(Frank) Bosman, 2019-04-18 Video game studies are a relative young but flourishing academic discipline But within game studies however the perspective of religion and spirituality is rather neglected both by game scholars and religion scholars While religion can take different shapes in digital games ranging from material and referential to reflexive and ritual it is not necessarily true that game developers depict their in game religions in a positive confirming way but ever so often games approach the topic critically and disavowingly The religion criticisms found in video games can be categorized as follows religion as 1 fraud aimed to manipulate the uneducated as 2 blind obedience towards an invisible but ultimately non existing deity ies as 3 violence against those who do not share the same set of religious rules as 4 madness a deranged alternative for logical reasoning and as 5 suppression in the hands of the powerful elite to dominate and subdue the masses into submission and obedience The critical depictions of religion in video games by their developers is the focus of this special issue **Dark Disciple: Star Wars** Christie Golden, 2024-06-18 Based on unproduced episodes of Star Wars The Clone Wars this thrilling novel features Asajj Ventress former Sith apprentice turned bounty hunter and one of the great antiheroes in the Star Wars galaxy The only way to bring down the Sith s most dangerous warrior may be to join forces with the dark side In the war for control of the galaxy between the armies of the dark side and the Republic former Jedi Master turned ruthless Sith Lord Count Dooku has

grown ever more brutal in his tactics Despite the powers of the Jedi and the military prowess of their clone army the sheer number of fatalities is taking a terrible toll And when Dooku orders the massacre of a flotilla of helpless refugees the Jedi Council feels it has no choice but to take drastic action targeting the man responsible for so many war atrocities Count Dooku himself But the ever elusive Dooku is dangerous prey for even the most skilled hunter So the Council makes the bold decision to bring both sides of the Force s power to bear pairing brash Jedi Knight Quinlan Vos with infamous one time Sith acolyte Asajj Ventress Though Jedi distrust for the cunning killer who once served at Dooku s side still runs deep Ventress s hatred for her former master runs deeper She s more than willing to lend her copious talents as a bounty hunter and assassin to Vos s quest Together Ventress and Vos are the best hope for eliminating Dooku as long as the emerging feelings between them don t compromise their mission But Ventress is determined to have her retribution and finally let go of her dark Sith past Balancing the complicated emotions she feels for Vos with the fury of her warrior s spirit she resolves to claim victory on all fronts a vow that will be mercilessly tested by her deadly enemy and her own doubt
