Man Seeks God Eric Weiner, 2011-09-01 Bestselling author of *Geography of Bliss* returns with this funny illuminating chronicle of a globe spanning spiritual quest to find a faith that fits When a health scare puts him in the hospital Eric Weiner an agnostic by default finds himself tangling with an unexpected question posed to him by a well meaning nurse Have you found your God yet The thought of it nags him and prods him and ultimately launches him on a far flung journey to do just that Weiner a longtime spiritual voyeur and inveterate traveler realizes that while he has been privy to a wide range of religious practices he s never seriously considered these concepts in his own life Face to face with his own mortality and spurred on by the question of what spiritual principles to impart to his young daughter he decides to correct this omission undertaking a worldwide exploration of religions and hoping to come if he can to a personal understanding of the divine The journey that results is rich in insight humor and heart Willing to do anything to better understand faith and to find the god or gods that speak to him he travels to Nepal where he meditates with Tibetan lamas and a guy named Wayne He sojourns to Turkey where he whirls not so well as it turns out with Sufi dervishes He heads to China where he attempts to unblock his chi to Israel where he studies Kabbalah sans Madonna and to Las Vegas where he has a close encounter with Raelians followers of the world s largest UFO based religion At each stop along the way Weiner tackles our most pressing spiritual questions Where do we come from What happens when we die How should we live our lives Where do all the missing socks go With his trademark wit and warmth he leaves no stone unturned At a time when more Americans than ever are choosing a new faith and when spiritual questions loom large in the modern age *Man Seeks God* presents a perspective on religion that is sure to delight inspire and entertain

God Revised Galen Guengerich, 2013-05-28 Over the past few decades the ever expanding scientific knowledge of the universe and the human condition combined with the evolution from religion based to personal morality has led to a mass crisis of faith Leaders of most Protestant and Catholic religious traditions which include nearly 80 percent of Americans have watched their memberships stagnate or dwindle Over the years philosophers and scientists have argued that science has in fact killed God and that if we believe the facts science has presented we must also accept that God is fiction Others holding fast to their long standing doctrines attempt to justify their beliefs by using God to explain gaps in scientific knowledge Having left an upbringing in a family of Mennonite preachers to discover his own experience of God Galen Guengerich understands the modern American struggle to combine modern world views with outdated religious dogma Drawing upon his own experiences he proposes that just as humanity has had to evolve its conception of the universe to coincide with new scientific discoveries we are long overdue in evolving our concept of God Gone are the days of the magical supernatural deity in the sky who visits wrath upon those who have not followed his word Especially in a scientific age we need an experience of a God we can believe in an experience that grounds our morality unites us in community and engages us with a world that still holds more mystery than answers *Always Being Reformed* David Hadley Jensen, 2016-03-31 One

of the most persistent slogans of Reformed theology is that it is reformed and always being reformed But what does this slogan mean This volume gathers thirteen essays written by a younger generation of Reformed theologians who teach and write on five different continents who together offer this work in Christian systematic theology Unlike many other works of Reformed theology however this book is framed by pressing contextual issues and questions instead of traditional loci Each chapter engages classical doctrine but does so through the lens of contemporary lived experience in particular contexts The result is not a theology where doctrines are applied to contexts but an approach where doctrine and context mutually shape one another The contributors take seriously the notion that theology is always being reformed and is always partial ever on the way hence it requires conversation partners beyond the Reformed family of faith The result is a study in Reformed theology that is thoroughly ecumenical

Theology in Service to the Church Allan Hugh Cole Jr., 2014-07-17

As a global religion with growing numbers of expressions Christianity calls for deepening relationships across traditions while also formulating collaborative visions A thriving church will require Christians from various traditions and on varying trajectories to become familiar with one another appreciate one another and work in common service to God in Jesus Christ In this book a group of thirteen distinguished scholars from around the world and representing a range of Orthodox Catholic and Protestant perspectives demonstrate how theological reflection and broad based ecumenical conversations may serve the church Reflecting on numerous salient matters facing the global church these scholars model what may be accomplished in ecumenical conversations that recognize the gifts that come with unity across diversity among those who seek to be faithful to Jesus

