The List of my Desires Gregoire Delacourt,2013-07-04 Money can buy you freedom But what about happiness When Jocelyne looks at herself in the mirror she sees a middle aged married woman who runs a dressmaking shop in a small provincial French town and lives a very ordinary existence But what happened to all those dreams she had when she was 17 Then she wins millions on the lottery and has the chance to change her life for ever So why does she find herself reluctant to accept the money To help her decide what to do she begins to compile a list of her heart s desires never suspecting for one moment that the decision might be taken out of her hands

We Only Saw Happiness Gregoire Delacourt,2016-12-29 There is nothing like the love of a parent for a child But what happens when that love falters Deprived of his parents love as a child Antoine is determined to give his son and daughter the perfect childhood he never had He is a dreamer an optimist a man who fell in love at first sight and who believes that he has found the secret to living a happy life But when tragedy strikes he becomes someone even he does not recognise Taken to his lowest point he performs an act of desperation But can he find a way back And what does happiness actually mean Provocative unpredictable heartbreaking and heartwarming We Only Saw Happiness is a story about families the choices we make and the people we become

The Woman Who Didn't Grow Old Gregoire Delacourt,2020-02-20 What happened to Betty is every woman s dream Isn t it There are those who never grow old because they are taken too soon There are those who grow old without worries enjoying everything life has to offer There are those who desperately try to slow down the ticking clock And then there s Betty Betty who mysteriously stops growing old on her thirtieth birthday the same age as her mother when she died The years leave no trace on Betty s face but as everyone around her is transformed by the relentless march of time her once golden life begins to come apart Because an ageless face is a face without history without passions without memories A blank canvas others will slowly inexorably forget A feminist version of Dorian Grey written with the elegant and timeless charm of The Elegance of the Hedgehog the beating heart of The Reader on the 6 27 and the same touch of magic as The Keeper of Lost Things
