

ANALYZING SYMBOLS

From each of the following describe their significance in the novel and explain the symbolism.

THE CONCH SHELL

Order & Civilization

The conch is a powerful symbol of order and civilization. It is one of the first rules that Ralph institutes - that the boys can only speak when they are holding it. This means that the conch helps to keep the rules and order on the island. As the boys start to disobey the rules of the conch and eventually when it is totally smashed it represents the fact that all order has been lost.

Evil Within Every Man

The Lord of the Flies is a physical manifestation of the beast and the fear. Moreover, Beelzebub (the name of the devil in the Bible) is literally translated as the Lord of the Flies. Therefore, he is seen as the personification of demonic forces and evil. He represents the fact that there is the potential for evil within all of us.

THE LORD OF THE FLIES

PIGGY'S GLASSES

Power of Science & Intellect

Piggy is the most intelligent boy in the group and his glasses are a representation of this. Moreover it is what the boys use to create fire which means that it is a symbol of power - when Jack's tribe steal the glasses they gain that power.

Civilization and Morals

Adults symbolize civilization and social order to the boys. They long for the guidance of grown-ups and hope for their rescue. But this is ironic as the world war raging outside the island makes it clear that the adult "civilization" is as corrupt as the boys' "civilization" on the island.

ADULTS

THE SIGNAL FIRE

The fire is a key symbol in the novel and it works symbolically in two different ways: both as a representation of the boys' desire for rescue (and as a connection to the world of civilization), as well as a symbol of the violence and destruction of the island of total destruction.

Rescue

Fear & the Beast

The beast personifies man's inner darkness and fear.
