## **Associated Press Guide To News Writing The Resource For Professional Journalists:**

The Associated Press Guide to News Writing, 2 Edition Peterson's,2019-10-08 The Associated Press Guide to News Writing is the standard professional resource for both novice and experienced news writers This practical handbook is the ideal writing style guide for all reporters writers editors and English and journalism students It covers all the essentials of good news writing according to the styles and guidelines set forth by the Associated Press with lively examples from today's newspapers This authoritative guide includes Professional advice about crafting a good feature story In depth reviews of important principles in news writing Expert guidance on writing concise informative copy source citations and more Clear and instructive discussions of specialized styles The Micro-historian's Guide to Research, Evidence, & Conclusions

Reginald W. Bacon,2019-09-18 The Micro Historian's Guide to Research Evidence Conclusions imparts useful guidance to motivated historians genealogists special interest researchers and local history enthusiasts As long buried sources become available via the internet more regular folks without a Ph D in history are joining the fun of information gathering and shining new light on under explored history yet often with no foundation of method The author answers the call with this volume paying forward the guidance received from long ago mentors as well as from present day historians and archivists Topics include research planning execution evaluation of evidence formulation of conclusions and the crafting of a summary narrative Each topic is enriched by practical examples from the author's experience The aim is to help the new practitioner build a foundation of research skills that leads to evidence based conclusions The author's perspective of experience as a disciplined researcher but also with roots as a no nonsense old school newspaper reporter occasionally prompts a mild tease of the buttoned down genealogy proof standard or conversely a deflating poke at flabby interpretation and moribund academic writing wherever it may fester The Micro Historian's Guide to Research Evidence Conclusions draws theory from dozens of history genealogy historiography and research giants through the ages The book also pays tribute to that long ago cigar chomping newspaper editor who admonished a young reporter Yer mother sez she loves ya You still gotta check it out
