The Death Trap By Saki :

The Death Trap Saki, 1935 Catalog of the Theatre and Drama Collections New York Public Library. Research Libraries, 1967 *The Busybody* Susanna Centlivre, 2022-02-23 The *Busybody* is the most popular comedy by the eighteenth century playwright Susanna Centlivre. The play centres on two couples trying to form a relationship against the wills of their guardians and in a battle of wits playing with many conventions from theatre traditions across the continent a conclusion is eventually reached. Like her predecessor Aphra Behn Centlivre was immensely successful in her day drawing huge crowds to extended runs of her numerous plays but the stabbing male pens of the nineteenth and twentieth centuries decried her work as being louche and dangerous and her name slowly sunk into obscurity. This edition published with William Hazlitt's prefatory note and extra material on Centlivre's life and writing seeks to highlight the dexterity with which she took on the stage. Acted a thousand times in town and country giving delight to the old the young and the middle aged William Hazlitt.

The Ruling Passion Christopher Lane, 1995 In *The Ruling Passion* Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century. Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence. Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism. By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis. Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery. *The Penguin Complete Saki* Saki, 1987
