It provides comprehensive coverage of developments in formal and informal education in Hong Kong from the end of 1941 to the beginning of the new millennium As was true of its predecessor each Part of this book is subdivided into three sections Commentary Chronicle and Evidence Such an organization facilitates flexible reading Readers primarily interested in analysis interpretation and the identification of themes are likely to focus initially on the Commentary sections and to move as they feel stimulated to the relevant entries in the Chronicle and or items of Evidence Readers who seek either more encyclopedic understanding or detailed answers to specific questions may well wish to focus primarily or at least initially on the Chronicle sections and then to search for substantiation in the Evidence section or for amplification in the author s Commentary At times some readers may wish to browse through the Evidence sections reaching possibly serendipitous discoveries Academic and general readers are likely to be particularly interested in Part I of the book which deals with education in Hong Kong during the Japanese occupation a topic that has received only very rare and generalization bound treatment in other publications The author offers insights into all levels of education His conceptual scope incorporates many types of education including the mainstream academic education technical education teacher education special education physical education civic education education that focuses on morals that which focuses on culture and the various sorts of non formal and informal education My Hong Kong Malcolm Jack,2022-07-29

How was Hong Kong perceived and described by writers from the 1950s during the last colonial period Was it a British city or was it Chinese The writers show how different life was for ex pats ensconced on the Peak and leading a glitzy lifestyle compared to refugees who came pouring into the colony from mainland China and lived in dire poverty in squatter camps Find out if that East and West ever mingled in My Hong Kong From Testing to Productive Student Learning David Carless,2012-03-12 Research evidence indicates that formative assessment is one of the most effective ways of enhancing student learning It is however difficult to implement successfully principally because what is tested through summative assessment has such a powerful influence on teacher and student actions This book scrutinizes the relationship between testing and learning from alternative perspectives to the dominant literature from the major Anglophone countries It develops the notion of contextually grounded formative assessment practices by analyzing data from schools in the Confucian heritage setting of Hong Kong It explores questions such as Under what circumstances do tests support or hinder student learning How can

teachers effectively prepare students for tests and appropriately follow up after tests What are the key socio cultural influences impacting on testing and student learning in the classroom How do teachers change in their orientation towards assessment and what support do they require This text is a valuable resource for education students professionals and researchers policy makers and curriculum developers

Education Under Mao Jonathan Unger, 1982 In *Education Under Mao* an in depth analysis of modern Chinese education Jonathan Unger not only probes the policy issues and the nature of the debate between Maoists and modernizers but also shows more concretely how schools were organized the changing attitudes and goals of students and the tensions that permeated the schools Unger focuses on Canton s schools through two tumultuous decades and his rich factual presentation brings to life both the Chinese school system and its social milieu

Multilingual Hong Kong: Languages, Literacies and Identities David C.S. Li, 2017-01-12 This volume gives an up to date account of the language situation and social context in multilingual Hong Kong After an in depth interpretive analysis of various language contact phenomena it shows why it is such a tall order for Hongkongers to live up to the Special Administrative Region government s language policy goalpost biliteracy and trilingualism A detailed contrastive analysis between Cantonese and a English b Modern Written Chinese and c Putonghua helps explain the nature of the linguistic and acquisitional challenges involved Economic forces and sociopolitical realities helped shape the mother tongue education or dual MoI streaming policy since September 1998 The book provides a critical review of the significant milestones and key policy documents from the early 1990s and outlines the concerns of stakeholders at the receiving end Another MoI debate concerns the feasibility and desirability of teaching Chinese in Putonghua TCP Based on a critical review of the TCP literature and recent psycholinguistic and neuroscience research the language in education policy implications are discussed followed by a few recommendations Hongkongers of South Asian descent saw their life chances curtailed as a result of the post 1997 changes in the language requirements for gaining access to civil service positions and higher education Based on a study of 15 South Asian undergraduate students prior language learning experiences recommendations are made to help redress that social inequity problem
