice I am not a hero I'm just a soldier Salvatore A Giunta from Living with Honor *The Sun Sets On Vietnam: The Firebase War* Robert Haseman, 2016-02-26 Leaving his college deferment behind this son of a WWII

Agendas and Choices Peter Kaufman,2014-09-23 *Agendas and Choices* illustrates and examines the intricate predispositions habits and agendas and choices which form and become the personalities of the characters in the books five major parts which are four Stories and one Novella There are imposed Agendas and Choices for example like a WWII which can also help to create a final personality profile there are of course personal choices which often harden into inflexible agendas Enjoy unraveling the often hidden agendas of any of the characters you encounter and do not be surprised if you tend to approve excuse or absent yourself from any story character or actual person you know *Reflections Revisited* Reuben H. Siverling,2017-01-09 As described by Reverend J Lowell Harrup pastor of Northland Cathedral Kansas City Missouri This book focuses on army rangers in particular the Fourth Infantry Divisions LRRPs or the rangers of the Seventy Fifth Regiment the official as well as the spiritual successor to the fabled Merrills Marauders the long range deep penetration units of World War II Their stories need to be told not for individual aggrandizement though they certainly earned that but so their history will be more than a political polemic The Vietnam conflict was terrible but our troops carried on the tradition of our military from the beginning of this nation I have come to know many of them including a number of highly decorated heroes of that conflict Among those I put in that category is Reuben Siverling a close friend and Christian brother whose story is in this book These stories are not enhanced they need no enhancement They are in fact the attempt to reduce in words the experiences that were lived in units of time distorted by the surreality of war extreme environments separation from families and constant death and dying all around The complete story of each cannot be told books are not big enough But these are told so that history will stand unrevised **Professional Journal of the United States Army** ,1996

Crown of the Nazarene Jesse Edward Corralez, 2012-06-08 Fiction Crown of the Nazarene A Carmela Buenasuerte Case Jesse Edward Corralez Pre publication The Crown is the third installment in the Carmela Buenasuerte mystery series by Jesse Edward Corralez In this book Carmela and friends are called on to find an ancient relic the Vatican wishes to preserve for all of humankind regardless of religious affiliation But the items elusiveness suggests that its purpose does not include being housed in a museum Archbishop Nicolas Rand head of the Holy Antiquities Museum is called on by the pope to authenticate a relic that is believed to be the crown of thorns that was worn by Jesus Christ during his crucifixion The archbishop is given the directive to go to a museum in Switzerland and negotiate the purchase of the crown from the curator if he determines that it is the real thing Money is no obstacle Once in Switzerland the archbishop is shown pictures of the thorny wreath that a former visitor to the Switzerland museum sent to the curator The archbishop and the curator travel to Portland Oregon to authenticate the wreath When they arrive they are informed that the wreath was taken during a robbery of the owners condo Enter Carmela Buenasuerte the crack private investigator who solved the curbside recycling and warehouse robbery mysteries When her husband police officer Shawn Sparrow takes on the case of the stolen wreath with few results Carmelas services are retained As the couple begins to acquire bits of information about the location of the wreath first at a pawnshop and then across the country in New York City they recruit their friends Abraham Joseph Dooley and Gideon Nathan Blaze owners of a special security and transport business to help with the search The jaunt to New York to recover the wreath from a couple whod been visiting Portland leads the group all over the globe including Italy Israel Syria and Iraq With each attempt to retrieve the wreath the foursome encounters people who have experienced a miracle after coming in contact with the crown a child blind from birth can suddenly see and recognize her surroundings a woman disfigured and crippled in a car accident as a child becomes beautiful and all her physical deformities are corrected and a man who was positive for AIDS shows absolutely no signs of the disease after coming in contact with the wreath Corralez achieves in this book what he does best as a writer the combination of action

with a focus on human behavior the good and the bad to weave a tale that not only entertains but feeds the spirit While the search for the crown of thorns is endless one can determine that the wreath is not supposed to be found and possessed by one person or institution The crown appears to belong to everyone and as a result it should be free to circulate among the masses Crown of the Nazarene is a strong addition to the Carmela Buenasuerte series I highly recommend it Melissa Levine for Independent Professional Book Reviewers www.bookreviewers.org Hotwire Native for Rails Developers Joe Masilotti, 2025-09-23 Create intuitive and maintainable mobile apps powered by the technology you already know Ruby on Rails Add Hotwire Native to your new or existing Rails app and start creating native iOS and Android applications You'll learn how to enhance your apps progressively adding native components and screens Bring your existing or new web apps to a much wider mobile audience and make the app look and feel native to their platform You know how to create a great web app using Rails But how do you also create native apps for iOS and Android when you don't want to reimplement everything in Swift and Kotlin Fully native iOS and Android apps are expensive to build and even more expensive to maintain And of course you have to deal with the app stores Hotwire Native builds hybrid mobile apps by rendering HTML directly from your Rails server Build your screens once and deploy across web iOS and Android simultaneously No repackaging apps or resubmitting to app stores You'll build a hiking tracker app on iOS and Android Start by creating a bare bones app and build new features into it with each new chapter Set up remote path configuration to navigate gracefully and route forms efficiently Determine when it makes sense to upgrade your screens to native Build native components and screens to enhance the apps progressively with full access to iOS and Android SDKs and APIs such as push notifications and native maps And deploy to physical devices for beta testing You'll drive the content and behavior of your apps directly from the server without changing any native code And you'll keep your business logic in one place making your apps more resilient to future changes and easier to maintain Along the way you'll learn just enough Swift and Kotlin to confidently build functional user friendly mobile apps What You Need macOS with Ruby 3.4.2 SQLite Xcode 16 and Android Studio Meerkat **The Battle for Chu Moor Mountain** Fred Childs, 2017-04-29 In April of 1968 in Kontum Province near the Cambodian border the 122 Infantry fought a vicious battle with elements of the North Vietnamese Army This became known as the Battle for Chu Moor Mountain The combat was intense with the First Battalion attacking the NVA counterattacking and the First Battalion attacking again The NVA employed mortars B40 rockets snipers and even flame throwers Elements of the 14 Infantry 112 Infantry and 38 Infantry joined the battle when it became clear that the enemy was in force and had decided to stay After nearly seven days of heavy fighting the NVA finally withdrew leaving the mountain in US hands This is a compilation of firsthand stories from the brave troops of the Fourth Infantry Division who participated in that battle

Ultimate Stakes Don Pendleton, 2006 A double political kidnapping in Ecuador has Mack Bolan on a mission against rival mercenaries to stage a rescue whatever the consequences Original *True Grunt** Billy White, 2020-02-13 True Grunt

is not about a Vietnam battle or a Vietnam journal memoir It is a response to seeing short Vietnam War 50 years later videos on TV These videos show two sides of the infantry in Vietnam One side depicts the infantry fighting heroically and the other depicts the infantry committing some kind of atrocity I served on the front lines with the infantry grunt in 1970 1971 With many grandchildren I don't want this mixed message to be my legacy In those years the infantry especially became the most maligned soldiers in our country's history We were known as the baby killers and monsters of Vietnam Those names continue to haunt us today By seeing and experiencing my life as infantry grunt at that time I hope the reader of True Grunt sees the infantry as moral men of intelligence and courage They fought in some of the worst conditions of war It is also a story of hope as one Vietnam Veteran regains his life overcomes personal tragedies and even disease from Agent Orange It's time to project 50 years later videos with just one message Thousands of Vietnam grunts like myself were true to ourselves our morals and our country We won a great Victory in Vietnam No asterisk needed
