Potter Christopher E. Bell, 2019-08-21 Transmediation the telling of a single story across multiple media is a relatively new phenomenon While there have been adaptations books to films for example for more than a century modern technology and media consumption have expanded the scope of trans mediating practices Nowhere are these more evident than within the Harry Potter universe where a coherent world and narrative are iterated across books films video games fan fiction art music and more Curated by a leading Harry Potter scholar this collection of new essays explores the range of Potter texts across a variety of media *Harry Potter and the Chamber of Secrets* J. K. Rowling, 1999 Witchcraft wizardry fiction [The Ivory Tower, Harry Potter, and Beyond](#) Lana A. Whited, 2024-02-26 In her follow up to *The Ivory Tower* and *Harry Potter* Lana A

Whited has compiled a new collection of essays analyzing the books films and other media by J K Rowling This includes pieces on the Harry Potter books and movies *Fantastic Beasts* and *Where to Find Them* films *The Cursed Child* play as well as her writing outside the wizarding universe such as *The Ickabog* *The Casual Vacancy* and the *Cormoran Strike* series Many of the chapters explore works that influenced the Harry Potter series including Classical epic Shakespearian comedy and tragedy and Arthurian myth In addition to literary comparison the volume delves into topics like political authoritarianism distrust of the media racial and social justice and developments in fandom It's fair to say that much has changed in regard to Harry Potter and J K Rowling scholarship in the twenty years since the first volume's publication While it was once considered a universally beloved book series the relationship between HP and its fans has grown more complicated in recent years As its readers have grown older and Rowling's reputation has wavered in the public eye Whited and her contributors consider the complicated legacy of Harry Potter and its author and explore how the series will evolve in the next twenty years **J.K. Rowling: A Bibliography** Philip W. Errington, 2017-09-21 This is the definitive bibliography of the writings of

J K Rowling In addition to bibliographical details of each edition of all her books pamphlets and original contributions to

published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction This edition has been fully revised and updated to include over 50 new editions published since 2013 including the newly jacketed 2014 children s editions of the Harry Potter books as well as the 2015 illustrated edition of Harry Potter and the Philosopher s Stone The works of Robert Galbraith are also included
