Lyndon Johnson And The American Dream Most Revealing Portrait Of A President Presidential Power Ever Written Doris Kearns Goodwin:

Lyndon Johnson and the American Dream Doris Kearns Goodwin, 2015-08-04 With a new foreword The New York Times bestselling biography of President Lyndon Johnson from the Pulitzer Prize winning author of *Team of Rivals* Featuring a 2018 foreword by the Pulitzer Prize winning political historian that celebrates a reappraisal of Lyndon Johnson's legacy five decades after his presidency from the vantage point of our current profoundly altered political culture and climate Doris Kearns Goodwin's extraordinary and insightful biography draws from meticulous research in addition to the author's time spent working at the White House from 1967 to 1969 After Johnson's term ended Goodwin remained his confidante and assisted in the preparation of his memoir In *Lyndon Johnson and the American Dream* she traces the 36th president's life from childhood to his early days in politics and from his leadership of the Senate to his presidency analyzing his dramatic years in the White House including both his historic domestic triumphs and his failures in Vietnam Drawing on personal anecdotes and candid conversation with Johnson Goodwin paints a rich and complicated portrait of one of our nation's most compelling politicians in the most penetrating fascinating political biography I have ever read The New York Times

Leadership in War and Peace Joan Johnson-Freese, 2025-03-31 This book offers a gendered perspective on leadership in war and peace considering leadership in its complexity and presenting a practical examination of both leadership successes and failures The work challenges readers to think through and discuss specific aspects of leadership including how and why leadership diversity matters and the ethical challenges presented by the revolving door of the military industrial complex Further leaders responsible for decisions involving war and peace must be able to understand appreciate and communicate effectively with everyone they work with and have a repertoire of leadership styles to use depending on context The book represents an excellent tool for developing such skills as it uniquely considers leadership through both male and female lenses along with the experiences and perspectives of multiple military government and industry leaders interviewed by the author making it both relatable and informative This book will be of much interest to students of gender studies leadership studies defense studies and military studies in general as well as military and security practitioners *Dak To and the Border Battles of Vietnam, 1967-1968* Michael A. Eggleson, 2017-02-06 In 1967 the North Vietnamese launched a series of offensives in the Central Highlands along the border with South Vietnam a strategic move intended to draw U.S. and South Vietnamese forces away from major cities before the Tet Offensive A series of bloody engagements known as the border battles followed with the principle action taking place at Dak To Drawing on the writings of key figures veterans memoirs and the author's records from two tours in Vietnam this book merges official history with the recollections of those who were there revealing previously unpublished details of these decisive battles *Storms over the Mekong* William Pace Head, 2020-04-30 From the defeat of the Army of the Republic of Vietnam at Ap Bac to the battles of the Ia Drang Valley Khe

Sanh and more Storms over the Mekong offers a reassessment of key turning points in the Vietnam War Award winning historian William P Head not only reexamines these pivotal battles but also provides a new interpretation on the course of the war in Southeast Asia In considering Operation Rolling Thunder for example which Head dubs as too much rolling and not enough thunder readers will grasp the full scope of the campaign from specifically targeted bridges in North Vietnam to the challenges of measuring success or failure the domestic political situation and how over time Head argues slowly but surely Rolling Thunder dug itself into a hole Likewise Head shows how the battles for Saigon and Hue during the Tet Offensive of 1968 were tactical defeats for the Communist forces with as many as 40 000 killed and no real gains At the same time however Tet made it clear to many in Washington that victory in Vietnam would require a still greater commitment of men and resources far more than the American people were willing to invest Storms over the Mekong is a blow by blow account of the key military events to be sure But beyond that it is also a measured reconsideration of the battles and moments that Americans thought they already knew adding up to a new history of the Vietnam War

Lyndon Johnson and the American Dream Doris Kearns Goodwin,1977 The thirty sixth president s conversations with the author provide the basis for a study of his background his personal outlook and behavior his political career and the political system that fostered his rise

