Ask The Passengers:

Ask the Passengers A.S. King, 2012-10-23 In this truly original portrayal of a girl struggling to break free of society's definitions Printz Honor author A S King asks readers to question everything and offers hope to those who will never stop seeking real love Astrid Jones desperately wants to confide in someone but her mother's pushiness and her father's lack of interest tell her they're the last people she can trust Instead Astrid spends hours lying on the backyard picnic table watching airplanes fly overhead She doesn't know the passengers inside but they're the only people who won't judge her when she asks them her most personal questions like what it means that she's falling in love with a girl As her secret relationship becomes more intense and her friends demand answers Astrid has nowhere left to turn She can't share the truth with anyone except the people at thirty thousand feet and they don't even know she's there But little does Astrid know just how much even the tiniest connection will affect these strangers' lives and her own for the better *Ask the Passengers* Amy Sarig

Ask the Passengers Amy Sarig King, 2013 Astrid Jones who realizes that she is a lesbian deals with the gossip and rejection she faces by sending love up to the people on airplanes as they pass over her

Ask the Passengers Head Department of Veterinary Anatomy A S King, 2012 Astrid Jones copes with her small town's gossip and narrow mindedness by staring at the sky and imagining that she's sending love to the passengers in the airplanes flying high over her backyard Maybe they'll know what to do with it Maybe it'll make them happy Maybe they'll need it Her mother doesn't want it her father's always stoned her perfect sister's too busy trying to fit in and the people in her small town would never allow her to love the person she really wants to another girl named Dee There's no one Astrid feels she can talk to about this deep secret or the profound questions that she's trying to answer But little does she know just how much sending her love and asking the right questions will affect the passengers' lives and her own for the better *Ask the Passengers* ,
