

# Answers for Appendix F: Triage Scenarios

## INTRODUCTION

The following suggested answers to the ATLS Triage Scenarios should be on hand during the course as a reference for instructors. ATLS sites can also distribute these solutions to participants at the end of the course. The most important aspect of the triage scenarios is to emphasize the principles of triage and encourage the students to reason through

their choices rather than to arrive at a particular correct answer. There may be several correct answers for a particular scenario given specific local resources and/or unique circumstances (twists) that the faculty may introduce and discuss.