Doris Kearns Goodwin: The Presidential Biographies Doris Kearns Goodwin,2018-09-18 From America s Historian in Chief New York magazine The Presidential Biographies boxed set featuring the Pulitzer Prize winning author s beloved and bestselling biographies No Ordinary Time Team of Rivals and The Bully Pulpit After five decades of acclaimed studies of the presidency Doris Kearns Goodwin stands as America s premier presidential historian Now for the first time her three most esteemed books are collected in one beautiful box set No Ordinary Time Winner of the Pulitzer Prize for History No Ordinary Time relates the story of how Franklin D Roosevelt surrounded by a small circle of intimates led the nation to victory in World War II and with Eleanor s essential help changed the fabric of American society Team of Rivals The landmark biography of Abraham Lincoln adapted by Steven Spielberg into the Academy Award winning film Lincoln and winner of the prestigious Lincoln Prize illuminates Lincoln s political genius as he brought disgruntled opponents together and marshaled their talents to the task of preserving the Union The Bully Pulpit The prize winning biography of Theodore Roosevelt a dynamic history of the first decade of the Progressive era when the nation was coming unseamed and reform was in the air Told through the friendship of Roosevelt and William Howard Taft Goodwin captures an epic moment in history

Lyndon Johnson Remembered Thomas W. Cowger,Sherwin Markman,2003 In Lyndon Johnson Remembered An Intimate Portrait of a Presidency Thomas W Cowger and Sherwin J Markman bring together essays by Johnson administration insiders reflecting on his personality domestic agenda and legacy

The Leadership Journey Doris Kearns Goodwin,2024-09-10 A New York Times bestseller From 1 New York Times bestselling author Pulitzer Prize winner and leading historian Doris Kearns Goodwin comes an essential middle grade guide to Presidents Abraham Lincoln Theodore

Roosevelt Franklin Roosevelt and Lyndon Johnson and how they became leaders All four presidents profiled grew up and lived in very different worlds Lincoln was poor and self educated Theodore Roosevelt hailed from an elegant home in the heart of New York City Franklin Roosevelt loved the outdoors surrounding his family's rural estate and Lyndon Johnson's modest childhood home had no electricity or running water So how did each of them do it rise to become President of the United States What did these four kids have individually and have in common that catapulted them to lead America through some of its most turbulent times

Summary of Doris Kearns Goodwin's Lyndon Johnson and the American Dream Everest Media,2022-04-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Lyndon Johnson's mother Rebekah was a dreamy young girl who had spent her afternoons reading poetry under the shade of the big trees in the gardens of their house She projected herself as a moral example to her son 2 Sam Johnson's mother Rebekah had the same experience as Lyndon's mother She was a cultured woman who lost her father when she was young and she married a small time farmer and trader She had to adjust to a completely different life 3 Johnson's mother Rebekah was extremely discontent with her life with Sam Johnson She felt alone and miserable and she constantly fought with him over how the household was managed 4 The Baines family code was very strict about sobriety and it was a guarantee of reliability and industry Sobriety was a promise of morality and economic success When Rebekah saw her husband drink she saw how badly it affected him and she cried a lot

From White House Fellow to Pulitzer Winner Irma N Bunger,2024-01-27 From White House Fellow to Pulitzer Winner Doris Kearns Goodwin's Navigating the Political and Literary Landscapes Doris Kearns Goodwin is one of America's most celebrated historians and biographers She has won the Pulitzer Prize for History the National Book Award and the Presidential Medal of Freedom But her journey to the top was not always smooth In this book we will explore Goodwin's life and career from her early days as a White House Fellow to her current status as a literary icon Goodwin was born in Brooklyn New York in 1943 She grew up in a working class family and attended Colby College where she majored in political science After graduating from college Goodwin worked as a sports journalist before being accepted into the prestigious White House Fellows program In 1967 she served as a special assistant to President Lyndon B Johnson After leaving the White House Goodwin began her career as a historian Her first book Lyndon Johnson and the American Dream was published in 1976 The book was a critical and commercial success and it established Goodwin as a major new voice in American historiography Goodwin's subsequent books have focused on a variety of American presidents and political figures including Franklin D Roosevelt Theodore Roosevelt and Abraham Lincoln Her work has been praised for its vivid storytelling its deep understanding of human nature and its insights into the workings of American politics In 2005 Goodwin published No Ordinary Time Franklin and Eleanor Roosevelt The Home Front in World War II The book won the Pulitzer Prize for History and became a national bestseller It is now considered one of the most important books ever written about World War II Goodwin's latest book Leadership in Turbulent Times was published in 2018 The book is a collection of

