Sandra Cisneros "The House on Mango Street" - A Description Tobias Kollmann, Tobias Herbst, 2007-07-09 Seminar paper from the year 2005 in the subject English Language and Literature Studies Literature grade 2 University of Kassel Fachbereich Sprachwissenschaften course The Power of Reading Books 13 entries in the bibliography language English abstract Reading as an intellectual competence opens the way to explore culture and knowledge to participate in cultural life and to enjoy literature Culture and knowledge are parts of our education and are central to our ability to think critically on any topic Studying literature plays a central role in developing these skills According to Hesse 2002 p. 50f there are some elementary goals of literacy teaching such as 1 focussing on specific parts of the text 2 the use of methods which support an active and productive reading behaviour 3 a change of intensive and extensive phases of reading and 4 the relation to students' interests Literature studies offer students opportunities to work on carefully chosen texts provided by the teacher Results from the PISA studies of 15 year old poor readers in Germany illustrate the importance of finding adequate literature for the EFL classroom In our term paper we want to examine how far Sandra Cisneros' *The House on Mango Street* is relevant for the EFL class The questions which chances and opportunities the novel bears and for which purpose its plot is useful to discuss different topics are in the centre of interest Therefore the term paper shows didactical and methodological aspects i.e. how the book relates to the curriculum as well as to the students' lives which learning strategies and social forms can be applied Therefore we have provided several tasks to be used in the EFL class which all bear a differentiated analysis On the one hand the tasks have a tendency towards creating a relationship between the text and its reader on the other hand they enlarge students' abilities to use various learning strategies and

methods We can draw the **The House on Mango Street (Study Guide)** BookCaps,2012 The perfect companion to Sandra Cisneros The House on Mango Street this study guide contains a chapter by chapter analysis of the book a summary of the plot and a guide to major characters and themes BookCap Study Guides do not contain text from the actual book and are not meant to be purchased as alternatives to reading the book We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month
