The City Stella Gemmell:

The City Stella Gemmell, 2013-06-04 The City is ancient layers upon layers Once a thriving metropolis it sprawled beyond its bounds inciting endless wars and creating a barren wasteland of what was once green and productive In the center of the City lives the emperor a man in his prime though he should be very old Some grimly speculate that he is no longer human if he ever was A small number have come to the desperate conclusion that the only way to stop the war is to end the emperor's unnaturally long life From the mazelike sewers below the City to the blood soaked fields of battle the rebels pin their hopes on one man Shuskara The emperor's former general he was betrayed long ago and is believed to be dead But he has survived hiding from his immortal foe The time has come for him to engage in one final battle to free the City from the creature who dwells at its heart pulling the strings that keep the land drenched in gore **The Immortal Throne** Stella
