Alchemical Psychology Thom F. Cavalli, 2002-03-04

Alchemical practices have been reborn in our contemporary world under the rubric of Jungianism transpersonal psychology or depth psychology But in Alchemical Psychology Thom F Cavalli Ph D takes us directly to the source and on a wonderful adventure into the true nature of our hearts and minds In a book that sparkles with verve life and practicality Dr Cavalli explains how alchemy was one of humankind s earliest efforts to transform the nature of consciousness What little known or underground arts did alchemists practice in pursuit of self transformation and how can they enrich us today Using the same practices that he employs with patients Dr Cavalli offers readers a plethora of personal exercises that among other things enables them to type themselves according to ancient alchemical identifiers of nature and personality He then provides practices that can help free them from the grip of familiar problems and foster true personal growth Beautifully illustrated with medieval prints from the alchemical tradition Alchemical Psychology gives readers both a richer understanding of their own natures and of the traditions on which many of our modern therapies are based

The Way of the Crucible Robert Allen Bartlett, 2009-11-01

Alchemy is the ancient sacred science concerned with the mysteries of life and consciousness as reflected through all Nature It is a harmonious blending of physical and subtle forces which lifts the subject whether it be man or metal to a more evolved state of being The Way of the Crucible is a ground breaking modern manual on the art of Alchemy that draws on both modern scientific technology and ancient methods A laboratory scientist and chemist Bartlett provides an overview of how practical alchemy works along with treatises on Astrology Qabalah Herbalism and minerals as they relate to Alchemy He also explains what the ancients really meant when they used the term Philosopher s Stone and describes practical methods toward its achievement The Way of the Crucible provides directions for a more advanced understanding of the mineral work what some consider the true domain of Alchemy

Anthropology and mysticism in the making of initiation Andy Hilton, 2023-09-14

By the 1980s interest in initiation was at its peak it was being employed both theoretically and practically in gender politics and humanistic therapy How did that come to be how should we understand initiation and what can be its future This wide ranging book looks at the history evolution and contemporary idea of initiation It traces origins in the ancient Mysteries and early Christian texts through Renaissance rediscoveries to admission in Freemasonry and anthropological investigations in French Canada and British Australia It introduces the initiation discourse as something that was constructed through centuries of translations and nineteenth century human science leading to the making of the modern concept It argues for a subject initiation studies that effectively secularised the eighteenth century rites of admission to produce the twentieth century rites of passage And it details as compensation for this hollowing out of

the mystery the study of shaman spirit workers the idea of death and rebirth and the later sacralisation of the liminal in adolescent adult initiation Finally a contemporary revision is explored that incorporates neglected aspects like depth psychology and education for an idea of youth as a life stage And while ritual is now deemphasised the religious dimension is reaffirmed with a critical analysis of cosmic consciousness the enduring Great Mystery

The Heart of the Great Mother
Christine R. Page, 2020-02-11 Reveals sacred spiritual tools to connect with the love passion and creative powers of the Great Mother for spiritual transformation Explores the three faces of the Great Mother s love and wisdom in our lives and how to build our magician s wand which enables us to be masters of our creativity Details the journey of the soul through the twelve signs of the zodiac to integrate the shadow self and embody the soul s true light Explains how we are being called to birth a new world one that embraces the divine feminine qualities of intuition emotional creative power and rhythmic renewal The year 2012 marked the birth of a new cycle of time that will last for the next 26 000 years In charge of such birth is the Great Mother the eternal source of all creation She is calling on the feminine within us all to create a world worthy of the next seven generations and begin an era of peace abundance and spiritual evolution To birth this new world we must release our hold on old destructive patterns and instead embrace the divine feminine qualities of intuition powerful creativity and rhythmic renewal As Christine Page reveals the Great Mother hears our heart s yearning to escape our old ways of suffering and struggle to find peace fulfillment and joy She is reaching out to us across the dimensions offering spiritual initiation and the chance to know ourselves fully right now Dr Page explains how important it is to acknowledge and integrate our shadow selves the unloved parts of us so we can radiate our light from the fullness of who we are without shame or judgment Drawing on alchemy and mythology the author details the journey of the soul through the twelve signs of the zodiac until our inner light shines She also explores how to connect with and use sacred spiritual tools to open our hearts and merge with the Great Mother s love and creative powers Exploring the mythology of the Triple Goddess the author explains how the three faces of the Great Mother help us on our spiritual journey of transformation As virgin she inspires us to manifest our dreams As mother she teaches us to celebrate and nurture all living things especially ourselves As crone she shows us that creativity changes like the seasons encouraging us not to be possessed by our creations but to embrace mystery and impermanence Finally the Great Mother emboldens us to build our magician s wand the rod of light along the spine which enables us to be masters of our creativity bringing forth transformation for ourselves and generations of children still to come as we embark into a new era of expanded consciousness and love