and the American Dream Doris Kearns, Doris Kearns Goodwin, 1976 **Lyndon B. Johnson** Robert Dallek, 2004-01-08 Robert Dallek's brilliant two volume biography of Lyndon Johnson has received an avalanche of praise Michael Beschloss in The Los Angeles Times said that it succeeds brilliantly The New York Times called it rock solid and The Washington Post hailed it as invaluable And Sidney Blumenthal in The Boston Globe wrote that it was dense with astonishing incidents Now Dallek has condensed his two volume masterpiece into what is surely the finest one volume biography of Johnson available Based on years of research in over 450 manuscript collections and oral histories as well as numerous personal interviews this biography follows Johnson the human dynamo from the Texas hill country to the White House We see LBJ in the House and the Senate whirl his way through sixteen and eighteen hour days talking urging demanding reaching for influence and power in an uncommonly successful congressional career Then in the White House we see Johnson as the visionary leader who worked his will on Congress like no president before or since enacting a range of crucial legislation from Medicare and environmental protection to the most significant advances in civil rights for black Americans ever achieved And we see the depth of Johnson's private anguish as he became increasingly ensnared in Vietnam In these pages Johnson emerges as a man of towering intensity and anguished insecurity of grandiose ambition and grave self doubt a man who was brilliant crude intimidating compassionate overbearing driven A tornado in pants Gracefully written and delicately balanced this *The Passage of Power* Robert A. Caro, 2012-05-01 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE One of the

New York Times s 100 Best Books of the 21st Century A Kirkus Reviews Best Nonfiction Book of the Century Book Four of Robert A Caro s monumental The Years of Lyndon Johnson displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece The Passage of Power follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin s bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy s decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy s efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy s younger brother portraying one of America s great political feuds Yet Robert Kennedy s overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson s heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro s breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson s eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy s death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson s finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson s life and in the life of the nation The Passage of Power is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro s work confirming Nicholas von Hoffman s verdict that Caro has changed the art of political biography [Lone Star Rising](#) Robert Dallek, 1991-08-15 Like other great figures of 20th century American politics Lyndon Johnson defies easy understanding An

unrivaled master of vote swapping back room deals and election day skulduggery he was nevertheless an outspoken New Dealer with a genuine commitment to the poor and the underprivileged With aides and colleagues he could be overbearing crude and vindictive but at other times shy sophisticated and magnanimous Perhaps columnist Russell Baker said it best Johnson was a character out of a Russian novel a storm of warring human instincts sinner and saint buffoon and statesman cynic and sentimentalist But Johnson was also a representative figure His career speaks volumes about American politics foreign policy and business in the forty years after 1930 As Charles de Gaulle said when he came to JFK's funeral Kennedy was America's mask but this man Johnson is the country's real face In Lone Star Rising Robert Dallek winner of the prestigious Bancroft Prize for his study of Franklin D Roosevelt now turns to this fascinating sinner and saint to offer a brilliant definitive portrait of a great American politician Based on seven years of research in over 450 manuscript collections and oral histories as well as numerous personal interviews this first book in a two volume biography follows Johnson's life from his childhood on the banks of the Pedernales to his election as vice president under Kennedy We see Johnson the twenty three year old aide to a pampered millionaire Representative become a de facto Congressman and at age twenty eight the country's best state director of the National Youth Administration We see Johnson the human dynamo first in the House and then in the Senate whirl his way through sixteen and eighteen hour days talking urging demanding reaching for influence and power in an uncommonly successful congressional career Dallek pays full due to Johnson's failings his obsession with being top dog his willingness to cut corners and worse to get there but he also illuminates Johnson's sheer brilliance as a politician the high regard in which key members of the New Deal including FDR held him and his genuine concern for minorities and the downtrodden No president in American history is currently less admired than Lyndon Johnson Bitter memories of Vietnam have sent Johnson's reputation into free fall and recent biographies have painted him as a scoundrel who did more harm than good Lone Star Rising attempts to strike a balance It does not neglect the tawdry side of Johnson's political career including much that is revealed for the first time But it also reminds us that Lyndon Johnson was a man of exceptional vision who from early in his career worked to bring the South into the mainstream of American economic and political life to give the disadvantaged a decent chance and to end racial segregation for the well being of the nation

