The Career And Legend Of Vasco Da Gama:

The Career and Legend of Vasco Da Gama Sanjay Subrahmanyam, 1997 Presents the life and career of Portuguese explorer Vasco da Gama focusing on a blend of the facts and legends around him **The Career and Legend of Vasco Da Gama** Sanjay Subrahmanyam, 1997 The Career And Legend Of Vasco Da Gama Subrahmanyam, Vasco da Gama 1469 1524 is well known as one of a generation of discoverers along with Magellan Cabral and Columbus Yet little is known about his life or about the context within which he discovered the all sea route to India in 1497 99 This book based on a mass of published and unpublished sources in Portuguese and other languages delineates Gama s career and social context focusing on the delicate balance between career and legend The book addresses broad questions of myth building and nationalism while never losing sight of Gama himself Navigations Malyn Newitt, 2023-07-14 A critical reassessment of world shaping Portuguese voyages of discovery that places these quests in historical context The lasting impact of historic Portuguese voyages of discovery is unquestionable The slave trade the diaspora of the Sephardic Jews and the intercontinental spread of plants and animals all make clear these voyages long term global significance Navigations reexamines these Portuguese quests by placing them in their medieval and Renaissance settings It shows how these voyages grew out of a crusading ethos as well as long distance trade with Asia and Africa and developments in map making and ship design Malyn Newitt also narrates these voyages of discovery in the framework of Portuguese politics describing the role of the Portuguese ruling dynasty including its female members in the flowering of the Portuguese Renaissance the creation of the Renaissance state with its distinctive ideology and in the cultural changes that took place within a wider European context *The Portuguese Presence in India* K.S. Mathew, Poulami Aich Mukherjee, 2021-01-01 The Portuguese mariners under Vasco da Gama in search of spices landed on the Malabar Coast at the fag end of the fifteenth century Slowly they established factories fortresses and other commercial establishments in places allotted to them by the local rulers while their missionary zeal brought them in contact with people of the Malabar Coast both non Christians as well as St Thomas Christians The economic social and cultural legacy of the Portuguese interaction with the Malabar Coast is clearly discernible in the geographic segment now known as Kerala Once the Portuguese obtained territorial possessions outside the Malabar Coast they commenced to establish political control and introduced European administrative apparatus in Asia However these colonies could not be kept under the Portuguese sway forever They made attempts to liberate themselves from the colonial authority of the Portuguese finally leading to their liberation During the Portuguese presence in India for over 450 years innumerable social transformations took place This book is an attempt to explore the themes related to economy trade commercial ventures urbanization socio cultural interactions as well as the various stages of movements connected with the liberation of Portuguese settlements in India A History of Portuguese Overseas Expansion 1400-1668 Malyn Newitt, 2004-11-05 A History of Portuguese Overseas Expansion 1400 1668 provides an accessible survey of how the Portuguese became so

influential during this period and how Portuguese settlements were founded in areas as far flung as Asia Africa and South America Malyn Newitt examines how the ideas and institutions of a late medieval society were deployed to aid expansion into Africa and the Atlantic islands as well as how through rivalry with Castile this grew into a worldwide commercial enterprise Finally he considers how resilient the Portuguese overseas communities were surviving wars and natural disasters and fending off attacks by the more heavily armed English and Dutch invaders until well into the 1600s Including a detailed bibliography and glossary A History of Portuguese Overseas Expansion 1400 1668 is an invaluable textbook for all those studying this fascinating period of European expansion The African Prester John and the Birth of Ethiopian-European Relations, 1402-1555 Matteo Salvatore, 2016-06-17 From the 14th century onward political and religious motives led Ethiopian travelers to Mediterranean Europe For two centuries their ancient Christian heritage and the myth of a fabled eastern king named Prester John allowed the Ethiopians to engage the continent's secular and religious elites as peers Meanwhile back home the Ethiopian nobility came to welcome European visitors and at times even co-opted them by arranging mixed marriages and bestowing land rights The protagonists of this encounter sought and discovered each other in royal palaces monasteries and markets throughout the Mediterranean basin the Red Sea and the Indian Ocean littoral from Lisbon to Jerusalem and from Venice to Goa Matteo Salvatore's narrative takes the reader on a voyage of reciprocal discovery that climaxed with the Portuguese intervention on the side of the Christian monarchy in the Ethiopian Adali War Thereafter the arrival of the Jesuits at the Horn of Africa turned the mutually beneficial Ethiopian European encounter into a bitter confrontation over the souls of Ethiopian Christians The ^A Boundless Sea David Abulafia, 2019-09-16 A sweeping history of the world through its oceans and seas and their interconnections **Colonialism to Globalisation, Five Centuries After Vasco Da Gama: Main issues around colonialism and globalisation** Walter Fernandes, Anupama Dutta, 1999 This Monograph Is Meant To Be A Contribution To The Search For Alternatives To Globalisation
