The book cover features a young woman with dark, wavy hair, wearing a light blue, long-sleeved, pleated dress. She is looking down with a concerned expression at a glowing, translucent object on the ground. The object appears to be a large, irregularly shaped piece of glass or crystal that is emitting a bright, golden-yellow light. The background is a warm, golden-brown color with soft, ethereal light rays emanating from the glowing object. The title 'MAGIC UNDER GLASS' is written in a large, serif font, with 'MAGIC' and 'GLASS' in a light green color and 'UNDER' in a golden-yellow color. The author's name 'JACLYN DOLAMORE' is at the top in a smaller, white, serif font.

**Between the Sea and Sky** Jaclyn Dolamore, *Was the Cat in the Hat Black?* Philip Nel, 2017 Racism is resilient duplicitous and endlessly adaptable so it is no surprise that America is again in a period of civil rights activism A significant reason racism endures is because it is structural it's embedded in culture and in institutions One of the places that racism hides and thus perhaps the best place to oppose it is books for young people *Was the Cat in the Hat Black* presents five serious critiques of the history and current state of children's literature tempestuous relationship with both implicit and explicit forms of racism The book fearlessly examines topics both vivid such as *The Cat in the Hat*'s roots in blackface minstrelsy and more opaque like how the children's book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity Rooted in research yet written with a lively crackling touch Nel delves into years of literary criticism and recent sociological data in order to show a better way forward Though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable The text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children's literature While *Was the Cat in the Hat Black* does not assume it has all the answers to such a deeply systemic problem its audacity should stimulate discussion and activism