The Path to Power Robert A. Caro, 2011-11-23 The Years of Lyndon Johnson is the political biography of our time No president no era of American politics has been so intensively and sharply examined at a time when so many prime witnesses to hitherto untold or misinterpreted facets of a life a career and a period of history could still be persuaded to speak The Path to Power Book One reveals in extraordinary detail the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson's political genius it follows him from his Texas boyhood through the years of the Depression in the Texas hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he

hungered We see in him from earliest childhood a fierce unquenchable necessity to be first to win to dominate coupled with a limitless capacity for hard unceasing labor in the service of his own ambition Caro shows us the big gangling awkward young Lyndon raised in one of the country's most desperately poor and isolated areas his education mediocre at best his pride stung by his father's slide into failure and financial ruin lunging for success moving inexorably toward that ultimate impossible goal that he sets for himself years before any friend or enemy suspects what it may be We watch him while still at college instinctively and ruthlessly creating the beginnings of the political machine that was to serve him for three decades We see him employing his extraordinary ability to mesmerize and manipulate powerful older men to mesmerize and sometimes almost enslave useful subordinates We see him carrying out before his thirtieth year his first great political inspiration tapping and becoming the political conduit for the money and influence of the new oil men and contractors who were to grow with him to immense power We follow close up the radical fluctuations of his relationships with the formidable Mr Sam Rayburn who loved him like a son and whom he betrayed and with FDR himself And we follow the dramas of his emotional life the intensities and complications of his relationships with his family his contemporaries his girls his wooing and winning of the shy Lady Bird his secret love affair over many years with the mistress of one of his most ardent and generous supporters Johnson driving his people to the point of exhausted tears equally merciless with himself Johnson bullying cajoling lying yet inspiring an amazing loyalty Johnson maneuvering to dethrone the unassailable old Jack Garner then Vice President of the United States as the New Deal's connection in Texas and seize the power himself Johnson raging Johnson hugging Johnson bringing light and indeed life to the worn Hill Country farmers and their old at thirty wives via the district's first electric lines We see him at once unscrupulous admirable treacherous devoted And we see the country that bred him the harshness and nauseating loneliness of the rural life the tragic panorama of the Depression the sudden glow of hope at the dawn of the Age of Roosevelt And always in the foreground on the move LBJ Here is Lyndon Johnson his Texas his Washington his America in a book that brings us as close as we have ever been to a true perception of political genius and the American political process

Robert A. Caro's The Years of Lyndon Johnson Set Robert A. Caro, 2013-04-09 The political biography of our time now available in a four volume hardcover set Robert A. Caro's life of Lyndon Johnson is one of the richest most intensive and most revealing examinations ever undertaken of an American president It is the magnum opus of a writer perfectly suited to his task the Pulitzer Prize winning biographer historian chronicler also of Robert Moses in *The Power Broker* whose inspired research and profound understanding of the nature of ambition and the dynamics of power have made him a peerless explicator of political lives Taken together the installments of Mr Caro's monumental life of Johnson form a revealing prism by which to view the better part of a century in American life and politics during which the country experienced tumultuous and divisive social change Gripping Michiko Kakutani *The New York Times* By writing the best presidential biography the country has ever seen Caro has forever changed the way we think and read American history It's his immense talent as a

