Traveling at the Speed of Love Sonia Choquette, 2011-03-01 New York Times bestselling author A paradigm shifting guide to moving through fear and embracing what matters most in life: love. When we travel at the speed of love, we choose to live in a frequency of unconditional love. Today most of us travel at the frequency of fear and live with a victim consciousness. When we are traveling at the fear frequency, no matter how fast we go, we can never get to our destination. The victim consciousness is based on the premise I have no choice. Traveling at the speed of love means taking our power back. We are actually in a different universe when we travel at the speed of love. Our world is not a menacing, threatening race geared to cheat death. It becomes at any moment so satisfying that if this were our last moment on Earth, that would be okay. This is not to say that change is easy. To travel at the speed of love might require a complete paradigm shift in the way you look at your everyday existence. In this fascinating book, Sonia Choquette provides a practical, in-the-trenches guide that will reveal how you can reprogram your brain and change your life for the better. Ask yourself this question: What frequency are you traveling on right now?