Christ **Holding Faith** Prof. Cynthia L. Rigby, 2018-04-17 Martin Luther wrote Faith takes hold of Christ and has Him present enclosing Him as a ring encloses a gem We hold faith as we seek to know Christ better exploring Christian doctrines and deepening our understanding of their relevance to our day to day lives Faith holds us as we respond to Christ s calling negotiate life s challenges and join in the work of bringing in God s kingdom This introduction to Christian theology shows how various understandings of particular doctrines play out in relation to the way we live our lives It explores the content of core Christian doctrines and celebrates the so what of each Using theological literature and Scripture but also current events sociology fiction and movies Rigby shows that theology is key to how we come to understand and negotiate our world Holding Faith contends that some approaches to Christian doctrine are preferable to others making persuasive arguments for creative ways of believing that can enliven our lives and the life of the world Theology has relevance because it can stymie or transform How will we hold our faith Cynthia Rigby has written an accessible and lucid book of theological reflection for today s believers seekers and doubters This is no small feat The book succeeds in the daunting challenges of presenting Christian theology with clarity and completeness with commitment and generosity It is an admirable text for theology students pastors and all those interested in understanding more deeply their faith and life Leanne Van Dyk President and Professor of Theology Columbia Theological Seminary Decatur GA This is an extraordinary book Cynthia Rigby is a Reformed theologian a minister and a teacher All of these gifts are evident in Holding Faith as Rigby offers an eloquent introduction to Christian theology that is academically rich pastorally sensitive and profoundly accessible She does not make theology accessible by watering it down but rather by explaining it with compelling clarity Holding Faith is perfect for seminarians pastors church groups and curious souls for those who are new to Christianity and those who have been studying and living Christian faith their entire lives It will be an enormous blessing to those who teach theology and those who preach the gospel Shannon Craigo Snell Professor of Theology Louisville Presbyterian Theological Seminary Louisville KY Cindy Rigby s is a timely necessary and accessible voice in theological discourse not only for those who together comprise Christendom but also for those who are curious enough about what Christian doctrines offer by way of challenge critique and comfort in our increasingly distracted fractious world Holding Faith is a prophetic priestly and pastoral defense of a faith tradition that historically contributed to this oppressive state of affairs yet undoubtedly remains rife with redemptive possibility for individuals communities nations the cosmos In its pages Rigby provides church folks people of other faiths seminarians and inquisitive nones with a thoughtful place to search out our private and corporate relationships to the God whom the doctrines signify however imperfectly JoAnne Marie Terrell Associate Professor of Theology Ethics and the Arts Chicago Theological Seminary For those of us who teach theology it s rare to find a text that is accessible to those with no previous exposure to theology while also introducing readers in deep and expansive ways to major doctrinal teachings But Rigby has managed to accomplish both here This is a profoundly personal and invitational approach to thinking theologically in ways that

demonstrate the relevance of ancient teachings for our world today And it is also a serious engagement with the biblical text a vast array of historical and contemporary theological voices poetry literature film and more this introduction to theology will empower readers to hold onto faith in new and exciting ways Deanna A Thompson Professor of Religion at Hamline University St Paul MN *Going Places* Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places A Reader's Guide to Travel Narratives* meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing *MAN SEEKS GOD (EDISI KE-2, REPUBLISH 2022)* Eric Weiner, 2022-10-18 Sudahkah kau menemukan Tuhanmu Terpaksa oleh pertanyaan seorang suster ketika dirinya terbaring lemah di rumah sakit membuat hari hari Weiner penuh dengan kegelisahan Ditambah lagi Sonya anak perempuannya yang berusia lima tahun sudah mulai bertanya tanya tentang Tuhan Semua itu memaksa Weiner untuk segera melakukan pencarian Tuhan Weiner memutuskan untuk mengeksplorasi delapan aliran kepercayaan yang telah diseleksinya dengan ketat Dia melakukan tarian berputar bersama para Sufi di Turki lalu bermeditasi di Tibet bersama Dalai Lama Bertolak ke Cina Weiner melatih chi nya bersama para Tao Tak mau ketinggalan dia melingkar bersama penyihir Wicca dan pada akhirnya kembali merenungi jati dirinya sebagai seorang Yahudi di Yerusalem Buku *MAN SEEKS GOD* ini mengajak pembaca berpikir Dari mana manusia berasal Apa yang akan terjadi ketika kita sudah mati Ketika pertanyaan pertanyaan spiritual banyak muncul pada zaman modern ini *Man Seeks God* menyajikan perspektif tentang manusia mencari Tuhan dengan gaya yang asyik menghibur dan menginspirasi Buku yang terdiri dari 500 halaman ini bisa menjadi salah satu bahan bacaan yang wajib untuk kamu baca Perjalanan misterius dan magis yang menerangi batin kita luar dan dalam National Geographic Caranya bercanda dan permainan katanya bagaikan dongeng yang memikat TIME Segera miliki buku berjudul *MAN SEEKS GOD* karya Eric Weiner di Toko Buku Gramedia terdekat atau melalui gramedia.com *Man Seeks the Divine ...