writer that has made his biography of Johnson one of America's most amazing literary achievements. As absorbing as a political thriller, a masterpiece unlike any other work of American history published in the past. It's true that there will never be another Lyndon B. Johnson, but there will never be another Robert A. Caro either. NPR: One of the truly great political biographies of the modern age. A masterpiece. The Times (London): The Path to Power reveals the genesis of the almost superhuman drive, energy, and urge to power that set LBJ apart. Chronicling the startling early emergence of Johnson's political genius, it follows him from his Texas boyhood through the years of the Depression in the Texas Hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered. National Book Critics Circle Award in Nonfiction. Means of Ascent follows Johnson through his service in World War II to the foundation of his long concealed fortune and the facts behind the myth he created about it. The explosive heart of the book is Caro's revelation of the true story of the fiercely contested 1948 senatorial election which Johnson had to win or face certain political death and which he did win by 87 votes that changed history. Caro makes us witness to a momentous turning point in American politics: the tragic last stand of the old politics versus the new, the politics of issue versus the politics of image, mass manipulation, money, and electronic dazzle. National Book Critics Circle Award in Biography. Master of the Senate carries Johnson's story through his twelve remarkable years in the Senate. It is an unprecedented revelation of how legislative power works in America, how the Senate works, and how Johnson, in his ascent to the presidency, mastered the Senate as no political leader before him had ever done. In a breathtaking tour de force, Caro details Johnson's amazing triumph in maneuvering to passage the first civil rights legislation since 1875. Pulitzer Prize in Biography. Los Angeles Times Book Award in Biography. National Book Award in Nonfiction. The Passage of Power is an unparalleled account of the battle between Johnson and John Kennedy for the 1960 presidential nomination, of the machinations behind Kennedy's decision to offer Johnson the vice presidency, of Johnson's powerlessness and humiliation in that role, and of the savage animosity between Johnson and Robert Kennedy. In Caro's description of the Kennedy assassination, which The New York Times called the most riveting ever, we see the events of November 22, 1963, for the first time through Lyndon Johnson's eyes. And we watch as his political genius enables him to grasp the reins of the presidency with total command and within weeks make it wholly his own, surmounting unprecedented obstacles in order to fulfill the highest purpose of the office. National Book Critics Circle Award in Biography. Brilliant, important, remarkable. In sparkling detail, Caro shows Johnson's genius for getting to people, friends, foes, and everyone in between, and how he used it to achieve his goals. With this fascinating and meticulous account, Robert Caro has once again done America a great service. President Bill Clinton. The New York Times Book Review front cover: The politicians' political book of choice. An encyclopedia of dirty tricks that would make Machiavelli seem naïve. London Literary Review: Making ordinary politics and policymaking riveting and revealing is what makes Caro a genius. Combined with his penetrating insight and fanatical research, Caro's

Churchill like prose elevates the life of a fairly influential president to stuff worthy of Shakespeare Robert Caro stands alone as the unquestioned master of the contemporary American political biography The Boston Globe The Passage of Power Robert A. Caro, 2013-05-07 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE Book Four of Robert A Caro's monumental The Years of Lyndon Johnson displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece The Passage of Power follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin's bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy's decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy's efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy's younger brother portraying one of America's great political feuds Yet Robert Kennedy's overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson's heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro's breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson's eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy's death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson's finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson's life and in the life of the nation The Passage of Power is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic

story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro's work confirming Nicholas von Hoffman's verdict that Caro has changed the art of political biography

