The Coffee Exporters Guide Third Edition:

The Coffee Exporter's Guide Hein Jan Van Hilten, 2011 **Power and Everyday Practices, Second Edition** Deborah Brock, Aryn Martin, Rebecca Raby, Mark Thomas, 2019-08-22 This unique and innovative text provides undergraduate students with tools to think sociologically through the lens of everyday life Normative social organization and taken for granted beliefs and actions are exposed as key mechanisms of power and social inequality in western societies today By unpacking the centre students are encouraged to turn their social worlds inside out and explore alternatives to the dominant social order The text is divided into three parts In Part One students learn how to use theory and methodology which are blended seamlessly throughout the text It shows how to position Michel Foucault as a companion to theorists such as Karl Marx and Stuart Hall while signaling the importance of non western and Indigenous knowledges experiences and rights In Part Two students explore and challenge normativity the normal body heterosexuality whiteness the two gender system aging and the under side of citizenship In Part Three shorter chapters critique everyday practices such as thinking scientifically practicing self help going shopping managing money buying coffee being a tourist and marginalizing Indigeneity Each chapter includes intriguing exercises study questions and key terms that link to the volume s comprehensive glossary Instructors are provided PowerPoint slides test banks and multimodal supplementary resources that make the book adaptable to blended and online learning environments Essay style lectures are also available to accompany the textbook **Coffee**, 1992 The Oxford Handbook of the Ethiopian Economy Fantu Cheru, Christopher Cramer, Arkebe Oqubay, 2019-01-10 From a war torn and famine plagued country at the beginning of the 1990s Ethiopia is today emerging as one of the fastest growing economies in Africa Growth in Ethiopia has surpassed that of every other sub Saharan country over the past decade and is forecast by the International Monetary Fund to exceed 8 percent over the next two years The government has set its eyes on transforming the country into a middle income country by 2025 and into a leading manufacturing hub in Africa The Oxford Handbook of the Ethiopian Economy studies this country s unique model of development where the state plays a central role and where a successful industrialization drive has challenged the long held erroneous assumption that industrial policy will never work in poor African countries While much of the volume is focused on post 1991 economic development policy and strategy the analysis is set against the background of the long history of Ethiopia and more specifically on the Imperial period that ended in 1974 the socialist development experiment of the Derg regime between 1974 and 1991 and the policies and strategies of the current EPRDF government that assumed power in 1991 Including a range of contributions from both academic and professional standpoints this volume is a key reference work on the economy of Ethiopia Is Fairtrade Fair? E. Valiente-Riedl, 2012-12-03 Evaluates the capacity of Fairtrade labeling to enhance the livelihoods of marginalized producers in developing countries It looks critically at the evolution of fair trade values and markets including its somewhat controversial engagement with conventional businesses and problematizes the role of the ethical consumer **TASTE**
