How To Save An Hour Every Day Michael Heppell:

How to Save an Hour Every Day Michael Heppell, 2012-08-21 I'm so certain this book will help you save an hour every day I guarantee it. If you've read the book, put the ideas into action and yet somehow haven't saved that vital hour, I'll personally give you your money back. Michael Heppell's *How to Save an Hour Every Day* is the new book from Michael Heppell, author of the bestselling personal development hit of 2010 *Flip It*, described by DJ and TV presenter Chris Evans as brilliant, simple, a joy to read, and the best personal development book I have ever read. Would you like an extra hour a day every day of your life to do whatever you want with? If this sounds like an impossible dream, then here's the good news: that extra hour really can be yours. This easy-read book is high impact and full of brilliant ideas, tactics, and suggestions that are all designed to save you valuable time. If you are willing to invest just an hour of your time to read it, pick out the ideas that leap out to you and put them into action; you'll create extra time every single day in a way you wouldn't believe could be possible. Among other things, you will overcome procrastination and make better, faster decisions; unearth hidden time for you; time to do the important things; discover powerful new ways to organise your time and your life; find out how to deal with the deadly time-sappers; streamline and simplify absolutely everything you do, both at work and in the home. We're sure you'll find more time every day. What you do with it is up to you. www.saveanhour.co.uk

Get Things Done Robert Kelsey, 2014-03-31 Robert Kelsey's *What's Stopping You* has become a self-help classic. His *What's Stopping You* books have helped thousands of people worldwide overcome their limiting beliefs and bash through their barriers to success. Now Robert is back to help us defeat the obstacles that stop us achieving more in our everyday lives. Many of us have the greatest of intentions but find ourselves procrastinating, which results in low attainment and frustrated ambitions. Grounded in solid psychological research, Robert helps us examine why we might have these tendencies and how to overcome them in order to feel more in control and on top of everything. Looks at the psychology behind why we procrastinate in order to understand and change our behaviour, forming new effective habits. Provides practical solutions to help us get things done in real-life situations, including meetings on the phone, with e-mail, looking for a job, and starting a business. Includes techniques to improve focus and aid concentration. Examines how disorganisation is not innate and how we can learn processes that will allow us to be more effective. How to bring control to certain areas of your life and reduce stress and uncertainty. *Get Things Done* is emotional ergonomics for the organisationally challenged individual at home, at work, with themselves, and with others.
