I Have Life Marianne Thamm,2012-09-25 And so began Alison s nightmare journey with the two callous killers who were to rape her stab her so many times doctors could not count the wounds slit her throat and leave her for dead in a filthy clearing miles from the city of Port Elizabeth which was her home But Alison defied death And more than that she denied her attackers the satisfaction of destroying her life I Have Life is the triumphant story of a woman who refused to become a victim The courage which allowed her to move beyond severe physical and emotional trauma and to turn a devastating experience into something life affirming and strong is an inspiration to people everywhere *I Have Life* Marianne Thamm,2016-06-01 The triumphant story of a woman who refused to become a victim Like an apparition conjured out of the darkness a young man with light blond hair pushed his face into the car I immediately spotted the knife It was a long thin weapon almost like a letter opener with a tapering blade It felt cold and spiny as he pressed it to my neck When he spoke his voice which was quiet and controlled sounded as though it emanated from a distant planet But every word thudded into my skull Move over or I ll kill you he whispered And so began Alison s nightmare journey with the two callous killers who were to rape her stab her so many times doctors could not count the wounds slit her throat and leave her for dead in a filthy clearing miles from the city of Port Elizabeth which was her home But Alison defied death And more than that she denied her attackers the satisfaction of destroying her life I Have Life is the triumphant story of a woman who refused to become a victim The courage which allowed her to move beyond severe physical and emotional trauma and to turn a devastating experience into something life affirming and strong is an inspiration to people everywhere *I Have Life* Alison,2006

Remembering: the Soul of You Meyrene Cowell,2021-10-27 In 1998 someone asked me to contemplate the question Who am I When I removed all the labels such as daughter wife mother and teacher and then even my name too I realised how vulnerable I was I wondered what was left of me That was the catalyst that began my search for the Greater Me my eternal Spirit self As I searched listened and read I gained new belief systems that were wider than religion and more liberating than my social conditioning The greatest freedom came though when I finally understood the language of symbols especially those used in the ancient Marseilles Tarot Pack I spent almost twenty years exploring the blueprint of the archetypes that are embedded in these cards Each of the 22 major arcana cards took me on a deep souljourney towards consciousness knowledge and a change of heart What I discovered was that I am more than I could ever have imagined and so are you When we become conscious of painful and inhibiting beliefs that no longer serve us we begin a journey into loving acceptance of self and others too **Teaching for Change** L. Gruesome De Wet Potgieter,2015-10-01 In this book investigative journalist De Wet Potgieter follows the trail of a number of criminals in South Africa s history These violent crimes perpetrated from the late 1980s into the new millennium vary from fanatical far rightists who killed their innocent countrymen to assassins who executed high profile state sanctioned murders He takes the reader behind the scenes of some of the most controversial events in our country and with his fearless style of writing pulls you right into the belly of the beast In *Gruesome* he shares information that has never before been made public What really happened on the night of 17 June 1992 in Boipatong What motivated the horrific attack on Alison Botha What caused the ostensibly conformist policeman Andr Stander to become an unscrupulous bank robber Who was the first person to see the connection between Gert van Rooyen s victims and a probable human trafficking network Potgieter relates how as a journalist he went about reporting on each of these interesting gruesome cases This book takes you back to the bloody newspaper headlines of yesterday *I Have Life* Alison,Marianne Thamm,2002 In this inspiring tale Alison the victim of a brutal rape and attempted murder shares the courage and philosophy that allowed her to turn her tragic experiences into something life affirming and strong With bravery and a keen sense of self awareness Alison recounts how she was car jacked at knifepoint raped stabbed so many times that the doctors could not count her wounds and left for dead miles away from her home As she denied death that night she later denied her assailants the satisfaction of destroying her life by giving voice to her experiences and refusing to be victimized In terrifying detail Alison describes her thoughts and feelings throughout the attack and shows how attitude belief and choice helped her to survive Contributions from Alison s family friends and the man who saved her from the side of the road add depth to Alison s harrowing story Who's who of Southern Africa ,2006 Vols for 1967 70 include as a section Who s who of Rhodesia Mauritius Central and East Africa