The Passage of Power Robert A. Caro, 2014-01-15 Hailed as the greatest biography of our era The Times Robert Caro's monumental work on American President Lyndon Johnson is a breathtakingly dramatic story told with consummate artistry and ardor The New York Times and a work of greatness of such acute observation of politics that its insights are applicable far beyond its time and place Independent This the series crowning volume Economist spans the years 1958 to 1964 arguably the most crucial years in the life of Johnson and pivotal years for American history This era saw some of the most frustrating moments of Johnson's career but also some of his most triumphant His battle with the Kennedy brothers over the 1960 Democratic nomination for president was a bitter one and the ensuing years of Johnson's vice presidency were marked with humiliation But thrust into power following the assassination of J F Kennedy Johnson grasped the presidential role with unprecedented skill Caro provides a fresh perspective on Kennedy's assassination from Johnson's viewpoint and penetrates deep into what it was like for him to assume a position of such power at a time of national crisis The Passage of Power documents Johnson's extraordinary early presidency forcing previously abandoned bills on the budget and civil rights through an uncooperative Congress and striving to achieve what he saw to be the highest standard of office Caro shows a delicacy of touch and a profoundness of insight into the state of a nation under the hand of a political master Collectively these volumes constitute a major history of America in the first three quarters of the twentieth century

Chief of Staff W. Marvin Watson, Sherwin Markman, 2014-03-11 Chief of Staff to the President is perhaps the most important political appointment in our nation's government Aside from handling the myriad of day to day details that keep the White House running the Chief of Staff is often the President's closest confidante and gatekeeper anyone who wants access to the Oval Office goes through the Chief of Staff President Lyndon Johnson bestrode the American political scene as a colossus of energy ambition and purpose He attempted to achieve no less than the total eradication of poverty and expended every last ounce of his political capital with Congress to pass Civil Rights legislation And throughout he was as he knew better than anyone else being destroyed by a war he inherited detested and could do nothing to stop With W Marvin Watson his Chief of Staff and most intimate adviser finally revealing what he knows about this extraordinary figure readers are taken firsthand inside the presidential life and times of Lyndon Johnson

The Path to Power Robert A. Caro, 1990-02-17 The Years of Lyndon Johnson is the political biography of our time No president no era of American politics has been so intensively and sharply examined at a time when so many prime witnesses to hitherto untold or misinterpreted facets of a life a career and a period of history could still be persuaded to speak The Path to Power Book One reveals in extraordinary detail the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson's political genius it follows him from his Texas boyhood through the years of the Depression in the Texas hill Country to the triumph of his congressional debut in

New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered We see in him from earliest childhood a fierce unquenchable necessity to be first to win to dominate coupled with a limitless capacity for hard unceasing labor in the service of his own ambition Caro shows us the big gangling awkward young Lyndon raised in one of the country's most desperately poor and isolated areas his education mediocre at best his pride stung by his father's slide into failure and financial ruin lunging for success moving inexorably toward that ultimate impossible goal that he sets for himself years before any friend or enemy suspects what it may be We watch him while still at college instinctively and ruthlessly creating the beginnings of the political machine that was to serve him for three decades We see him employing his extraordinary ability to mesmerize and manipulate powerful older men to mesmerize and sometimes almost enslave useful subordinates We see him carrying out before his thirtieth year his first great political inspiration tapping and becoming the political conduit for the money and influence of the new oil men and contractors who were to grow with him to immense power We follow close up the radical fluctuations of his relationships with the formidable Mr Sam Rayburn who loved him like a son and whom he betrayed and with FDR himself And we follow the dramas of his emotional life the intensities and complications of his relationships with his family his contemporaries his girls his wooing and winning of the shy Lady Bird his secret love affair over many years with the mistress of one of his most ardent and generous supporters Johnson driving his people to the point of exhausted tears equally merciless with himself Johnson bullying cajoling lying yet inspiring an amazing loyalty Johnson maneuvering to dethrone the unassailable old Jack Garner then Vice President of the United States as the New Deal's connection in Texas and seize the power himself Johnson raging Johnson hugging Johnson bringing light and indeed life to the worn Hill Country farmers and their old at thirty wives via the district's first electric lines We see him at once unscrupulous admirable treacherous devoted And we see the country that bred him the harshness and nauseating loneliness of the rural life the tragic panorama of the Depression the sudden glow of hope at the dawn of the Age of Roosevelt And always in the foreground on the move LBJ Here is Lyndon Johnson his Texas his Washington his America in a book that brings us as close as we have ever been to a true perception of political genius and the American political process
