The Child In Time Ian McEwan:

The Child in Time Ian McEwan, 1988 Stephen Lewis is shopping at the grocery store with his three year old daughter Kate. She disappears without a trace and time as Stephen knows it ceases. Uncertainty and grief overwhelm him and his wife as they drift apart until the passage of time both forgiving and punishing can bring them back to one another.

The Child in Time Ian McEwan, 2011-02-08 A child's abduction sends a father reeling in this Whitbread Award winning novel that explores time and loss with narrative daring and imaginative genius. Kirkus Reviews starred review. Stephen Lewis, a successful author of children's books, is on a routine trip to the supermarket with his three year old daughter. In a brief moment of distraction she suddenly vanishes and is irretrievably lost. From that moment Lewis spirals into bereavement that affects his marriage, his psyche and his relationship with time itself. It was a wonder that there could be so much movement so much purpose all the time. He himself had none at all. In *The Child in Time*, acclaimed author Ian McEwan sets a story of domestic horror against a disorienting exploration in time producing a work of remarkable intellectual and political sophistication that has been adapted into a PBS Masterpiece movie starring Benedict Cumberbatch. Kirkus Reviews starred review. A beautifully rendered, very disturbing novel. Publishers Weekly.
