Wonder - Literature Kit Gr. 5-6 Marita Cockburn, 2016-07-26 Discover the truth behind the saying never judge a book by

its cover with this tale about identity Develop higher level critical thinking skills with the use of Bloom s Taxonomy Demonstrate understanding by describing Auggie s experience in the cafeteria on the first day of school Apply understanding by Interviewing fellow students about what they thought of the novel Use these reviews along with a blurb of the book to create a new version of the back cover Analyze details from the text to explain why Auggie changes his mind about going to school Evaluate the characters by offering explanations to their actions Aligned to your State Standards additional crossword word search comprehension quiz and answer key are also included About the Novel Wonder is the heart warming tale of a young boy s struggle and acceptance through middle school August Pullman is not like every other kid He was born with a rare facial deformity Because of this and his constant trips to the hospital Auggie was always homeschooled That s about to change as he enters middle school for the first time Things start off rocky as the other kids stare at him avoid touching him and even bully him But Auggie perseveres and manages to make some friends What s more he actually really enjoys going to school Slowly Auggie manages to tear down the walls at his school and becomes just one of the kids By the end he has not only survived middle school but overcome it Wonder is a story of one boy s identity and showing how normal he truly is

Kids Across the Spectrums Meryl Alper,2023-08-15 An ethnographic study of diverse children on the autism spectrum and the role of media and technology in their everyday lives In spite of widespread assumptions that young people on the autism spectrum have a natural attraction to technology a premise that leads to significant speculation about how media helps or harms them relatively little research actually exists about their everyday tech use In Kids Across the Spectrums Meryl Alper fills this gap with the first book length ethnography of the digital lives of autistic young people Based on research with more than sixty neurodivergent children from an array of racial ethnic and socioeconomic backgrounds Kids Across the Spectrums delves into three overlapping areas of their media usage cultural belonging social relationships and physical embodiment Alper s work demonstrates that what autistic youth do with technology is not radically different from their non autistic peers However significant social and health inequalities including limited recreational programs unsafe neighborhoods and challenges obtaining appropriate therapeutic services spill over into their media habits With an emphasis on what autistic children bring to media as opposed to what they supposedly lack socially Alper argues that their relationships do not exist outside of how communication technologies affect sociality nor beyond the boundaries of stigmatization and society writ large Finally she offers practical suggestions for the education healthcare and technology sectors to promote equity inclusion access and justice for autistic kids at home at school and in their communities **101**
